Experience the Real Southeast Asia

Colourful and chaotic with a hint of spice, it isn't difficult to see why Southeast Asia is an ever popular destination. Whilst these nations share distinct similarities, they each have their own tumultuous histories, monumental sights and rich cultures shaped by a plethora of influences.

Burma

Offering unsurpassed encounters for those with an adventurous spirit and an open mind, Burma (Myanmar) is a destination unlike any other. Delve into a country where the culture is wonderfully rich, ancient traditions are still a part of everyday life and the landscapes are delightfully unspoilt. Explore the watery world of Inle Lake, cruise past untouched countryside on the Irrawaddy River, and visit the gleaming Shwedagon Pagoda in Rangoon.

Cambodia

Just thirty years after the atrocities of the Khmer Rouge, Cambodia has emerged as Southeast Asia's most enticing destination. Whereas the unparalleled temples of Angkor are a major part of this appeal, it is the charming personality and humour of the Khmer people that really resonates when travelling. There are also undeveloped golden beaches, unspoilt wilderness and relaxed cities full of an eclectic mix of colonial and Khmer influences, making Cambodia the epitome of a Southeast Asian travelling paradise.

Laos

Caught in the middle of Indochina's historical conflicts, Laos' years of isolation from the world is, today, one of its most appealing features. Enchantingly old-fashioned, both its landscapes and traditions are pristine, whilst the Laotians are a laidback and friendly people living simple lives. From the mountains and rainforests of the north, to the spectacular Four Thousand Islands in the south, and the ornate cultural treasures in between, this is an incredibly beguiling destination.

Thailand

Thailand offers an irresistible combination of bustling cities, pristine beaches and tropical forests. Buzzing Bangkok is a heady mix of golden temples and palaces, floating markets and vibrant nightlife. Dubbed the Golden Triangle, the northern regions around Chiang Mai and Chiang Rai are home to numerous hill tribes and plenty of elephants. Heading south, world-class resorts such as Phuket, Koh Samui and Hua Hin boast some truly luxurious beach hotels.

Vietnam

Vietnam emerged from decades of civil war as a country full of hope and enterprising spirit. A land of friendly people and historic cities, Vietnam's diverse landscapes are one of its most striking features stretching from fertile delta plains to rugged emerald mountains. Cities are modernising rapidly but retain much French colonial charm. Whilst exquisite beaches can be found along its ravishing coastline and delicious seafood is always on the menu.

River cruising

Both the Irrawaddy and Mekong Rivers have long been the lifeblood of the communities that live on their banks – providing transportation for both people and goods as well as offering vital irrigation. The Mekong basin is also one of the richest areas of biodiversity in the world. Cruising both of these great rivers offers the opportunity to see a truly authentic side of life, with many small, rural communities, dreamy countryside, as well as important towns and cities, settled on their banks.

Our Favourite Experiences

Vietnam is a wonderful country full of fascinating places; my personal favourite was Hoi An, an ancient fishing village boasting traditional architecture with numerous foreign influences and narrow streets set on the Thu Bon River. Hoi An is easy to get around by foot to explore the local arts, crafts and textiles among the traditional temples and pagodas.

Vicki Swaby, Senior Air Product Executive

I love Angkor because it is one of those places that, if you let it, will do all that it can to bring out your inner explorer. The jungle that swallowed this once great city conspires to draw you in, offering tantalising glimpses of grey stone through thick green foliage whilst the light, dappled and hazy, creates intriguing silhouettes, luring you in for a closer look. There really isn't any choice but to succumb and embrace the adventure wholeheartedly.

Nicci Hawkins, Product Executive

I truly enjoyed my time in the town of Kanchanaburi in Thailand. Learning about the area's modern history at the infamous Death Railway and poignant Allied Cemetery was an eye opening experience, and a boat ride down the River Kwai was a delightful way to end the day.

Tom Cranshaw, Product Executive

Planning your trip

Whether you wish to travel to one, or to a combination of Southeast Asia's wonderful countries, Wendy Wu Tours has the experience and expertise to arrange your ideal holiday travelling in a style that suits you.

Group tours to Southeast Asia & beyond

Group Tours

Our group tours can explore just one country, two countries or even three and range from introductory journeys to in-depth adventures. Each holiday showcases the very best sights and experiences that each destination has to offer. Each section in this brochure begins with our group tours in order of duration. Our group tours typically include all your meals, however there are a few tours where this isn't the case and for these particular days we have written B (breakfast), L (lunch) or D (dinner) at the end of the text. For every other day you can assume your meals are fully included.

Private Tours

Adapt our tours to suit your circumstances, departing on the date of your choosing and travelling in the style that suits you. As well as specifically prepared private tours, you can also turn any of our most popular tours into private ones, with fully flexible itineraries and all the visits, or free time, that you'd prefer. Our private tours maintain all of the great standards you would expect from us, but instead of travelling with a group you will have your own private driver and local guides. To give you maximum flexibility we haven't included all meals so look for B, L or D at the end of each day to see what is included. The little car will tell you that the tour is operated on a private basis.

Pages 80-91

Exclusive Collection

The Exclusive Collection perfectly blends our classic tour formula but adds those little embellishments that the more discerning traveller would expect. Enjoy small group sizes, special experiences, top gastronomy and 5* hotels. We'll even pick you up from your home in the UK and drop you back off again! Spaces are very limited on these tours, so make sure you book early to avoid disappointment.

Extend Your Holiday

Stopovers

Depending on who you fly with, affordable stopover options are available in Bangkok, Singapore, Hong Kong, Kuala Lumpur and the Middle East. Not only do these give you an opportunity to see and experience something completely different, but many of our customers prefer to break up the journey to or from the UK.

Extensions

Southeast Asia is blessed with a bounty of beautiful beaches, many of our tours will take you to the coast, but if you are looking to spend a concentrated amount of time relaxing by the sea, then why not extend your trip at one of the world class beach resorts in Vietnam, Cambodia or Thailand. Alternatively, many want to see and explore more of the region they are touring, and we have a range of suitable extensions depending on where you start and finish.

Tailor-made

Everything in this brochure, and much more, can be arranged on a tailor-made basis. Our dedicated ASIA Inspirations team is on hand to design a bespoke holiday that is unique and individual to you and fulfils all of your travel hopes and dreams.

