Award Winning Expertise

DISCOVER CHINA WITH WENDY WU TOURS

China is a nation of rich heritage, diverse sights and enormous expanse. We have the expertise to cover every inch of this fascinating land; here are some of our favourite destinations.

BEIJING

The former seat of imperial China, vibrant Beijing is adorned with historical sights including the Forbidden City and the magnificent Great Wall of China.

YANGTZE RIVER

A voyage on the Yangtze's mighty waters brings together a plethora of unmissable sights including the dramatic Three Gorges and Three Gorges Dam.

KUNMING

Gateway to verdant Yunnan, laid back Kunming offers easy access to the labyrinthine Stone Forest and the erratically curving rice terraces of Yuanyang.

SHANGHAI

A vision in neon, steel and glass, Shanghai is a glitzy, high-flying metropolis with traditional streets and ageless culture woven between the skyscrapers.

GUILIN

Cruise the Li River from Guilin past otherworldly peaks to reach Yangshuo, a village marooned in an emerald sea of paddy fields and towering limestone karsts.

LHASA

A city on the roof of the world, it's easy to leave modernity behind in Lhasa - wander the Barkhor Circuit and get lost in the magnificent Potala Palace.

XIAN

Home to the Terracotta Warriors, Xian's heart lies within its ancient City Walls where the effervescent Muslim Quarter hums with activity.

LIJIANG

Located amongst Yunnan's dramatic landscapes, Lijiang features a romantic old quarter and is guarded by the Jade Dragon Snow Mountain massif.

KASHGAR

Sitting at the crossroads of the ancient Silk Road trading route, Kashgar has been an historic market town and cultural mixing bowl for the last two millennia.

CHENGDU

Sichuan's relaxed and cheery capital is home to the adorable Giant Pandas and is the gateway to the natural wonders of the Huanglong Pools and Mt Emei.

JIUZHAIYOU

Named after the nine Tibetan villages found within its valleys, Jiuzhaigou is a national park of ragged peaks, sapphire lakes and rushing waterfalls.

HONG KONG

Sophisticated and lively, Hong Kong's colonial influences and gleaming skyscrapers mask a charming Chinese personality which is unique to this colourful city.

TRAVEL YOUR WAY

We know that every traveller is different, so we have developed three touring styles to help you see Asia in the way that suits you the best. See the highlights of the region on our Classic Tours, get under the skin of China on our Discovery Tours, or experience the country in luxury with our Exclusive Collection.

CLASSIC GROUP TOURS PAGES 14-49

A thoughtfully designed series of journeys for those who wish to see the iconic sites and magnificent treasures on a fully-inclusive, excellent-value group tour.

Ranging from shorter trips that take in the main sights of Beijing, Shanghai, Xian and Guilin to more comprehensive itineraries exploring lesser-visited regions, our classic tours offer the opportunity to tick all the big sights off your list.

Walk on the Great Wall, stand in awe in front of an army of Terracotta Warriors, be charmed by the Giant Pandas or cruise through dramatic gorges on the mighty Yangtze. Spend longer in China and explore the magical landscapes of Yangshuo, wander through antiquated, lantern-lined streets in Lijiang or reach the lofty heights of Lhasa. These enticing destinations are just a tiny sample of what China's vastness and variety has to offer.

Our Classic Group Tours are an excellent way to see Asia, travelling with the assurance that all your arrangements are taken care of – from international flights, visas, accommodation; and all the touring listed in your itinerary. Whether you are planning a trip by yourself, or as a couple or small group, you will be travelling with like-minded people; and we often find that our customers form friendships on tour that last a lifetime.

You will be accompanied by our industry-leading National Escorts, whose unparalleled knowledge and talent will turn your holiday into a magical and unforgettable experience.

DISCOVERY TOURS PAGES 50-79

Meticulously designed with the more discerning traveller in mind, our deluxe journeys through Asia feature distinctive and exclusive experiences which bring the region to life.

Our Exclusive Collection feature a range of life-changing experiences many of which are entirely unique to Wendy Wu Tours. Sip champagne on the Great Wall of China, gain a first-hand account of current excavation projects at the Terracotta Warriors, master the art of Shaanxi dumpling making, and savour a cocktail from the top of a sky scraper with an enviable view over Shanghai's Huangpu River and sleek Pudong. After a day of inspiring touring, you will sample China's classic cuisine such as Peking duck and

Sichuan Hot Pot in some of the country's most revered dining hotspots.

All of this can be experienced in the knowledge that you'll be staying in handpicked luxury hotels in the best possible locations and travelling in smaller groups of eighteen or less. These tours truly offer a once in a lifetime opportunity to see China in true comfort and luxury, bringing home memories that you will talk about for years to come.

Designed for those who wish to be further immersed in the authentic charm of Asia; see China differently on our Discovery Tours by taking part in unique, cultural and active experiences.

Get under the skin of China, whilst taking in the classic sights. Trek along a remote section of the Great Wall of China and feel the history of this ancient cultural edifice; visit Bifengxia's charming pandas, and get lost in a sea of swishing bamboo in Sichuan. Ride a bicycle between Yangshuo's peacefully sentinel limestone karsts, and eat traditional Muslim food in Xian's colourful old quarter.

Take a journey through remote, untouched Asia and get closer

to the locals and their traditions. Meditate on the slopes of a sacred mountain with a Taoist master, or visit a Tibetan village for a home-cooked meal. Hike between ethnic villages along the misty ridges of the Longji Rice Terraces; or trace the Silk Road to the ancient cities of Kashgar or Samarkand.

Travelling in smaller groups of eighteen or less, you will find yourself on an exciting journey of exploration and discovery.

Organisation was first class

"We have just returned last week from our trip. The organisation was first class. The great success of the trip really owes a huge amount to our national guide Link Lee. I am sure the rest of our party will echo my words when I say he wasn't just good he was outstanding. He was an absolute mine of information. He worked so hard to make our holiday. We have been on a number of escorted tours in various parts of the world and had some very good guides but I would say that Link Lee tops the lot!"

Well organised and ran like clockwork

"We have just returned from our tour and wanted to say how much we enjoyed our holiday.

Special thanks go to Tony, our national guide whose sense of humour, patience and professional attitude were exemplary. We packed so much into the 12 days but everything was well organised and ran like clockwork. All the guides worked incredibly hard and are a credit to Wendy Wu Tours...The Yangtze cruise provided a welcome respite to relax and enjoy the beautiful scenery and to learn about the construction of the Three Gorges Dam."

**Pam and Maurice Davis

Organisation was seamless

"We really had a holiday of a lifetime and are still buzzing with the excitement and stimulation of seeing China so closely. We are so pleased we chose a private tour as the organisation by Wendy Wu and the guides was seamless - we felt really looked after and appreciated the level of concern that the guides showed always making sure we were handed over seamlessly from one city to another. A truly amazing experience."

ITINERARY

Days 1-2: Fly to Beijing
Fly overnight to Beijing, China's historical capital. Depending on your time of arrival the rest of the day is yours to start soaking up the local culture.

Day 3: Imperial Beijing
Begin in Beijing's symbolic heart with a stroll across Tiananmen Square, flanked by imposing government buildings and the mausoleum of Chairman Mao. At the head of the square the sprawling magnificence of the Forbidden City is a monument to dynasties past. Entering through the Gate of Supreme Harmony, you will find a complex of a thousand rooms and many imperial treasures. Later soak up the harmonious ambience of the Temple of Heaven, an orderly oasis in a bustling urban landscape, where you can watch, or participate in, a dance class. This evening sit down to a traditional dinner of Peking duck.

Day 4: The Great Wall
This morning is dedicated to China's most iconic sight – the Great Wall. Stretching thousands of miles from the Yellow Sea to the Gobi Desert, over all sorts of dramatic landscapes, it is one of the world's most impressive feats of engineering. Taking a walk on this incredible structure is the best way to appreciate both the

wall itself and the magnificent scenery that it crosses. You will have an opportunity to visit a Jade Museum, where you will be able to buy a small handcrafted piece. Jade is revered throughout China, it is said to bring fortune and prosperity to those who wear it. Drive back to Beijing, then savour a relaxed afternoon in the idyllic landscapes of the Summer Palace as you wander through traditional gardens and admire exquisite architecture. A Chinese acrobatic show rounds off the day.