Tour Grade

Our group tours are graded as **Comfortable**, **Moderate** and **Active** to reflect the level of fitness required. Alternatively, our range of private tours are more flexible and can better cater for individual needs. The icon on each tour page refers to the tour grading and the mountain icon on the map will tell you the altitude reached on any given tour. The specific reasons for a particular grading for each tour are clearly described in the tour dossiers which you can find on our website. See page 102, or contact us if you require any advice.

What our customers think of us

Thank you for the wonderful memories

"My husband and I have just returned from an amazing holiday with Wendy Wu Tours in Hong Kong and Vietnam, and I wish to say we had a fantastic time, the organisation was brilliant, everything ran so smoothly and the hotels were first class - clean and very comfortable. We also enjoyed the food and thought the idea of going to local restaurants to eat at lunchtime and in the evening was lovely. We cannot praise our guide, Nguyen Van Ky, enough. He was the gentlest, kindest, and most caring man, and is extremely patient - we are so pleased to have met him, and wish him well in the future. Once again thank you for the wonderful memories."

Inspiring Guide

"We have just come back from this wonderful tour and we'd just like to say it was our best holiday ever. Our tour guide Nack was wonderful. We saw so much but it was his passion for his country that made sure we were all totally submerged in it too. We just did not want to come home and if we could, we would have done it all again."

Mr and Mrs Cully

Recommend to all

"The trip was wonderful, the national guide, Jenny, was terrific and the local guide, Gig, was great. Both had an excellent command of English and what was expected. This trip ran very smoothly indeed, Jenny seemed to iron out any problems before they occurred and the group was very friendly and a pleasure to travel with. We particularly enjoyed staying with the hilltribe who made us very welcome and gave up their bedrooms and living accommodation for us. Overall, the tour was well balanced with a very varied programme - we would recommend the holiday and Wendy Wu Tours to all."

Mr and Mrs Giller booked with Aspen Travel
Thailand Highlights, Feb 2014

It really was all inclusive

"We received great pre tour information and helpful travel advice from Wendy Wu Tours. On tour there were great local guides giving us a true picture of life as it is now, and how it was in recent times in their counties. It was a very well paced tour with the right balance of time spent in each location, I could have spent more time in the north of Vietnam. Your all inclusive really was all inclusive, and the payment of tips on arrival a brilliant idea."

Mrs Gabrielle Clark

Helpful, informative and professional

"I am writing on behalf of my family party who travelled to Vietnam with Wendy Wu Tours on Vietnam Panorama. This was our second holiday with Wendy Wu, and we enjoyed it every bit as much as the first time. The hotels were all of a very high standard and well situated. The food was delicious, and I must thank you for catering so well for me as a vegetarian. I had a very good choice of meals. We wish especially to praise our national tour guide, Mr. Ngo Duc Dung, who was helpful, informative and professional at all times. He helped to make our tour very special. Once again, thank you very much for a wonderful holiday. We hope to travel again with Wendy Wu Tours in the future, and have recommended your company to our friends."

■ **Day 3: Explore Rangoon**
Rangoon, Burma's capital until its relocation to Naypyidaw in 2006, is the heart of Burma's spiritual life and a bustling city full of crumbling colonial charm. Today will be spent exploring this fascinating city. The first visit is to Sule Pagoda and the Chauk Htat Gyi reclining Buddha. Continuing on, stop for photos at Karaweik Hall, a glittering barge palace floating on Kandawgyi Lake, and stroll through Bogyoke Market. Finally explore Shwedagon Pagoda. Purported to have four relics of former Buddhas enshrined within, the pagoda is Burma's most sacred Buddhist site. The complex's huge golden stupa dominates the city's skyline.

■ **Day 4: Fly to Mandalay**
Transfer to the airport and fly to Mandalay where, on arrival, you will board your river cruise vessel on which you will spend the next seven nights. The boat, built in Rangoon, is designed to reflect a golden age of colonial grandeur and features well-appointed cabins, excellent service and a relaxing spa. Sip on a welcome cocktail and take in your new surroundings before settling down to dinner served in the bistro-style dining room.

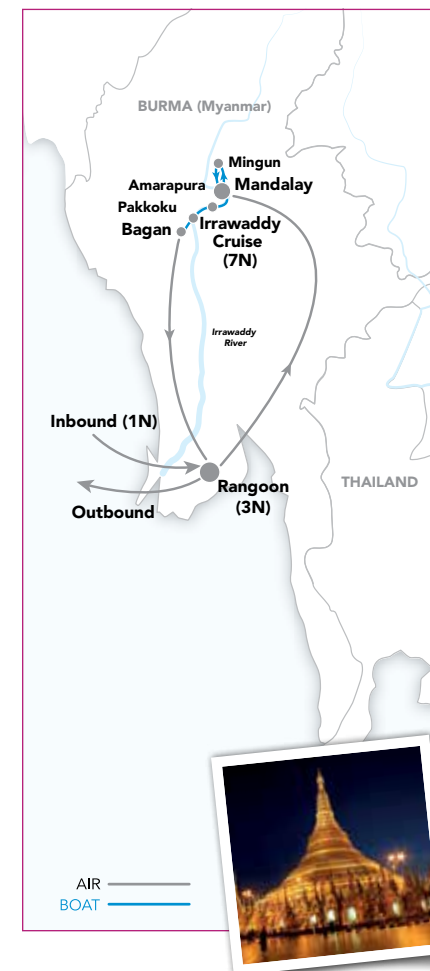

■ **Day 5: Mingun**
Wake up to ever-changing river bank surroundings and take a leisurely breakfast outside on the deck to admire the passing views. Enjoy a morning walking tour of the village of Mingun home to what would have been, had it been completed, Burma's largest temple – the Mingun Pagoda. Though incomplete, it is still a monumental structure – 50 metres tall, 72 metres wide and constructed entirely of brick. You'll also see the huge Mingun Bell and the Mingun Old People's Home.

Hanoi

Situated in the north of Vietnam, Hanoi experiences cold and dry winters and hot and humid summers. Spring and autumn are the most ideal times to visit with warmer temperatures and lower humidity.

Saigon

Tropical Saigon is usually warm all year round and dry during the winter and spring months. Popular times to visit are October to December. Saigon's rainy season falls in the summer months, but these rain spells often clear quickly.

Hoi An

Hoi An has two distinct seasons. Summer is very dry and warm, making this the ideal time to visit. Winter months are cooler with heavier rainfall. Hoi An's tropical climate still make this stunning city warm year round.