Day 5: Xian City Walls
Fly to Xian. An illustrious and age-old city, Xian is one of the four great ancient capitals of China. It is also the capital of Shaanxi province, and the starting point of the fabled Silk Road with a history spanning 3,100 years. Take a leisurely stroll on the beautifully preserved 14th century city walls that enclose Xian's old town to get your bearings, before a delicious feast of traditional Shui Jiao dumplings and a performance of Tang Dynasty dancing.

Day 6: Terracotta Warriors
After their fortuitous discovery by local farmers in the 1970s, the Terracotta Army of China's first Emperor Qin Shi Huang has intrigued visitors ever since. Spend the morning viewing the enigmatic ranks of life-like warriors who stand in their original formations at the exact location they were excavated. Visit the workshop of the craftsmen who recreate Terracotta Warriors in the style of

their ancient counterparts. Watch the skilled production process and buy a souvenir warrior to take home. Fly to Chengdu.

Day 7: Grand Buddha of Leshan
Travel to Leshan to visit the Grand Buddha which, at 71 metres, is the world's largest stone-carved Buddhist monument and a UNESCO World Heritage Site. A short boat trip on the river will give even better views of the statue. Returning to Chengdu, there will be a stop at the riverside village of Huanglongxi, where cobbled streets and rickety wooden buildings retain the charms of the Qing Dynasty. Sample a delicious Sichuan meal this evening.

Day 8: Giant Pandas
A visit to Chengdu's famous Panda Conservation Centre allows you to see and learn about China's celebrated bears. See them up close in surroundings that mirror their natural habitat as they chomp through piles of bamboo. A look around the informative museum gives an overview of the Reserve's breeding programme. Also, visit the Shu Brocade Embroidery Museum, then enjoy a hot beverage in a traditional tea house before visiting Matchmakers Corner where parents search for worthy suitors for their children.

Day 9: Fly Chengdu to UK
Return flight to the UK, arriving the same or following day.

Day 4: Discover Dali
Transfer to Dali, a charming town that offers a peek at the China of times-gone-by. Begin your touring in the local atmosphere of the fascinating old quarter and lively market. Next visit the age-old Three Pagodas and cruise on Erhai Lake. Later this evening, take a stroll down Foreigners' Street.

Day 5: Explore Lijiang
Pop over to Xizhou village to browse in the local market. Drive to Lijiang set in the foothills of the Jade Dragon Snow Mountain. The quintessential Chinese 'old town', Lijiang's old quarter is a jumble of cobbled streets, precarious wooden buildings and rustic stone bridges- in short, a delightful place to aimlessly wander. Visit the Black Dragon Pool, where there are wonderful views of the mountains, before

mingling with traditionally dressed Naxi women in the bustling backstreet markets.

Day 6: Jade Dragon Snow Mountain
A magnificent mountain massif, the Jade Dragon Snow Mountain incorporates several peaks, the tallest of which soars 5,500 metres. Taking a chairlift, explore one of the gorgeous high meadows and enjoy the amazing vistas. On the way back to Lijiang, admire the fascinating Ming Dynasty frescoes at Baisha and visit the Mu Family Embroidery School.

Day 7: Tiger Leaping Gorge
Over 3,000 metres deep, Tiger Leaping Gorge, with its backdrop of snow-capped mountains, is one of China's most extraordinary sights. The whole area is spectacular – prepare for breathtaking views. Return to Lijiang.

Day 9: Leshan Grand Buddha
Travel to Leshan to visit the Grand Buddha. The 71 metre Buddha is carved into a hillside overlooking the confluence of the Dadu and Min Rivers. Completed in the year 803, it is said that the Buddha's presence has calmed the turbulent waters of the river. A short boat trip will give you an even better perspective. Continue to Mount Emei.

Day 10: Mount Emei
Mount Emei is the cradle of the Buddhist religion in China with

the first temple built here, on its peak, in the 1st century. Pilgrims and tourists mix amongst the lush vegetation and inconspicuous old temples, all admiring the striking and diverse natural beauty of the mountain and its setting. Spend the day soaking up the ambience and exploring. If the weather is right the summit offers extraordinary views over the river below.

- Day 11: Nine Villages Valley**
Transfer to Chengdu for your flight to Nine Villages Valley (Jiuzhaigou National Park).
- Day 12: Nine Villages Valley**
A national park of ragged peaks, sapphire lakes, abundant forests and rushing waterfalls, Nine Villages Valley is considered one of China's most beautiful areas. Named after the nine typical Tibetan settlements scattered through the valley, the park is a World Biosphere Reserve, full of endemic flora and 140 species of birds. Whilst the scenery transforms with the seasons it is always spectacular and you will spend time in the depths of it, revelling in your arresting surroundings.
- Day 13: Huanglong Pools**
Hundreds of vivid pools in striking colours, formed by thousands of years of mineral deposit, tumble gently down through the bright green forests of the Huanglong Valley. The whole area is studded with waterfalls and, as it is relatively undiscovered, is a pleasure to explore. Visit Huanglong Temple before your flight to Chengdu.

Hike on the Great Wall

The Great Wall is one of China's most iconic sights, and Jinshanling one of its most beautiful sections. It is also less frequented by tourists than many other parts of the wall. Take the time to acquaint yourself with China's oldest guardian, learn more about its ancient history, and walk over the ancient brickwork as it snakes lazily over the mountain range.

Cycle in Yangshuo and Dali

What better way to see some of China's most beautiful countryside? In Dali, you will cycle along the lakeside to an ancient village, its beautiful streets ready for exploration. In Yangshuo, you will have the opportunity to cycle through a serene sea of pastures and paddy fields, watched over by towering limestone cliffs.

Weibaoshan Meditation

Find inner peace on the mystical slopes of Mount Weibao. Wander past ancient Taoist temples nestled in the trees, to Qinzia Temple where a Taoist priest will introduce you to traditional meditative practices.

Calligraphy on Mt Qingcheng

The birthplace of Taoism, Mt Qingcheng is dotted with ancient and highly decorative temples. Walk to the summit to take in the views from Old Master Pavilion, where you will be met by a Taoist priest who will exchange Taoist ideas and demonstrate the ancient art of calligraphy and painting.

Walk along the Rice Terraces

Journey to Longji near Guilin, or Yuanyang in Yunnan to walk along the legendary Rice Terraces. Resembling winding, mist wreathed staircases gone awry, the traditional fields will take your breath away. Depending on the time of year, the terraces will be either full of reflective water, or brimming with lush plants.

GET CLOSER TO NATURE

Bifengxia Panda Reserve

Near to Chengdu, nestled in the forested mountains of Sichuan, you will visit the charming and beautiful pandas of Bifengxia. Smaller and lesser visited than neighbouring reserves, Bifengxia benefits from more authentic surroundings – the perfect opportunity to get closer to these magnificent and cuddly creatures!

LIVE LIKE A LOCAL

Shanghai mornings

Spend a morning like the native Shanghaiese by taking a walking tour through the city's colourful concession areas. Watch the bustle of the city rush past as you devour typical Shanghai breakfast treats such as savoury breakfast pancakes and fried bread sticks.

Tibetan Village in Zhongdian

Pay a visit to a local family in rural Zhongdian, a deeply Buddhist and Tibetan-style area of China. Here you will dine with your local hosts on savoury home cooked dishes, learn about their way of life, and even try your hand at seasonal farming activities.

People's Park in Chengdu

Take a walk through Chengdu's beating social heart. Sit back and sip a cup of tea whilst having your ears cleaned, witness the cultural oddity that is Match Makers' Corner, join in with a dancing troupe, or watch the energetic kite-flyers. There is nowhere better to enjoy the welcoming, warm nature of Sichuan.

Xian's Muslim Quarter

As the start of the Silk Road, Xian is a melting pot of Chinese and Muslim influences. Nowhere is this more evident in the effervescent and industrious Muslim Quarter, where you can sample some of the best street snacks available – watch as noodles are hand-stretched before your eyes!

Bai Minority Tea Ceremony

Watch the Bai, Dali's main ethnic minority, dance in traditional costume while you take part in the traditional Three Cups of Tea Tasting Ceremony in Xizhou Village. You will also wander the ancient streets, past Bai dwelling houses, and get a glimpse into the lives of this unique minority.