Siem Reap

Siem Reap is warm throughout the year. From May to October Siem Reap has its highest rainfall, but temperatures still remain warm. October to April is when Siem Reap is at its driest period.

Luang Prabang

Luang Prabang is located along the Mekong River and had two typical seasons. During the winter months Luang Prabang is hot and dry and during the summer months it is warm but with higher rainfall than the winter months.

Bangkok

With its typical tropical climate, Bangkok is warm year round and at its hottest between March and June. Humidity levels are higher during this time, but this vibrant city cools down a little between July and October with periods of rainy weather and occasional showers.

Phuket

Phuket enjoys mild weather year round. The hottest period falls between April and May, September and October. The rainy season is during the months of September and October, the rest of the year is largely dry.

Rangoon

Rangoon's summers are hot and humid with heavier rainfall. Between November and February the conditions are more comfortable as the temperature cools slightly and it is dryer. During the spring it becomes much hotter.

Your Questions Answered

A selection of our most frequently asked questions.

Before you travel

Q. How soon after making our booking will we receive confirmation?

A. Once we have received your deposit we will send your confirmation documents.

Q. Do you send us information about the destinations we will visit?

A. We will send you a detailed tour dossier, which provides a straightforward description of the physical activities involved on each day of your itinerary. If there are any particular challenges such as the length of time spent on your feet, journey times or accommodation standards, they will be explained in these concise trip notes. It is essential that you read the relevant tour dossier before booking, which you can find on wendywutours.co.uk, or we can arrange for one to be sent to you.

You will also receive a travel guide and phrasebook as well as a suggested packing list with your final documents.

Q. Will I know which hotels I will be staying in before I go?

A. Hotel details will be sent with your final documents. Note that these may be subject to change. Hotels generally range from 3-4 stars. In more remote areas, accommodation may be of a lower standard and may not have all western amenities. Rest assured that all hotels used by Wendy Wu Tours are regularly inspected by our staff and our partners to ensure that standards meet your needs. See page 100 for examples of hotels we usually use.

Q. How do I get my visa?

A. The cost of your visa is included in the price of your tour (UK & EU passports only). Simply send us your passport, completed visa application form and passport size photos eight weeks before departure by Royal Mail Special Delivery and we aim to have them sent back to you within four weeks. If you require your passport back earlier, please let us know so that we can arrange for an express visa

Service at an additional charge. Passports or visa application forms received six weeks or less before departure will automatically incur an express visa fee. Wendy Wu Tours does not accept responsibility for lost or undelivered items. Personal collection or courier services are available on request. Please note that visa regulations can change at any time.

Visas for Laos are not included as there is no Laos consulate in the UK. Visas for Laos are inexpensive and easy to obtain upon arrival in Laos. If travelling into Cambodia overland your visa will also need to be obtained locally.

Q. Do I need travel insurance?

A. Your protection and safety are our main priority. That's why having adequate travel insurance is a condition of booking with us for all the destinations you plan to travel to. Contact us for details of our recommended policies.

Q. What vaccinations do I need?

A. We recommend you see your doctor at least six weeks prior to travel for advice and to allow time for any necessary vaccinations. Please remember to take your itinerary with you.

Q. How fit do I need to be?

A. Our group tours are graded on each page to reflect the level of fitness required. The specific reasons for a particular grading for each tour are clearly described in the tour dossiers which you can find on our website. Please contact us if you require any advice.

Our range of private tours is more flexible and may better cater for individual needs. Ask us for more details.

Comfortable Tours
Accessible to most people with an average level of fitness and normal mobility. They may involve sightseeing on foot, some climbing of stairs and getting on and off boats.

Moderate Tours
Not strenuous, but do require higher levels of fitness. A typical tour may include activities stated above as well as longer periods of sightseeing on foot/driving. Easy walking and overnight train journeys may also feature.

Active Tours
Require a good level of fitness, as they are physically more demanding. They may involve activities stated above as well as some hiking, travel to remote areas where tourist facilities are less developed and long days of driving.

Please contact us if you require any advice.

Q. What size are your tour groups?

A. The maximum group size varies depending on the tour, but is usually between 8 and 29 passengers. You may meet other tour groups travelling concurrently. Where available, on our group tours we operate a seat-and-a-half policy, allowing you to travel in comfort.

Q. Do you run Guaranteed Departures?

A. Our group tours are guaranteed to run subject to a minimum of 8 passengers, and a National Escort will accompany each group of 10 or more.

Q. As a single traveller, will I have to pay a single supplement?

A. No. On group tours we offer the option to share with a tour member of the same gender so there are no additional charges for travelling alone. You will be introduced to your share partner on arrival. Note that on overnight rail journeys and cruises this may not be with a Wendy Wu Tours passenger. To arrange a guaranteed private room, our single room option is available for an extra cost (you may still be required to share on overnight rail journeys).

Q. What does Escorted Touring mean?

A. Every group tour which has 10 or more passengers travelling will be accompanied by a national escort from when you land at the airport to when you depart. On multi-country tours different national escorts are used in each country. Our optional extensions are not accompanied by a national escort; however you will have the benefit of our knowledgeable local guides. Transfers and flights to and from optional extension destinations are not escorted. Private tours are not accompanied by a national escort, but will be accompanied by knowledgeable local guides in each location.

Q. What is the maximum luggage allowance on your tours?

A. Your main suitcase or backpack must not exceed 20kg and your hand luggage must not exceed 5kg as this is the maximum allowance on internal flights.

Q. What currency should I take?

A. We recommend you take sterling or US Dollars as well as the local currency and a credit/debit card. We do not recommend travellers cheques. Please ensure you have sufficient funds to pay for personal expenses such as drinks, snacks, souvenirs, additional tipping and optional extras. Tipping must be in US dollars.

Q. Can you arrange Airport Lounges, Parking & Hotels?

A. Yes – we are always looking for ways to make your holiday that little bit more comfortable and convenient for you. See page 7 for details.

Q. When is the best time to visit Southeast Asia?

A. Southeast Asia is a year-round destination. While November – April are

the most popular months to visit, many people enjoy tours at other times of the year when there are fewer tourists. See page 101.

Q. When are Southeast Asian public holidays?

A. Vietnamese New Year, otherwise known as Tet, will be on 19th February 2015 and 9th February 2016. Celebrations last up to ten days. New Year celebrations for Cambodia, Laos and Thailand are in mid-April every year. Some businesses may be closed and tourist sites will be busier.

While on tour

Q. What sort of vehicles do you use on your group tours?

Road: Coaches with air conditioning are used on our group tours for city sightseeing, short excursions to the countryside and longer transfers where necessary. On our private tours we use air-conditioned vehicles suitable for the size of the party.

Air: Internal flights are based on economy class, with reputable airlines.

Water: Ships or boats are used on tours which have a cruising element, from river cruising ships on the Irrawaddy and Mekong to Junk Boats on Halong Bay. To undertake these excursions, you will need to be capable of boarding and disembarking from these boats, sometimes without assistance and/or handrails.

Rail: Trains are used on some tours. Where there is an overnight journey we use the best available soft sleeper trains. Each compartment is shared by four

people (not necessarily Wendy Wu Tours passengers). There is a western-style toilet at one end of the carriage and an Asian-style toilet at the other end. The beds and cabins are basic with clean linen provided and there are neither showers nor a dining car. The trains are generally clean; however you cannot expect western standards.

Q. Is there a dress code on your tours?

A. Our dress code is very relaxed; however, please note that clothing covering the arms and legs is more appropriate when visiting religious buildings.

While on tour

Q. Are meals included?

A. All meals (excluding beverages) are included in our group tours except where stated. Please note that in remote areas such as the Mekong Delta and Sapa, meals may be basic or repetitive. Meals included in private tours are stated in the itinerary and include several free evenings, offering flexibility for those who wish to explore local restaurants. Meals on our group tours normally start with dinner on the day of arrival and finish with breakfast on the day of departure. Any additional meals will be at your own expense and no refund will be made for any meals missed. You will sample a range of local cuisine with occasional western meals, and meals are usually taken at local restaurants.

Q. Is tap water safe to drink?

A. We strongly recommend that you drink bottled water only.

Q. Can special requests be arranged?

A. If you have any special requests such as dietary requirements, or if you wish to celebrate an event, please notify us at the time of booking and we will do everything possible to ensure your requests are met. Please note that special requests cannot be guaranteed.

Q. What is the flying time to Southeast Asia?

A. Approx. 12 hours (if flying direct).

Q. Do you allow children on your tours?

A. We allow children 12 years and over on our group tours. We recommend families with children of any age to consider our private tours offering greater flexibility whilst on tour and suitable for any age group.

Q. Will I be travelling with passengers from other countries?

A. Our passengers generally enjoy the mixture of British and Australian clients on tour. Occasionally we are joined by English speaking passengers from other countries.

Q. What is the average age on your group tours?

A. The average age range is 40-65. Younger and older passengers travel with us too.

Q. What hours of the day do your tours operate?

A. They generally start about 8am and end shortly after your evening meal. Occasionally earlier starts are required to meet flight departures.

WeCare – Health & Safety

Your health, safety and well-being on holiday are of paramount importance to us. Wendy Wu Tours is a fully insured and bonded tour operator with comprehensive public liability cover.

Working closely with an independent health and safety organisation, the Wendy Wu Tours team carries out health and safety checks on accommodation, transport and excursions; and works with our destination partners and suppliers towards improving health and safety standards throughout the regions in which we operate. All travellers should be aware that safety standards vary across the different regions we visit and may not match the standards we enjoy in the UK. In the unlikely event of a problem or emergency on tour, Wendy Wu Tours has a Crisis Management process in place to support all of our customers. We also have a dedicated 24 hour emergency support number.

Q. Is Tipping Compulsory?

A. Tipping is a necessary part of the tourism industry worldwide. For your convenience, total compulsory tipping amounts are stated on each group tour page (subject to change), to be paid in USD to your national escort on arrival. Porterage is included on our Group Tours to Southeast Asia (from the coach to the lobby of each hotel). For tours with fewer than 10 passengers, tipping will be slightly higher than stated on the group tour pages. On private tours and extensions, tipping is discretionary and we will advise recommended amounts.

We hold an Air Travel Organiser's Licence issued by the Civil Aviation Authority (ATOL number 6639). When you buy an ATOL protected flight or flight inclusive holiday" from us, you will receive an ATOL Certificate. This lists the flight, accommodation, car hire and/or other services that are financially protected, where you can get information on what this means for you, and who to contact if things go wrong. We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable).

*The flights and flight-inclusive holidays we arrange are ATOL protected providing they are made available in the UK. For further information visit the ATOL website at www.atol.org.uk.

We are a member of ABTA (ABTA number W7994). If your holiday does not include flights, ABTA will financially protect your holiday by ensuring you receive a refund or, if your arrangements include return travel to the UK (other than flights) you are returned to the UK in the event that your holiday cannot be provided as a result of our insolvency. Please go to www.abta.com for a copy of the guide to ABTA's scheme of Financial Protection.

ABTA and ABTA members help holidaymakers to get the most from their travel and assist them when things do not go according to plan. We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct.

For further information about ABTA, the Code of Conduct and the arbitration scheme available to you if you have a complaint (see clause 14), contact ABTA at 30 Park Street, London, SE1 9EQ or see www.abta.com.

3. Your Holiday Price

Please note, changes and errors occasionally occur. You must check the price of your chosen holiday at the time of booking.

The cost of your travel arrangements was calculated using known costs and exchange rates of £1 to 1.708USD on 21 July 2014.

We reserve the right to increase / decrease and correct errors in advertised prices at any time before your holiday is confirmed. We will advise you of any error of which we are aware and of the then applicable price at the time of booking.

Once the price of your chosen holiday has been confirmed at the time of booking, then subject to the correction of errors, we will only increase or decrease the price in the following circumstances. Price increases or decreases after booking will be passed on by way of a surcharge or refund. A surcharge or refund (as applicable) will be payable, subject to the conditions set out in this clause, in the event of any change in our transportation costs or in dues, taxes or fees payable for services such as landing taxes or embarkation or disembarkation fees at ports or airports or in the exchange rates which have been used to calculate the cost of your holiday.

Even in the above cases, only if the amount of any increase in our costs exceeds 2% of the total cost of your holiday (excluding insurance premiums and any amendment charges) will we levy a surcharge. If any surcharge is greater than 10% of the cost of your holiday (excluding insurance premiums and any amendment charges), you will be entitled to cancel your booking and

receive a full refund of all monies you have paid to us (except for any amendment charges) or alternatively purchase another holiday from us as referred to in clause 9 "If we change or cancel your holiday". Although insurance (where purchased through us) does not form part of your contract with us or of any "package", we will consider an appropriate refund of any insurance premiums you have paid us if you can show you are unable to use/reuse or transfer your policy in the event of cancellation or purchase of an alternative holiday.