Day 3: Leshan Grand Buddha

Travel to Leshan to see the Grand Buddha. The 71 metre Buddha, the world's largest and UNESCO World Heritage-listed, is carved into a hillside overlooking the confluence of the Dadu and Min Rivers. Completed in the year 803, it is said that the Buddha's presence has calmed the turbulent waters of the river. View the Buddha from above before climbing down the cliff for a close up. A short boat trip will give an even better perspective. Continue to Mount Emei. You'll spend that evening at the foot of the mountain. (B,L,D)

Day 4: Explore Mount Emei

Mount Emei is the cradle of the Buddhist religion in China with the first temple built here, on its peak, in the 1st century. Pilgrims and tourists mix amongst the lush vegetation and inconspicuous old temples, all admiring the striking and diverse natural beauty of the mountain and its setting. Spend the day soaking up the ambience and exploring. (B,L,D)

Day 5: Peaceful Fuhu Temple

Day 6: Bifengxia Panda Base

Visit the world's finest panda conservation centre where you'll gain a real insight into the hard work that goes into caring for and boosting the population of this endangered species. Bifengxia is located high in the mountains and up here the pandas are kept in conditions very close to their natural habitat. Later walk through Bifeng Gorge, passing fairytale waterfalls trickling through otherworldly forest. (B,L,D)

Day 7: Pingle Ancient Town

Dating back to the Han Dynasty, Pingle was a stopping point on the Tea Horse Road. Take time to walk through its maze of teahouse-lined streets before seeing the forest from above on Jinjigu Suspended Rope Bridge. Lastly, pay a visit to Lugou Bamboo Sea where you can get lost amongst creaking, swishing spears of green. Drive to Mt. Qingcheng. (B,L,D)

Day 8: Taoist Mt. Qingcheng

A national park of ragged peaks, sapphire lakes, abundant forests and rushing waterfalls, the Nine Villages Valley (Jiuzhaigou National Park) is considered one of China's most beautiful areas. Named after the nine typical Tibetan settlements scattered through the valley, the park is a World Biosphere Reserve, full of endemic flora and 140 species of birds. A trip up to the top of the valley to Long Lake, the highest, deepest and largest in the area, offers spectacular alpine views whilst a short walk to the Five-Coloured Lake and Nuorilang Falls showcase some of the valley's most beautiful sights. Visits to the local paper tree and a Tibetan temple are a relaxing finish to the day's activities. (B,L,D)

You'll pass an old watermill, many prayer wheels and Tibetan prayer flags en route. (B,L,D)

Day 12: Huanglong Pools

Hundreds of vivid pools in striking colours, formed by thousands of years of mineral deposits, tumble gently down through the bright green forests of the Huanglong Valley. The whole area is studded with waterfalls and hot springs and, as it is relatively undiscovered, is a pleasure to explore. There is an option to take the chair lift up to Huanglong Temple at the head of the valley for excellent panoramic views, before we continue to the delightful Mao County. (B,L,D)

Day 13: Qiang Minority Village

The Qiang people are an ethnic minority group in China with a population of about 326,500. Qiang is actually a Chinese word that translates in English as 'shepherds'. Their customs, architectural style, clothing and religious beliefs are far removed from the western world. You will visit a minority village where you'll be joined by a local elder, who will talk through the history and culture of his people. You'll then visit a local family – strangely you'll join them on the roof of their house. Later in the afternoon, drive to Chengdu. (B,L,D)

ITINERARY

■ Days 1-2: Fly to Tokyo

Fly overnight to the dazzling metropolis of Tokyo, Japan's capital city. Depending on your time of arrival the rest of the day is yours to start soaking up the local culture.

■ Day 3: Discover Tokyo

Tokyo is the ultimate 24 hour city, but look behind its frantic, high-tech frontage and you'll find plenty of tranquil backstreets and old temples to explore. Today's city tour starts on the observation deck of the 634-metre Skytree, the world's tallest tower, before seeking out the tranquillity of the ancient Buddhist Sensoji Temple, Tokyo's oldest. Glimpse Tokyo's historical heritage at the Edo-Tokyo Museum and explore Tokyo's Imperial Palace. This evening take a relaxed dinner cruise on the Tokyo Bay for some excellent city vistas.

■ Day 4: Meiji Shrine

The city tour continues with a relaxed morning wandering around the classical landscapes of the Hamarikyu Garden. Explore the huge evergreen forest that encompasses the Shinto Meiji Shrine. The afternoon is free for you to explore as you wish.

■ Day 5: Fuji Five Lakes

Journey through the foothills of the iconic Mt Fuji to its base where we find the Fuji Five Lakes. The region is spectacular

with the calm waters of the five lakes, formed by past eruptions, reflecting Fuji's picture-perfect cone. Later, try your hand at making traditional Japanese soba noodles before tucking in to your creations. Continue to Oshino Hakkai, a scenic area of ponds full of crystal clear spring water created by Fuji's melting snow, where there is also a small museum.

■ Day 6: Mount Fuji

Ascend 2,000 metres up Mt Fuji to the 5th Station where, with its perfectly conical peak looming overhead, you can take in the breathtaking views over the Fuji Five Lakes below. Returning to the beautiful Five Lakes region, explore Iyashi no Sato, a former farming village on the shores of Lake Saiko. Destroyed by a landslide in 1966, the remaining thatched-roofed houses of this old Japanese village have been transformed into an open-air museum and craft village, exhibiting plenty of local and traditional handicrafts.

■ Day 7: Bullet train to Kyoto

Transfer to the station at Mishima. Sit back and relax in the cool comfort of a bullet train as you speed across the country to Kyoto. An enchanting city, Kyoto was capital for a thousand years; today it is the legacy of ancient Japan, full of tranquil temples, silk-clad geisha and sublime gardens. The geisha is both an intriguing and integral part of Japanese history – enjoy tea with either a maiko (apprentice geisha) or geisha at a typical teahouse.

■ Day 8: Explore Kyoto

Spend the day soaking up some of Kyoto's delightful sights, starting

at Kinkakuji Temple, known as the Golden Pavilion, where there is an archetypal Muromachi period garden. Continue to Ryoanji, a Zen temple with an excellent example of a 'dry landscape' garden, and Kiyomizu Temple, a 17th-century Buddhist temple. This afternoon visit a restored wooden townhouse to learn the traditional Japanese arts of origami and calligraphy, witness Ikebana (Japanese flower arranging) and enjoy a tea ceremony.

■ Day 9: Himeji

Jump on the bullet train again today for a day visit to Himeji. The feudal era fort, one of the most impressive in Japan, towers over the city recognisable as the backdrop to several major films. Appreciate its turbulent past before strolling around Kokoan, the Edo-style gardens just across the castle moat. This afternoon return to Kyoto.

■ Day 10: Hiroshima and Miyajima

Take a day trip by bullet train to Hiroshima and Miyajima. Hiroshima needs no introduction. The city today is vibrant and modern with a forward-thinking, sunny outlook. Find a moment to reflect at the Peace Memorial Park and Museum. Hopping on a ferry, make the short trip to the holy island of Miyajima. Visit the Itsukushima Shrine, a UNESCO World Heritage Site and one of Japan's most recognisable, which rises majestically out of the waters of the inland sea.

■ Day 11: Fly Osaka to UK

Transfer to Osaka and fly to the UK, arriving home the same or following day.

ITINERARY

Days 1-2: Fly to Delhi

Fly overnight to India's rambunctious capital Delhi. Depending on your time of arrival the rest of the day is yours to start soaking up the local culture.

Day 3: Discover Delhi

With all the charms of being a little bit rough-around-the-edges, Delhi is a city that grabs you and doesn't let go. Spend a full day exploring the sights of Old Delhi. Stroll around the outside of the colossal Red Fort, and browse your way through the bustling bazaar of Chandni Chowk. Visit Jama Masjid, India's largest and most impressive mosque, before viewing the 1930's Lakshmi Narayan Hindu Temple. You will also have a brief stop at India Gate and visits to Humayun's Tomb and Connaught Markets.

Drive to Agra with an en route stop at Sikandra to see the tomb of the third Mughal Emperor Akbar the Great.

Day 5: Taj Mahal

Rise early to see the sunrise over one of the world's most perfect buildings and India's most iconic sight. sandstone sat on the banks of the Yamuna River, just upstream from the Taj Mahal. The fort was established in the 16th century but has been much added to over the centuries making it an eclectic mix of architectural styles.