Where applicable, you have 14 days from the issue date printed on the surcharge invoice to tell us if you want to choose option (b) or (c) as set out in clause 9 below. If you do not tell us that you wish to choose either of these options within this period of time, we are entitled to assume that you do not wish to do so and will pay the surcharge. Any surcharge must be paid with the balance of the cost of the holiday or within 14 days of the issue date printed on the surcharge invoice, whichever is the later.

Please note that arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your holiday due to contractual and other protection in place.

A refund will only be payable if the decrease in our costs exceeds 2% of the total cost of your holiday as set out above. Where a refund is due, we will pay you the full amount of the decrease in our costs.

We promise not to levy a surcharge within 30 days of departure. No refund will be payable if any decrease in our costs occurs during this period either.

4.Payment

In order to confirm your chosen holiday, a deposit of at least £350.00 per person (or full payment if booking within 60 days of departure) must be paid at the time of booking. In some cases the amount of deposit may be higher: where, for example, we need to pre-purchase flights tickets, accommodation or other services. If you wish to purchase the insurance policy we offer, all applicable premiums must also be paid at the time of booking (you must be insured – please see clause 6 on the subject of insurance).

The balance of the holiday cost must be received by us not less than 60 days prior to departure. This date will be shown on the confirmation invoice. Reminders are not sent.

Our preferred method of deposit payment is by bank debit card or credit card. Balance payment may be made by cash, bank debit card, credit card or cheque (providing there is time to clear it to meet the payment schedule shown above - you should allow 5 working days for clearance from the time we receive it). No charge will be made for deposits and balances paid by Debit Card/Switch/Delta. However, in line with most major operators, we will make a charge of 2% for deposits and balances paid by credit card. If we do not receive all payments due (including any surcharge where applicable) in full and on time, we are entitled to assume that you wish to cancel your booking. In this case, we will be entitled to keep all deposits paid and that up to date.

Except for flight inclusive bookings, all monies you pay to one of our authorised travel agents for your holiday with us will be held by the agent on your behalf until a contract between us comes into existence. After that point, your agent will hold the monies on our behalf until they are paid to us. For flight inclusive bookings, all monies paid to any authorised travel agent of ours for your holiday with us will be held on behalf of and for the benefit of the Trustees of the Air Travel Trust subject to the travel agent's obligation to pay such monies to us in accordance with our trading terms unless we fail. In the unlikely event of our financial failure, all monies then held by the travel agent or subsequently paid by you to the travel agent will be held by the agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation on the agent to pay such monies to us.

5. Travel documents and visas

A Passport with a minimum of six months validity from the intended date of Travel, and contain a minimum of two blank visa pages, is required for travel for all countries in our programme. Visa fees, where required, are included for UK and EU passport holders in all fully inclusive group packages with the exception of holidays to Laos. Non UK passport holders will incur Visa fees at their own expense. Failure to forward passports to Wendy Wu Tours by the date specified on your confirmation invoice so that we can process your Visa application may incur further charges to cover expedited Visa processing. Unless otherwise requested your passport will be returned approximately 4 weeks after receipt by Royal Mail Special Delivery. A charge will be made for faster processing. It is your responsibility to ensure the visa issued to you is correct. Whilst we include the cost of the standard visa application service in your tour price (for UK and EU passport holders), we will pass on any additional charges incurred for non-standard visa processing, or where visa charges are increased following publication of the brochure. Should your visa application be refused for any reason and you wish to cancel your booking the cancellation charges under clause 8 will apply. We make no promises that your Visa application will be successful and we cannot accept bookings conditional on the issuing of a Visa.

Responsibility for documentation accuracy, passport validity and dispatch of documents rests with you. Wendy Wu Tours accepts no responsibility in this regard. Passports and applications should be sent by tracked delivery or in person. We accept no responsibility for passports lost in the post.

It is the responsibility of each passenger to ensure that you carry all necessary passport, visa and other travel documentation as required by the country you are visiting, and that all documents are in date and valid. We do not accept responsibility if you cannot travel because you have not complied with any passport, visa or immigration requirements for any part of your holiday. If failure to have any necessary travel or other documents results in fines, surcharges or other financial penalty being imposed on us, you will be responsible for reimbursing us in full.

6.Travel Insurance, Health and Safety

It is a condition of booking with us that you take out suitable travel insurance covering at least circumstances leading to the cancellation of your booking and providing sufficient medical cover for illness or injury and repatriation while overseas. You must provide us with the name of your insurers and their 24 hour emergency contact number when you book or as soon as possible thereafter. Wendy Wu Tours will not be liable for any costs incurred by you due to your failure to take out suitable travel insurance from the date of booking. You will indemnify Wendy Wu Tours in respect of any assistance or payment made by us in these circumstances.

Details of any compulsory health requirements applicable to British citizens for your holiday are available from the websites listed below. It is your responsibility to ensure you are aware of all recommended vaccinations and health precautions in good time before departure. Details are available from your GP surgery and from the National Travel Health Network and Centre www.nathnac.org. Information on health can be found at www.nhs.uk and

www.fitfortravel.nhs.uk. For holidays in the EU / EEA you should obtain an EHIC (European Health Insurance Card) prior to departure from the Department of Health (www.dh.gov.uk). Health requirements and recommendations may change and you must check the up to date position in good time before departure. The Foreign and Commonwealth Office publishes regularly updated travel information on its website www.gov.uk/foreign-travel-advice which you are recommended to consult before booking and in good time before departure.

7. If you wish to change your booking

If, after our confirmation invoice has been issued, you wish to change your travel arrangements in any way, we will endeavour to make these changes, but it may not always be possible. Any request for changes to be made must be from the lead name on the booking or your Travel Agent. You will be asked to pay an administration charge as set out below per person and any further cost we incur together with any costs or charges incurred or imposed by any of our suppliers in making this alteration. Examples include:

- Minor amendments to the tour booked - £20
- Minor amendments made within 30 days of departure - £30
- Transferring between tours or changing departure date - £50
- Transferring between tours or changing departure date within 60 days of departure is not permitted and cancellation fees will apply
- Reissue of airline tickets - £50 plus any non-refundable costs of the cancelled ticket and any additional costs of the new ticket
- Once a booking is confirmed no name transfers are permitted within 60 days of departure and will be regarded as a cancellation and cancellation fees apply

It is important to note that some arrangements such as certain types of air tickets cannot be changed after a booking has been made as they are sold as part of your fixed package: any change will be treated as a cancellation in which case cancellation charges will apply.