Begin the day with a brief stop at the Hawa Mahal, the 'Palace of the Winds', before travelling out of the city to admire the majestic Amber Fort. The ancient citadel of the Kachwahas, built in 1592, this red sandstone and marble fort effortlessly blends Hindu and Muslim architecture. This afternoon, back in Jaipur, explore the Maharaja's City Palace, as well as the Jantar Mantar Observatory and the local bazaar at Choti Choper.

TAILORMADE ASIA

Our group tours give you the chance to tick off all of the big sights and to travel in the company of likeminded people but not everyone wants to stick to the trail. If you like what you see but are looking for more flexibility and freedom, a tailor-made tour may be for you.

WHY TAILORMADE?

With a tailor-made itinerary you can travel where, when and at the pace you want, for as long as you want. You can pick your accommodation and add all the extras you like, from meals to guides to excursions. You can indulge your interests, whether it's Ming Dynasty pottery or large wading birds, and miss out anything that doesn't hold much appeal. You have complete control.

WHAT WE DO:

Our team of dedicated tailor-made Asia experts will help to design your perfect, unique itinerary so you can have a holiday that fits all of your wants and needs for excellent value - whether it's some minor adjustments to one of the group itineraries you've seen in this brochure or building something completely from scratch.

1 PERSONAL SERVICE

The creation of your perfect itinerary is a combination of your ideas and desires, and our expertise. Your dedicated tailor-made consultant will listen to what you are looking for, make recommendations and work with you to create a holiday that fulfils all your wants and needs. They are ready on the end of the line from enquiry to departure, so any questions you have, tweaks you want to make, things you want to talk through, just call.

2 INDIVIDUAL TRANSPORT

You can travel around your destination any way you like, be it by bullet train, plane or car, but we will always provide you with your own vehicle and driver to make sure that you get the most out of your time exploring. This way you can stop where and when you like, linger by that favourite sight a little longer and have complete control over your holiday time.

4 ACCOMMODATION CHOICES

Accommodation across Asia ranges from ger camps to grand old palaces. The choice of hotel style and standard is completely up to you. You can just give us the number of stars that you are comfortable with for us to recommend ones that suit your needs and requirements, or you can peruse through the wide range of hotel options that we have online and pick the ones that appeal to you most.

3 LOCAL FLAVOURS

Asia is home to a wealth of different people and cultures, each offering their own characteristic and delicious cuisines. Tasting the local food is a way of getting to the heart of a culture, so we include regional specialities to our itineraries, Peking duck in Beijing for example, but also leave you plenty of space to get out and discover the most flavourful offerings for yourself.

5 DO SOMETHING DIFFERENT

Learning, seeing and experiencing are all part of travel – immersing yourself in a new culture and different way of life are one of its greatest perks. By tailormaking your trip you can take this a step farther and do something a bit different – a day as a panda keeper, a Vietnamese cooking class, ballooning over Bagan or living like a maharaja in Rajasthan are just a few of your many options.

6 PRIVATE GUIDING

There is no better way to really experience your destination than with your very own local expert. Not only will you learn more about the sights and culture but will get the inside knowledge on local life. And we only use the best guides, the ones who are both passionate and knowledgeable about their country and have a desire to share it.

STOPOVERS

The trip of a lifetime can become even more memorable by choosing to stopover en route. Most airlines allow you to stopover in their hub city for no additional cost to the airfare, meaning the likes of Hong Kong, Macau or the Middle East can easily become part of your travel itinerary.

Stopovers include:

YOUR QUESTIONS ANSWERED

A selection of our most frequently asked questions.

BEFORE YOU TRAVEL

Q. How soon after making our booking will we receive confirmation?

A. Once we have received your deposit we will send your confirmation documents.

Q. Do you send us information about the destinations we will visit?

A. It is essential that you read the relevant tour dossier before booking, which you can find on wendywutours.co.uk, or we can arrange for one to be sent to you. If there are any particular challenges such as the length of time spent on your feet, journey times or accommodation standards, they will be explained in these concise trip notes.

Two weeks before you travel, you will receive a detailed day-by-day itinerary, a travel guide and phrasebook as well as a suggested packing list with your final documents.

Q. Will I know which hotels I will be staying in before I go?

A. Hotel details will be sent with your final documents. Note that these may be subject to change. Hotels generally range from 3-4 stars. In more remote areas, accommodation may be of a lower standard and may not have all western amenities. Rest assured that all hotels used by Wendy Wu Tours are regularly inspected by our staff and our partners to ensure that standards meet your needs. See pages 122-123 for examples of hotels we usually use.

Q. How do I get my visa?

A. The cost of your visa is included in the price of your tour (UK & EU passports only). Simply send us your passport, completed visa application form and passport size photos eight weeks before departure by Royal Mail Special Delivery and we aim to have them sent back to you within four weeks. If you require your passport back earlier, please let us know so that we can arrange for an express visa service at an additional charge. Passports or visa application forms

received six weeks or less before departure will automatically incur an express visa fee. Wendy Wu Tours does not accept responsibility for lost or undelivered items. Personal collection or courier services are available on request. Please note that visa and Tibet Permit regulations can change at any time.

Q. Do I need travel insurance?

A. Your protection and safety are our main priority. That's why having adequate travel insurance is a condition of booking with us for all the destinations you plan to travel to. Contact us for details of our recommended policies.

Q. What vaccinations do I need?

A. We recommend you see your doctor at least six weeks prior to travel for advice and to allow time for any necessary vaccinations. Please remember to take your itinerary with you. This information is given as a guide only and no responsibility can be taken for any errors or omissions.

Q. How fit do I need to be?

A. Our group tours are graded on each page to reflect the level of fitness required.

The specific reasons for a particular grading for each tour are clearly described on the tour dossiers which you can find on our website. Please contact us if you require any advice.

Our range of private tours is more flexible and may better cater for individual needs. Ask us for more details.

➤ Comfortable
Accessible to most people with an average level of fitness and normal mobility. They may involve sightseeing on foot, some climbing of stairs and getting on and off boats.

➤➤ Moderate
Not strenuous, but do require higher levels of fitness. A typical tour may include activities stated above as well as longer periods of sightseeing on foot/driving. Easy walking, areas of high altitude and overnight train journeys may also feature.

➤➤➤ Active
Require a good level of fitness, as they are physically more demanding. They may involve activities stated above as well as some hiking, cycling; travel to remote areas where facilities are less developed and long days of driving and high altitude travel.

Please contact us if you require any advice.

Q. What size are your tour groups?

A. The maximum group size varies depending on the tour, but is usually between 8 and 29 passengers. You may meet other tour groups travelling concurrently. Where available, on our group tours we operate a seat-and-a-half policy, allowing you to travel in comfort. On our Discovery Tours and Exclusive Collection the maximum group size is 18 passengers.

Q. Do you run guaranteed departures?

A. Our most popular tours are guaranteed to depart, subject to a minimum of two passengers travelling. All other group tours are guaranteed to run subject to a minimum of 8 passengers, and a National Escort will accompany each group of 10 or more.

Q. As a single traveller, will I have to pay a single supplement?

A. No. On group tours we offer the option to share with a tour member of the same gender so there are no additional charges for travelling alone. You will be introduced to your share partner on arrival. Note that on overnight rail journeys and cruises this may not be with a Wendy Wu Tours passenger. To arrange a guaranteed private room, our single room option is available for an extra cost (you will still be required to share on overnight rail journeys).

Q. What does escorted touring mean?

A. Every group tour which has 10 or more passengers travelling will be accompanied by a National Escort from when you land at the airport, to when you depart. On multi-country tours, different National Escorts are used in each country. Our optional extensions are not accompanied by a National Escort; however you will have the benefit of our knowledgeable local guides. Transfers and flights to and from optional extension destinations are not escorted. Private tours are not accompanied by a National Escort, but will be accompanied by knowledgeable local guides in each location.

Q. What sort of vehicles do you use?

Air: Internal flights are based on economy class, with reputable airlines.

Q. What is the maximum luggage allowance on your tours?

A. Your main suitcase or backpack must not exceed 20kg and your hand luggage must not exceed 5kg as this is the maximum allowance on internal flights.

Q. What currency should I take?

A. We recommend you take sterling or US dollars as well as the local currency and a credit/debit card. We do not recommend travellers cheques. Please ensure you have sufficient funds to pay for personal expenses such as drinks, snacks, souvenirs, additional tipping and optional extras.

Tipping must be in US dollars and RMB (see page 126).

Q. Can you arrange airport lounges, parking & hotels?

A. Yes – we are always looking for ways to make your holiday that little bit more comfortable and convenient for you. See page 131 for details.

Q. When is the best time to visit China?

A. China is a year-round destination. While spring and autumn are the most popular months to visit, many people enjoy tours at other times of the year when there are fewer tourists. See page 127.

WHILE ON TOUR

Road: Coaches with air conditioning are used on our group tours for city sightseeing, short excursions to the countryside and longer transfers where necessary. On our private tours, we use air-conditioned vehicles suitable for the size of the party.

River: Ships or boats are used on tours which have a cruising element, from large ships on the Yangtze River to smaller boats on the Li River, Grand Canal and West Lake. To undertake these excursions, you will need to be capable of boarding and disembarking from these boats, sometimes without assistance and/or handrails.

Rail: Trains are used on some tours. Where there is an overnight journey we use the best available soft sleeper trains. Each compartment is shared by four people (not necessarily Wendy Wu Tours passengers). There is a western-style toilet at one end of the carriage and an Asian style toilet at the other end. The beds and cabins are basic with clean linen provided and there are neither showers nor a dining car. The trains are generally clean; however you cannot expect western standards.

Q. When are Chinese public holidays?

A. Chinese New Year is on 8th February 2016 and 28th January 2017. Their Golden Week public holidays fall annually between 1-3 May and 1-7 October. Celebrations last for several days and during this time some businesses will be closed. Tour attractions will be open, but may be crowded.

Q. Is there a dress code on your tours?

A. Our dress code is very relaxed; however, please note that clothing covering the arms and legs is more appropriate when visiting religious buildings.

Q. Are meals included?

A. All meals (excluding beverages) are included in our group tours except where stated. On some of our Discovery Tours, meals in remote areas may be basic or repetitive. Meals included in Discovery Tours, Exclusive Collection and Private Tours, are stated in the brochure and include several free evenings, offering flexibility for those who wish to explore local restaurants. Meals on our Classic group tours start with dinner on the normal day of arrival and finish with breakfast on the normal day of departure. Any additional meals will be at your own expense and no refund will be made for any meals missed. You will sample a range of local cuisine with occasional western meals, and meals are usually taken at local restaurants.

WHILE ON TOUR

sightseeing planned, depending on local conditions. Such options are at an additional cost, with prices usually ranging from £10 to £30 per person. This is paid in cash (in RMB) to the guide on the day of the optional excursion – just ask your guide if you need to visit a cash machine before touring for that day commences.

Q. Is tap water safe to drink?

A. We strongly recommend that you drink bottled water only.

Q. Are there any optional excursions?

A. From time to time your National Escort or local guide may suggest optional sightseeing in addition to the standard

Q. Is Tipping Compulsory?

A. Tipping is a necessary part of the tourism industry worldwide. For your convenience, total compulsory tipping amounts (including the Yangtze Cruise element) are stated on each Group Tour page (subject to change).

If you are taking a tour without a Yangtze Cruise, tipping in USD will be collected by your National Escort on arrival in each country and distributed on your behalf.

If you are taking a tour which includes a Yangtze Cruise, the total amount listed on the tour pages will be collected in two parts:

- 1) A USD amount, paid to your National Escort on arrival in each country, as above;
- 2) A service levy in local currency (RMB) to be paid upon boarding the Cruise vessel.

An additional, discretionary tipping amount payable in RMB may be paid to the River Guide or Cruise Director based on your satisfaction with services received.

Porterage is included on our Group Tours to China (from the coach to the lobby of each hotel).

For tours with fewer than 10 passengers, tipping will be slightly higher than stated on the group tour pages.

On Private Tours and Extensions, tipping is discretionary, we will advise recommended amounts.

The specific break down for each currency will be outlined in your final documentation.

Q. Are there shopping opportunities on your tours?

A. China has an array of shopping opportunities for those who love to seek out a bargain; from hand-carved jade to local silk products or pearls from the South China Sea. We encourage all passengers to enjoy their local shopping expeditions but to take care and be wise when purchasing.

Q. Can special requests be arranged?

A. If you have any special requests such as dietary requirements, or if you wish to celebrate an event, please notify us at the time of booking and we will do everything possible to ensure your requests are met. Please note that special requests cannot be guaranteed.

Q. What is the flying time to China?

A. Approx. 11 hours (if flying direct).

Q. Do you allow children on your tours?

A. We allow children 12 years and over on our group tours and welcome children aged 8 years and over on our In Pursuit of Pandas tour on page 16. Alternatively, our Private Tours (see our website) offer greater flexibility whilst on tour and are suitable for any age group.

Q. Will I be travelling with passengers from other countries?

A. Our passengers generally enjoy the mixture of British and Australian clients on tour. Occasionally we are joined by English speaking passengers from other countries.

Q. What is the average age on your group tours?

A. The average age range is 40-65. Younger and older passengers travel with us too.

Q. What hours of the day do your tours operate?

Q. How close can I get to the giant pandas?

A. If your tour includes a visit to see giant pandas, you will usually get close enough for a good photo opportunity.

Q. Which cabins are used on your Yangtze River Cruise vessels?

A. We use outward facing en suite cabins with balconies. Please see our website for an overview of our Yangtze River Cruise ships.

Q. How do standards abroad compare with the UK?

A. We will do our best to ensure that your holiday is safe and trouble free and we are continually working with our local partners to maintain and improve health and safety standards. Travelling abroad involves new places and new experiences and sometimes this means different safety and hygiene standards to those we are used to in the UK. We therefore ask that you take care; pay attention at all times and use your common sense. You are also requested to refer to notices and follow advice from your National Escort or local guide.

WeCare – Health & Safety

The enjoyment of your holiday is our highest priority. Wendy Wu Tours is a fully insured and bonded tour operator with comprehensive public liability cover.

Working closely with an independent health and safety organisation, we are proactive in our approach by ensuring that hotels used on our group tours regularly undergo comprehensive fire safety, security and hygiene audits.

In the unlikely event of a problem or emergency on tour, Wendy Wu Tours has a Crisis Management process in place to support all of our customers. We also have a dedicated 24 hour emergency support number.

CHINA FOR ALL SEASONS

Our tours cover the length and breadth of China. Depending on the time of year and where you travel, you may experience two or more seasons as you journey through the country.

Beijing

Beijing's climate, like the city itself, is ever changing. Winter is cold, but with crisp blue skies and fewer visitors, this makes it an ideal time to travel. Spring and autumn are warmer, with cloudier skies.

Shanghai

Shanghai's weather can be split into four distinct seasons – a warm spring, a hot and rainy summer, cooler weather in autumn and a cold winter. Being next to the sea, Shanghai experiences more rain than the rest of China.

Xian

Xian experiences a hot and rainy summer, a cold, clear and dry winter, and short rain showers throughout spring and autumn. Xian's weather is generally pleasant year round.

Chengdu

Chengdu's weather is characteristically foggy and humid, with a long and warm spring; a short and hot summer, a cool autumn and a cold winter. July and August are the rainiest months.

Guilin

Guilin's southern location blesses it with mild weather on average. Spring is hot, while summer is rainy, humid and foggy. Autumn is cool and pleasant, and winter can be breezy with occasional drizzle.

Kunming

Kunming justly lives up to its name as the 'Spring City' of China – with weather like spring most of the year, it rarely experiences cold winters or the extreme heat of summer.

Hong Kong

Hong Kong's subtropical location means it experiences pleasant temperatures year round. Spring is warm and humid, summer is hot and rainy, autumn is sunny and clear, and winter is cooler and dry.

Tokyo

Tokyo's four seasons bring hot summers, chilly winters with snow showers, and pleasant spring and autumn seasons. June and July bring seasonal rains, and of course spring is known for cherry blossoms whilst autumn is famed for its fabulous foliage.

Wendy Wu Tours Booking Conditions

The following booking conditions form the basis of your contract with Wendy Wu Tours Ltd, Ground Floor, Cottons Centre, Cottons Lane, 47-49 Tooley St, London SE1 2QG, company number 05107061. Please read them carefully as they set out our respective rights and obligations. By asking us to confirm your booking, you confirm that you have had the opportunity to read and have read these booking conditions, the brochure and tour dossier and agree to be bound by them.