8. If you wish to cancel your booking

Because we start to incur costs in relation to your arrangements from the time we confirm your booking, if you cancel we have to make a charge and the nearer to your departure date you cancel, the higher the charge will be. If you wish to cancel a confirmed booking you must do so by writing to our head office. Cancellation takes effect from the day we receive your letter. Cancellation charges are shown in the table below and will be payable immediately on cancellation. Where the cancellation charge is shown as a percentage, this is calculated on the basis of the total cost payable by the person(s) cancelling excluding insurance premiums and amendment charges. Insurance premiums and amendment charges are not refundable in the event of cancellation:

61 or more days	Retention of deposit
60 – 42 days	30% including deposit
41 – 28 days	60% including deposit
27 – 15 days	90% including deposit
14 days or less	100% including deposit

Depending on the reason for cancellation, you may be able to reclaim these cancellation charges (less any applicable excess) under the terms of your insurance policy. Claims must be made directly to the insurance company concerned and we have no liability in these circumstances.

9. If we change or cancel your holiday

We start planning the holidays we offer many months in advance. Occasionally, we have to make changes to and correct errors in brochure and other details both before and after bookings have been confirmed and cancel confirmed bookings. Whilst we always endeavour to avoid changes and cancellations, we must reserve the right to do so. The right is also reserved to change airline, aircraft types and vessels scheduled for any specific departure. Even after we have confirmed your booking we may have to make alterations to confirmed arrangements. Most such alterations will be minor and of little effect on your overall arrangements and while we will do our best to notify you of any such minor change before your departure, we will have no other liability to you. Occasionally we may have to make a significant change to your confirmed arrangements.

Significant changes include but are not limited to the following (which are illustrative):

- Change of UK departure airport. (A change from one London airport to another is not considered a major change. London airports are Heathrow, Gatwick, Stansted, Luton and London City)
- Change of your time of departure or return by more than 12 hours
- Change of resort
- Change of holiday accommodation to accommodation of a lower official rating.

If we have to make a significant change, we will notify you as quickly as possible and offer you the following options:

- (a) (for significant changes) accepting the changed arrangements or
- (b) purchasing an alternative holiday from us, of a similar standard to that originally booked if available. We will offer you at least one alternative holiday of equivalent or higher standard for which you will not be asked to pay any more than the price of the original holiday. If this holiday is in fact cheaper than the original one, we will refund the price difference. If you do not wish to accept the holiday we specifically offer you, you may choose any of our other then available holidays. You must pay the applicable price of any such holiday. This will mean your paying more if it is more expensive or receiving a refund if it is cheaper or
- (c) cancelling or accepting the cancellation in which case you will receive a full refund of all monies you have paid to us

In addition, if you choose (a) or (b) above, and the change is not due to 'force majeure' (see clause 10 "Force Majeure"), you will receive as compensation a credit towards the cost of your arrangements, or any alternative selected, of the amount shown in Scale A below. If you choose (c) we will pay you compensation of the amount shown in Scale B below. In all cases we will have no liability for any other or greater compensation, or for expenses or losses incurred as a result of any change.

Period before departure date notification given by us	Credit/Compensation per fare paying passenger (excluding children)	
	Scale A	Scale B
0 – 7 days	£50	£25
8 – 14 days	£40	£20
15 – 28 days	£30	£15
29 – 42 days	£20	£10
43 – 56 days	£10	£5

No compensation will be payable and the above options will not be available if we cancel as a result of your failure to comply with any requirement of these booking conditions entitling us to cancel (such as paying on time) or where a change is a minor one.

10. Our liability to you

(1) We will take reasonable care to ensure that the holiday arrangements we have agreed to make, perform or provide as part of our contract with you are made, performed or provided with reasonable skill and care. This means that, subject to these booking conditions, we may accept responsibility if, for example, you suffer death or personal injury or your contracted holiday arrangements are not provided as promised or prove deficient as a result solely of the failure of ourselves, our employees, agents or suppliers to use reasonable skill and care in making, performing or providing, as applicable, your contracted holiday arrangements. Please note, it is your responsibility to show that reasonable skill and care has not been used and you have suffered loss as a result if you wish to make a claim against us. In addition, we will only be responsible for what our employees, agents and suppliers do or do not do if they were at the time acting within the course of their employment (for employees) or carrying out work we had asked them to do (for agents and suppliers).

(2) We will not be responsible for any injury, illness, death, loss (for example loss of enjoyment), damage, expense, cost or other sum or claim of any description whatsoever which results from any of the following:

- the act(s) and/or omission(s) of the person(s) affected or any member(s) of their party or
- the act(s) and/or omission(s) of a third party not connected with the provision of your holiday and which were unforeseeable or unavoidable or
- 'force majeure' as defined in clause 11 below

(3) Please note, we cannot accept responsibility for any services which do not form part of our contract. This includes, for example, any additional services or facilities which your hotel or any other supplier agrees to provide for you where the services or facilities are not advertised by us and we have not agreed to arrange them as part of our contract including any excursion you purchase in resort. Please also see clause 12 "Excursions". In addition, regardless of any wording used by us on our website, in any advertising material or elsewhere, we only promise to use reasonable skill and care in performing our contractual obligation as set out above and we do not have any greater or different liability to you.

(4) The promises we make to you about the services we have agreed to provide or arrange as part of our contract - and the laws, regulations and relevant standards of the country in which your claim or complaint occurred - will be used as the basis for deciding whether the services in question had been properly provided. If the particular services which gave rise to the claim or complaint complied with local laws and regulations applicable to those services at the time, the services will be treated as having been properly provided. This will be the case even if the services did not comply with the laws and regulations of the UK which would have applied had those services been provided in the UK. The exception to this is where the claim or complaint concerns the absence of a safety feature which might lead a reasonable holiday maker to refuse to take the holiday in question. Please note, however, our obligation is to exercise reasonable skill and care as referred to in clause 10(1). We do not make any representation or commitment that all services will comply with applicable local laws and regulations and failure to comply does not automatically mean we have not exercised reasonable skill and care.