These booking conditions only apply to holiday arrangements which you book with us in the UK and which we agree to make, provide or perform (as applicable) as part of our contract with you. All references in these booking conditions to “holiday”, “booking”, “contract”, “package”, “tour” or “arrangements” mean such holiday arrangements unless otherwise stated.

For tailor-made holidays, please refer to our Asia Inspirations brochure and terms and conditions or visit www.asiainspirations.co.uk.

In these booking conditions, “you” and “your” means all persons named on the booking (including anyone who is added or substituted at a later date) or any of them as the context requires. “We”, “us” and “our” means Wendy Wu Tours Limited.

1. Your Holiday Contract

The first named person on the booking (“lead name”) must be authorised to make a booking on the basis of these booking conditions by all persons named on the booking and by their parent or guardian for all party members who are under 18 when the booking is made. By making a booking the lead name confirms that he/she is so authorised. The lead name is responsible for making all payments due to us and to indemnify us for the liability of all party members. The lead name must be at least 18 when the booking is made.

After we receive your booking request and all appropriate payments (see clause 4 “Payment” below), if the arrangements you wish to book are available, we will issue a confirmation invoice. A binding agreement will come into existence between us when we dispatch this invoice to the ‘lead name’ or your Travel Agent. We both agree that English Law (and no other) will apply to your contract and to any dispute, claim or other matter of any description which arises between us (“claim”) (except as set out below). We both also agree that any claim (and whether or not involving any personal injury) must be dealt with under the ABTA arbitration scheme (if the scheme is available for the claim in question and you wish to use it – see clause 14) or by the Courts of England and Wales only unless, in the case of Court proceedings, you live in Scotland or Northern Ireland. In this case, proceedings can either be brought in the Courts of your home country or those of England and Wales. If proceedings are brought in Scotland or Northern Ireland, you may choose to have your contract and claim governed by the law of Scotland/Northern Ireland as applicable (but if you do not so choose, English law will apply).

Your invoice will be sent to your travel agent or the lead name on the booking if you have booked direct with us. Please check this invoice carefully as soon as you receive it. Contact us immediately if any information which appears on the confirmation or any other document appears to be incorrect or incomplete as it may not be possible to make changes later. We regret we cannot accept any liability if we are not notified of any inaccuracies (for which we are responsible) in any document within ten days of our sending it out (five days for tickets). We will do our best to rectify any mistake notified to us outside these time limits but you must meet any costs involved in doing so.

If you wish to change or cancel any arrangements later you may have to pay an amendment or cancellation charge (See Clause 8).

2. Your financial protection

We hold an Air Travel Organiser’s Licence issued by the Civil Aviation Authority (ATOL number 6639). When you buy an ATOL protected flight or flight inclusive holiday* from us, you will receive an ATOL Certificate. This lists the flight, accommodation, car hire and/or other services that are financially protected, where you can get information on what this means for you, and who to contact if things go wrong. We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable).

*The flights and flight-inclusive holidays we arrange are ATOL protected providing they are made available in the UK. For further information visit the ATOL website at www.atol.org.uk.

We are a member of ABTA (ABTA number W7934). If your holiday does not include flights, ABTA will financially protect your holiday by ensuring you receive a refund or, if your arrangements include return travel to the UK (other than flights) you are returned to the UK in the event that your holiday cannot be provided as a result of our insolvency. Please go to www.abta.com for a copy of the guide to ABTA’s scheme of Financial Protection.

ABTA and ABTA members help holidaymakers to get the most from their travel and assist them when things do not go according to plan. We are obliged to maintain a high standard of service to you by ABTA’s Code of Conduct.

For further information about ABTA, the Code of Conduct and the arbitration scheme available to you if you have a complaint (see clause 14), contact ABTA at 30 Park Street, London, SE1 9EQ or see www.abta.com.

3. Your Holiday Price

Please note, changes and errors occasionally occur. You must check the price of your chosen holiday at the time of booking.

The cost of your travel arrangements was calculated using known costs and exchange rates of £1 to 1.5616USD and £1 to 0.979CNY on 21 July 2015.

We reserve the right to increase / decrease and correct errors in advertised prices at any time before your holiday is confirmed. We will advise you of any error of which we are aware and of the then applicable price at the time of booking.

Once the price of your chosen holiday has been confirmed at the time of booking, then subject to the correction of errors, we will only increase or decrease the price in the following circumstances. Price increases or decreases after booking will be passed on by way of a surcharge or refund. A surcharge or refund (as applicable) will be payable, subject to the conditions set out in this clause, in the event of any change in our transportation costs or in dues, taxes or fees payable for services such as landing taxes or embarkation or disembarkation fees at ports or airports or in the exchange rates which have been used to calculate the cost of your holiday.

Even in the above cases, only if the amount of any increase in our costs exceeds 2% of the total cost of your holiday (excluding insurance premiums and any amendment charges) will we levy a surcharge. If any surcharge is greater than 10% of the cost of your holiday (excluding insurance premiums and any amendment charges), you will be entitled to cancel your booking and receive a full refund of all monies you have paid to

us (except for any amendment charges) or alternatively purchase another holiday from us as referred to in clause 9 “If we change or cancel your holiday”. Although insurance (where purchased through us) does not form part of your contract with us or of any “package”, we will consider an appropriate refund of any insurance premiums you have paid us if you can show you are unable to use/reuse or transfer your policy in the event of cancellation or purchase of an alternative holiday.

Where applicable, you have 14 days from the issue date printed on the surcharge invoice to tell us if you want to choose option (b) or (c) as set out in clause 9 below. If you do not tell us that you wish to choose either of these options within this period of time, we are entitled to assume that you do not wish to do so and will pay the surcharge. Any surcharge must be paid with the balance of the cost of the holiday or within 14 days of the issue date printed on the surcharge invoice, whichever is the later.

Please note that arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your holiday due to contractual and other protection in place.

A refund will only be payable if the decrease in our costs exceeds 2% of the total cost of your holiday as set out above. Where a refund is due, we will pay you the full amount of the decrease in our costs.

We promise not to levy a surcharge within 30 days of departure. No refund will be payable if any decrease in our costs occurs during this period either.

4.Payment

In order to confirm your chosen holiday, a deposit of at least £350.00 per person (or full payment if booking within 60 days of departure) must be paid at the time of booking. In some cases the amount of deposit may be higher: where, for example, we need to pre-purchase flights tickets, accommodation or other services. If you wish to purchase the insurance policy we offer, all applicable premiums must also be paid at the time of booking (you must be insured – please see clause 6 on the subject of insurance).

The balance of the holiday cost must be received by us not less than 60 days prior to departure. This date will be shown on the confirmation invoice. Reminders are not sent.

Our preferred method of deposit payment is by bank debit card or credit card. Balance payment may be made by cash, bank debit card, credit card or cheque (providing there is time to clear it to meet the payment schedule shown above - you should allow 5 working days for clearance from the time we receive it). No charge will be made for deposits and balances paid by Debit Card/Switch/Delta. However, in line with most major operators, we will make a charge of 2% for deposits and balances paid by credit card. If we do not receive all payments due (including any surcharge where applicable) in full on time, we are entitled to assume that you wish to cancel your booking. In this case, we will be entitled to keep all deposits paid or due at that date.

Except for flight inclusive bookings, all monies you pay to one of our authorised travel agents for your holiday with us will be held by the agent on your behalf until a contract between us comes into existence. After that point, your agent will hold the monies on our behalf until they are paid to us. For flight inclusive bookings, all monies paid to any authorised travel agent of ours for your holiday with us will be held on behalf of and for the benefit of the Trustees of the Air Travel Trust subject to the travel agent’s obligation to pay such monies to us in accordance with our trading terms unless we fail. In the unlikely event of our financial failure, all monies then held by the travel agent or subsequently paid by you to the travel agent will be held by the agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation on the agent to pay such monies to us.

5. Travel documents and visas

A Passport with a minimum of six months validity from the intended date of Travel, and contain a minimum of two blank visa pages, is required for travel for all countries in our programme. Visa fees, where required, are included for UK and EU passport holders in all fully inclusive group packages with the exception of holidays to Laos. Non UK passport holders will incur Visa fees at their own expense. Failure to forward passports to Wendy Wu Tours by the date specified on your confirmation invoice so that we can process your Visa application may incur further charges to cover expedited Visa processing. Unless otherwise requested your passport will be returned approximately 4 weeks after receipt by Royal Mail Special Delivery. A charge will be made for faster processing. It is your responsibility to ensure the visa issued to you is correct. Whilst we include the cost of the standard visa application service in your tour price (for UK and EU passport holders), we will pass on any additional charges incurred for non-standard visa processing, or where visa charges are increased following publication of the brochure. Should your visa application be refused for any reason and you wish to cancel your booking the cancellation charges under clause 8 will apply. We make no promises that your Visa application will be successful and we cannot accept bookings conditional on the issuing of a Visa.

Responsibility for documentation accuracy, passport validity and dispatch of documents rests with you. Wendy Wu Tours accepts no responsibility in this regard. Passports and applications should be sent by tracked delivery or in person. We accept no responsibility for passports lost in the post.

It is the responsibility of each passenger to ensure that you carry all necessary passport, visa and other travel documentation as required by the country you are visiting, and that all documents are in date and valid. We do not accept responsibility if you cannot travel because you have not complied with any passport, visa or immigration requirements for any part of your holiday. If failure to have any necessary travel or other documents results in fines, surcharges or other financial penalty being imposed on us, you will be responsible for reimbursing us in full.

6. Travel Insurance, Health and Safety

It is a condition of booking with us that you take out suitable travel insurance covering at least circumstances leading to the cancellation of your booking and providing sufficient medical cover for illness or injury and repatriation while overseas. You must provide us with the name of your insurers and their 24 hour emergency contact number when you book or as soon as possible thereafter. Wendy Wu Tours will not be liable for any costs incurred by you due to your failure to take out suitable travel insurance from the date of booking. You will indemnify Wendy Wu Tours in respect of any assistance or payment made by us in these circumstances.

Details of any compulsory health requirements applicable to British citizens for your holiday are available from the websites listed below. It is your responsibility to ensure you are aware of all recommended vaccinations and health precautions in good time before departure. Details are available from your GP surgery and from the National Travel Health Network and Centre www.nathnac.org. Information on health can be found at www.nhs.uk and www.fittoftravel.nhs.uk. For holidays in the EU / EEA you should obtain

an EHC (European Health Insurance Card) prior to departure from the Department of Health (www.dh.gov.uk). Health requirements and recommendations may change and you must check the up to date position in good time before departure. The Foreign and Commonwealth Office publishes regularly updated travel information on its website www.gov.uk/foreign-travel-advice which you are recommended to consult before booking and in good time before departure.

7. If you wish to change your booking

If, after our confirmation invoice has been issued, you wish to change your travel arrangements in any way, we will endeavour to make these changes, but it may not always be possible. Any request for changes to be made must be from the lead name on the booking or your Travel Agent. You will be asked to pay an administration charge as set out below per person and any further cost we incur together with any costs or charges incurred or imposed by any of our suppliers in making this alteration. Examples include:

- Minor amendments to the tour booked - £20
- Minor amendments made within 30 days of departure - £30
- Transferring between tours or changing departure date - £50
- Transferring between tours or changing departure date within 60 days of departure is not permitted and cancellation fees will apply
- Reissue of airline tickets - £50 plus any non-refundable costs of the cancelled ticket and any additional costs of the new ticket
- Once a booking is confirmed no name transfers are permitted within 60 days of departure and will be regarded as a cancellation and cancellation fees apply

It is important to note that some arrangements such as certain types of air tickets cannot be changed after a booking has been made as they are sold as part of your fixed package: any change will be treated as a cancellation in which case cancellation charges will apply.

8. If you wish to cancel your booking

Because we start to incur costs in relation to your arrangements from the time we confirm your booking, if you cancel we have to make a charge and the nearer to your departure date you cancel, the higher the charge will be. If you wish to cancel a confirmed booking you must do so by writing to our head office. Cancellation takes effect from the day we receive your letter. Cancellation charges are shown in the table below and will be payable immediately on cancellation. Where the cancellation charge is shown as a percentage, this is calculated on the basis of the total cost payable by the person(s) cancelling excluding insurance premiums and amendment charges. Insurance premiums and amendment charges are not refundable in the event of cancellation:

61 or more days	Retention of deposit
60 – 42 days	30% including deposit
41 – 28 days	60% including deposit
27 – 15 days	90% including deposit
14 days or less	100% including deposit

Depending on the reason for cancellation, you may be able to reclaim these cancellation charges (less any applicable excess) under the terms of your insurance policy. Claims must be made directly to the insurance company concerned and we have no liability in these circumstances.

9. If we change or cancel your holiday

We start planning the holidays we offer many months in advance. Occasionally, we have to make changes to and correct errors in brochure and other details both before and after bookings have been confirmed and cancel confirmed bookings. Whilst we always endeavour to avoid changes and cancellations, we must reserve the right to do so. The right is also reserved to change airline, aircraft types and vessels scheduled for any specific departure. Even after we have confirmed your booking we may have to make alterations to confirmed arrangements. Most such alterations will be minor and of little effect on your overall arrangements and while we will do our best to notify you of any such minor change before your departure, we will have no other liability to you. Occasionally we may have to make a significant change to your confirmed arrangements.

- Significant changes include but are not limited to the following (which are illustrative):
- Change of UK departure airport. (A change from one London airport to another is not considered a major change. London airports are Heathrow, Gatwick, Stansted, Luton and London City)
 - Change of your time of departure or return by more than 12 hours
 - Change of resort
 - Change of holiday accommodation to accommodation of a lower official rating.

If we have to make a significant change, we will notify you as quickly as possible and offer you the following options:

- (a) (for significant changes) accepting the changed arrangements or
- (b) purchasing an alternative holiday from us, of a similar standard to that originally booked if available. We will offer you at least one alternative holiday of equivalent or higher standard for which you will not be asked to pay any more than the price of the original holiday. If this holiday is in fact cheaper than the original one, we will refund the price difference. If you do not wish to accept the holiday we specifically offer you, you may choose any of our other then available holidays. You must pay the applicable price of any such holiday. This will mean your paying more if it is more expensive or receiving a refund if it is cheaper or
- (c)cancelling or accepting the cancellation in which case you will receive a full refund of all monies you have paid to us

In addition, if you choose (a) or (b) above, and the change is not due to ‘force majeure’ (see clause 10 “Force Majeure”), you will receive as compensation a credit towards the cost of your arrangements, or any alternative selected, of the amount shown in Scale A below. If you choose (c) we will pay you compensation of the amount shown in Scale B below. In all cases we will have no liability for any other or greater compensation, or for expenses or losses incurred as a result of any change.

	Credit/Compensation per fare paying passenger (excluding children)	
	Scale A	Scale B
0 – 7 days	£50	£25
8 – 14 days	£40	£20
15 – 28 days	£30	£15
29 – 42 days	£20	£10
43 – 56 days	£10	£5

No compensation will be payable and the above options will not be available if we cancel as a result of your failure to comply with any requirement of these booking conditions entitling us to cancel (such as paying on time) or where a change is a minor one.

10. Our liability to you

(1) We will take reasonable care to ensure that the holiday arrangements we have agreed to make, perform or provide as part of our contract with you are made, performed or provided with reasonable skill and care. This means that, subject to these booking conditions, we may accept responsibility if, for example, you suffer death or personal injury or your contracted holiday arrangements are not provided as promised or prove deficient as a result solely of the failure of ourselves, our employees, agents or suppliers to use reasonable skill and care in making, performing or providing, as applicable, your contracted holiday arrangements. Please note, it is your responsibility to show that reasonable skill and care has not been used and you have suffered loss as a result if you wish to make a claim against us. In addition, we will only be responsible for what our employees, agents and suppliers do or do not do if they were at the time acting within the course of their employment (for employees) or carrying out work we had asked them to do (for agents and suppliers).

(2) We will not be responsible for any injury, illness, death, loss (for example loss of enjoyment), damage, expense, cost or other sum or claim of any description whatsoever which results from any of the following:

- the act(s) and/or omission(s) of the person(s) affected or any member(s) of their party or
- the act(s) and/or omission(s) of a third party not connected with the provision of your holiday and which were unforeseeable or unavoidable or
- ‘force majeure’ as defined in clause 11 below

(3) Please note, we cannot accept responsibility for any services which do not form part of our contract. This includes, for example, any additional services or facilities which your hotel or any other supplier agrees to provide for you where the services or facilities are not advertised by us and we have not agreed to arrange them as part of our contract including any excursion you purchase in resort. Please also see clause 12 “Excursions”. In addition, regardless of any wording used by us on our website, in any advertising material or elsewhere, we only promise to use reasonable skill and care in performing our contractual obligation as set out above and we do not have any greater or different liability to you.