(5) As set out in these booking conditions, we limit the maximum amount we may have to pay you for any claims you may make against us.

Where we are found liable for loss of and/or damage to any luggage or personal possessions (including money), the maximum amount we will have to pay you is £1,500 per person affected unless a different limitation applies to your claim under this clause or clause 10(6) below. You must ensure you have appropriate travel insurance to protect your personal belongings.

For all other claims which do not involve death or personal injury, if we are found liable to you on any basis the maximum amount we will have to pay you is twice the price (excluding insurance premiums and amendment charges) paid by or on behalf of the person(s) affected in total unless a lower limitation applies to your claim under clause 10(6) below. This maximum amount will only be payable where everything has gone wrong and you have not received any benefit at all from your holiday.

(6) Where any claim or part of a claim (including those involving death or personal injury) concerns or is based on any travel arrangements (including the process of getting on and/ or off the transport concerned) provided by any air, sea, rail or road carrier to which any international convention or regulation applies, the maximum amount of compensation we will have to pay you will be limited. The most we will have to pay you for that claim or that part of a claim if we are found liable to you on any basis is the most the carrier concerned would have to pay under the international convention or regulation which applies to the travel arrangements in question (for example, the Warsaw Convention as amended or unamended and the Montreal Convention for international travel by air and/or for airlines with an operating licence granted by an EU country, the EC Regulation on Air Carrier Liability No 889/2002 for national and international travel by air, the Athens Convention for international travel by sea and COTIF, the Convention on International Travel by Rail). Where a carrier would not be obliged to make any payment to you under the applicable international convention or regulation in respect of a claim or part of a claim, we similarly are not obliged to make a payment to you for that claim or part of the claim. When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the carrier for the claim in question. Copies of the applicable international conventions and regulations are available from us on request.

(7) Please note, we cannot accept any liability for any damage, loss, expense or other sum(s) of any description (1) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you or (2) which did not result from any breach of contract or other fault by ourselves or our employees or, where we are responsible for them, our suppliers. Additionally we cannot accept liability for any business losses including self employed loss of earnings.

11. Force Majeure

Except where otherwise expressly stated in these booking conditions, we regret we will not accept liability or pay any compensation where the performance or prompt performance of our obligations under our contract with you is prevented or affected by or you otherwise suffer any damage, loss or expense of any nature as a result of "force majeure". In these booking conditions, "force majeure" means any event, or the consequences of which, we or the supplier of the service(s) in question could not, even with all due care, foresee or avoid. Such events are not limited to but may include actual or threatened war, riot, civil strife, terrorist activity, industrial dispute, natural or nuclear disaster, adverse weather conditions, volcanic activity, seismic activity, fire, pandemics, epidemics and all similar events, natural or man made, outside our control or that of our agents or suppliers.

12. Excursions

We may provide you with information (before departure and/or when you are on holiday) about activities and excursions which are available in the area you are visiting. We have no involvement in any such activities or excursions which are neither run, supervised nor controlled in any way by us. They are provided by local operators or other third parties who are entirely independent of us. They do not form any part of your contract with us even where we suggest particular operators/other third parties and/or assist you in booking such activities or excursions in any way. We cannot accept any liability on any basis in relation to such activities or excursions and the acceptance of liability contained in clause 10(1) of our booking conditions will not apply to them. We do not however exclude liability for the negligence of ourselves or our employees resulting in your death or personal injury.

We cannot guarantee accuracy at all times of information given in relation to such activities or excursions or about the area you are visiting generally or that any particular excursion or activity which does not form part of our contract will take place as these services are not under our control. If you feel that any of the activities or excursions referred to in our brochure, on our website and in our other advertising material which are not part of our contract are vital to the enjoyment of your holiday, write to us immediately and we will tell you the latest known situation. If we become aware of any material alterations to area information and/or such outside activities or excursions which can reasonably be expected to affect your decision to book a holiday with us, we will pass on this information at the time of booking.

13. Complaint procedure

If you have a problem during your holiday concerning any service provided as part of the arrangements we have confirmed, you must inform our National Escort or Local Guide (or, if none available, with our local agent or hotel manager) immediately to enable them to try to resolve the matter. Any notification must be put in writing and given to our representative / agent and the supplier as soon as possible. Our emergency number is manned 24 hours a day, seven days a week and is 07984 041625. Until we know about a complaint or problem, we cannot begin to resolve it. If you remain dissatisfied, however, you must write to us within 28 days of your return to the UK giving your booking reference and full details of your complaint. Only the lead name should write to us. If you fail to follow this simple complaints procedure, your right to claim any compensation you may otherwise have been entitled to may be affected or even lost as a result.

14. Arbitration

Disputes arising out of, or in connection with your booking which cannot be amicably settled may be referred to arbitration if you so wish under a special scheme arranged by ABTA Ltd and administered independently. The scheme provides for a simple and inexpensive method of arbitration on documents alone with restricted liability on the customer in respect of costs. Full details will be provided on request or can be obtained from the ABTA website (www.abta.com). The scheme does not apply to claims for an amount greater than £5,000 per person. There is also a limit of £25,000 per booking. Neither does it apply to claims which are solely in respect of physical injury or illness or their consequences. The scheme can however deal with compensation claims which include an element of minor injury or illness subject to a limit of £1,500 on the amount the arbitrator can award per person in respect of this element. Your application for arbitration and other required documents must be received by ABTA within 18 months of your return from the holiday. Outside this time limit arbitration under the scheme may still be available if we agree, although the ABTA Code does not require such agreement. For injury and illness claims, you can request the ABTA mediation procedure and we have the option to agree to this. Where we act as agent, please bear in mind that your contract is with the supplier of the arrangements concerned. Unless the supplier is also a member of ABTA, only disputes relating to our actions as agent can be dealt with by the arbitration scheme or mediation procedure and not complaints about the arrangements themselves or the acts / omissions of the supplier.

15.Conditions of Suppliers

Many of the services which make up your holiday are provided by independent suppliers. Those suppliers provide these services in accordance with their own terms and conditions. Some 10(2) of these Booking Conditions (which includes the behaviour of any passenger(s) on the flight who, for example, fails to check in or board on time). In addition, we will not be liable for any delay unless it has a significant effect on your holiday arrangements.

16. Behaviour

When you book a Holiday with Wendy Wu Tours Limited you accept responsibility for the proper conduct for yourself and your party whilst on Holiday. If we or any other person in authority is of the reasonable opinion that you or any member of your party is behaving in such a way as to cause or be likely to cause danger or upset to any other person or damage to property, we will be entitled to terminate the holiday of the person(s) concerned. The person(s) concerned will be required to leave the accommodation or other service and we will have no further responsibility to them including any return travel arrangements. No refunds will be made and we will not pay any expenses or costs incurred as a result of the termination. You will be responsible for making full payment for any damage or loss caused by you or any member of your party during your time away. Payment must be paid directly at the time to the service supplier concerned. If the actual cost of the loss or damage exceeds the amount paid where estimated, you must pay the difference once known. If the actual cost is less than the amount paid, the difference will be refunded. You will also be responsible for meeting any claims subsequently made against us and all costs incurred by us (including our own and the other party's full legal costs) as a result of your actions.

17.Special Requests

If you have any special requests, you must inform us prior to booking. Although we will endeavour to pass any reasonable requests on to the relevant supplier, we regret we cannot guarantee any request will be met. Failure to meet any special request will not be a breach of contract on our part. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability. Unless you receive written confirmation from the supplier that a special request will be complied with, you must assume that it will not be. The responsibility for providing the special request lies solely with the supplier and not with Wendy Wu Tours.

We regret we cannot accept any conditional bookings, i.e. any booking which is specified to be conditional on the fulfilment of a particular request. All such bookings will be treated as "standard" bookings subject to the above provisions on special requests.

BOOKING CONDITIONS

18. Fitness, Medical Conditions & Disabilities

Please note that China and the surrounding regions is a vast area with varying terrain (including steps, steep hills and uneven walkways) which can be difficult to negotiate. An indicated 'tour pace' is outlined clearly in this brochure and in the tour specific Tour Dossiers. It is your sole responsibility to ensure that you are sufficiently fit and well to negotiate these areas, without any adverse effect on the overall group or tour operation. You should check that your proposed areas of travel are suitable dependant on your own health, including any medical condition and/or disability that you may have.

If you or any member of your party has any medical condition or disability which may affect your holiday or has any special requirements as a result of any medical condition or disability (including any which affect the booking process), please tell us before you confirm your booking so that we can assist you in considering the suitability of the arrangements and/ or making the booking. In any event, you must give us full details in writing at the time of booking and whenever any change in the condition or disability occurs. You must also promptly advise us if any medical condition or disability which may affect your holiday develops after your booking has been confirmed. Should this condition not be met, Wendy Wu Tours reserves the right to terminate the holiday of the person(s) involved, as described in section 16.

19. Flights

In accordance with EU Directive (EC) No 2111/2005 Article 9, we are required to bring to your attention the existence of a "Community list" which contains details of air carriers who are subject to an operating ban within the EU. The Community list is available for inspection at http://ec.europa.eu/transport/air-ban/list_en.htm.

In accordance with EU Regulations we are required to advise you of the actual carrier(s) (or, if the actual carrier(s) is not known, the likely carrier(s) that will operate your flight(s) at the time of booking. Where we are only able to inform you of the likely carrier(s) at the time of booking, we shall inform you of the identity of the actual carrier(s) as soon as we become aware of this. Any change to the operating carrier(s) after your booking has been confirmed will be notified to you as soon as possible.

If the carrier with whom you have a confirmed reservation becomes subject to an operating ban as above as a result of which we/ the carrier are unable to offer you a suitable alternative the provisions of clause 9 "If we change or cancel your holiday" will apply. We are not always in a position at the time of booking to confirm the flight timings which will be used in connection with your flight. The flight timings shown in our brochure, on our website and/or detailed on your confirmation invoice are for guidance only and are subject to alteration and confirmation. Flight timings are outside our control. They are set by airlines and are subject to various factors including air traffic control restrictions, weather conditions, potential technical problems and the ability of passengers to check in on time.

Specific instructions relating to departure and travel arrangements will be sent with your air or other travel tickets approximately 2 weeks before departure. You must accordingly check your tickets very carefully immediately on receipt to ensure you have the correct flight times. It is possible that flight times may be changed even after tickets have been despatched - we will contact you as soon as possible if this occurs.

Any change in the identity of the carrier, flight timings, and/or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying our normal charges except where specified in these conditions.

20. Delay and Denied Boarding Regulations

In the event of any flight delay or cancellation at your UK or overseas point of departure, the airline is responsible for providing such assistance as is legally required by the Denied Boarding Regulations (see below). The ferry, tunnel or rail operator is similarly responsible in relation to any delayed or cancelled sea crossing or international rail departure. Except where otherwise stated in our brochure or on our website, we cannot provide any assistance in such circumstances other than information and advice to the extent we are in a position to do so. Any airline concerned may however provide refreshments etc.

We cannot accept liability for any delay which is due to any of the reasons set out in clause 10(2) of these Booking Conditions (which includes the behaviour of any passenger(s) on the flight who, for example, fails to check in or board on time). In addition, we will not be liable for any delay unless it has a significant effect on your holiday arrangements.

If your flight is cancelled or delayed, your flight ticket is downgraded or boarding is denied by your airline, depending on the circumstances, the airline may be required to pay you compensation, refund the cost of your flight and/ or provide you with accommodation and/ or refreshments under EC Regulation No 261/2004 - the Denied Boarding Regulations 2004. Where applicable, you must pursue the airline for the compensation or other payment due to you. All sums you receive or are entitled to receive from the airline concerned by virtue of these Regulations represent the full amount of your entitlement to compensation or any other payment arising from such cancellation, delay, downgrading or denied boarding. This includes any disappointment, distress, inconvenience or effect on any other arrangements. The fact a delay may entitle you to cancel your flight does not automatically entitle you to cancel any other arrangements even where those arrangements have been made in conjunction with your flight. We have no liability to make any payment to you in relation to the Denied Boarding Regulations or in respect of any flight cancellation or delay, downgrading of any flight ticket or denial of any boarding as the full amount of your entitlement to any compensation or other payment (as dealt with above) is covered by the airline's obligations under the Denied Boarding Regulations. If, for any reason, we make any payment to you or a third party which the airline is responsible for in accordance with the Denied Boarding Regulations, you must, when requested, assign to us the rights you have or had to claim the payment in question from the airline. If your airline does not comply with these rules you may complain to the Civil Aviation Authority on 020 7453 6888 or by e-mail to passengercomplaints@caa.co.uk or see www.caa.co.uk - referring your complaint to the CAA.