(4) The promises we make to you about the services we have agreed to provide or arrange as part of our contract – and the laws, regulations and relevant standards of the country in which your claim or complaint occurred – will be used as the basis for deciding whether the services in question had been properly provided. If the particular services which gave rise to the claim or complaint complied with local laws and regulations applicable to those services at the time, the services will be treated as having been properly provided. This will be the case even if the services did not comply with the laws and regulations of the UK which would have applied had those services been provided in the UK. The exception to this is where the claim or complaint concerns the absence of a safety feature which might lead a reasonable holiday maker to refuse to take the holiday in question. Please note, however, our obligation is to exercise reasonable skill and care as referred to in clause 10(1). We do not make any representation or commitment that all services will comply with applicable local laws and regulations and failure to comply does not automatically mean we have not exercised reasonable skill and care.

(5) As set out in these booking conditions, we limit the maximum amount we may have to pay you for any claims you may make against us.

Where we are found liable for loss of and/or damage to any luggage or personal possessions (including money), the maximum amount we will have to pay you is £1,500 per person affected unless a different limitation applies to your claim under this clause or clause 10(6) below. You must ensure you have appropriate travel insurance to protect your personal belongings.

For all other claims which do not involve death or personal injury, if we are found liable to you on any basis the maximum amount we will have to pay you is twice the price (excluding insurance premiums and amendment charges) paid by or on behalf of the person(s) affected in total unless a lower limitation applies to your claim under clause 10(6) below. This maximum amount will only be payable where everything has gone wrong and you have not received any benefit at all from your holiday.

- (6) Where any claim or part of a claim (including those involving death or personal injury) concerns or is based on any travel arrangements (including the process of getting on and/or off the transport concerned) provided by any air, sea, rail or road carrier to which any international convention or regulation applies, the maximum amount of compensation we will have to pay you will be limited. The most we will have to pay you for that claim or that part of a claim if we are found liable to you on any basis is the most the carrier concerned would have to pay under the international convention or regulation which applies to the travel arrangements in question (for example, the Warsaw Convention as amended or unamended and the Montreal Convention for international travel by air and/or for airlines with an operating licence granted by an EU country, the EC Regulation on Air Carrier Liability No 889/2002 for national and international travel by air, the Athens Convention for international travel by sea and COTIF, the Convention on International Travel by Rail). Where a carrier would not be obliged to make any payment to you under the applicable international convention or regulation in respect of a claim or part of a claim, we similarly are not obliged to make a payment to you for that claim or part of the claim. When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the carrier for the claim in question. Copies of the applicable international conventions and regulations are available from us on request.

(7) Please note, we cannot accept any liability for any damage, loss, expense or other sum(s) of any description (1) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you or (2) which did not result from any breach of contract or other fault by ourselves or our employees or, where we are responsible for them, our suppliers. Additionally we cannot accept liability for any business losses including self employed loss of earnings.

11. Force Majeure

Except where otherwise expressly stated in these booking conditions, we regret we will not accept liability or pay any compensation where the performance or prompt performance of our obligations under our contract with you is prevented or affected by or you otherwise suffer any damage, loss or expense of any nature as a result of “force majeure”. In these booking conditions, “force majeure” means any event, or the consequences of which, we or the supplier of the service(s) in question could not, even with all due care, foresee or avoid. Such events are not limited to but may include actual or threatened war, riot, civil strife, terrorist activity, industrial dispute, natural or nuclear disaster, adverse weather conditions, volcanic activity, seismic activity, fire, pandemics, epidemics and all similar events, natural or man made, outside our control or that of our agents or suppliers.

12. Excursions

We may provide you with information (before departure and/or when you are on holiday) about activities and excursions which are available in the area you are visiting. We have no involvement in any such activities or excursions which are neither run, supervised nor controlled in any way by us. They are provided by local operators or other third parties who are entirely independent of us. They do not form any part of your contract with us even where we suggest particular operators/other third parties and/or assist you in booking such activities or excursions in any way. We cannot accept any liability on any basis in relation to such activities or excursions and the acceptance of liability contained in clause 10(1) of our booking conditions will not apply to them. We do not however exclude liability for the negligence of ourselves or our employees resulting in your death or personal injury.

We cannot guarantee accuracy at all times of information given in relation to such activities or excursions or about the area you are visiting generally or that any particular excursion or activity which does not form part of our contract will take place as these services are not under our control. If you feel that any of the activities or excursions referred to in our brochure, on our website and in our other advertising material which are not part of our contract are vital to the enjoyment of your holiday, write to us immediately and we will tell you the latest known situation. If we become aware of any material alterations to area information and/or such outside activities or excursions which can reasonably be expected to affect your decision to book a holiday with us, we will pass on this information at the time of booking.

13. Complaint procedure

If you have a problem during your holiday concerning any service provided as part of the arrangements we have confirmed, you must inform our National Escort or Local Guide (or, if none available, with our local agent or hotel manager) immediately to enable them to try to resolve the matter. Any notification must be put in writing and given to our representative / agent and the supplier as soon as possible. Our emergency number is manned 24 hours a day, seven days a week and is 07984 041625. Until we know about a complaint or problem, we cannot begin to resolve it. If you remain dissatisfied, however, you must write to us within 28 days of your return to the UK giving your booking reference and full details of your complaint. Only the lead name should write to us. If you fail to follow this simple complaints procedure, your right to claim any compensation you may otherwise have been entitled to may be affected or even lost as a result.

14. Arbitration

Disputes arising out of, or in connection with your booking which cannot be amicably settled may be referred to arbitration if you so wish under a special scheme arranged by ABTA Ltd and administered independently. The scheme provides for a simple and inexpensive method of arbitration on documents alone with restricted liability on the customer in respect of costs. Full details will be provided on request or can be obtained from the ABTA website (www.abta.com). The scheme does not apply to claims for an amount greater than £5,000 per person. There is also a limit of £25,000 per booking. Neither does it apply to claims which are solely in respect of physical injury or illness or their consequences. The scheme can however deal with compensation claims which include an element of minor injury or illness subject to a limit of £1,500 on the amount the arbitrator can award per person in respect of this element. Your application for arbitration and other required documents must be received by ABTA within 18 months of your return from the holiday. Outside this time limit arbitration under the scheme may still be available if we agree, although the ABTA Code does not require such agreement. For injury and illness claims, you can request the ABTA mediation procedure and we have the option to agree to this. Where we act as agent, please bear in mind that your contract is with the supplier of the arrangements concerned. Unless the supplier is also a member of ABTA, only disputes relating to our actions as agent can be dealt with by the arbitration scheme or mediation procedure and not complaints about the arrangements themselves or the acts / omissions of the supplier.

15. Conditions of Suppliers

Many of the services which make up your holiday are provided by independent suppliers. Those suppliers provide these services in accordance with their own terms and conditions. Some of these terms and conditions may limit or exclude the supplier’s liability to you, usually in accordance with applicable international conventions (see clause 10(4)). Copies of the relevant parts of these terms and conditions and of the international conventions are available on request from ourselves or the supplier concerned.

16. Behaviour

When you book a Holiday with Wendy Wu Tours Limited you accept responsibility for the proper conduct for yourself and your party whilst on holiday. If we or any other person in authority is of the reasonable opinion that you or any member of your party is behaving in such a way as to cause or be likely to cause danger or upset to any other person or damage to property, we will be entitled to terminate the holiday of the person(s) concerned. The person(s) concerned will be required to leave the accommodation or other service and we will have no further responsibility to them including any return travel arrangements. No refunds will be made and we will not pay any expenses or costs incurred as a result of the termination. You will be responsible for making full payment for any damage or loss caused by you or any member of your party during your time away. Payment must be paid directly at the time to the service supplier concerned. If the actual cost of the loss or damage exceeds the amount paid where estimated, you must pay the difference once known. If the actual cost is less than the amount paid, the difference will be refunded. You will also be responsible for meeting any claims subsequently made against us and all costs incurred by us (including our own and the other party’s full legal costs) as a result of your actions.

17. Special Requests

If you have any special requests, you must inform us prior to booking. Although we will endeavour to pass any reasonable requests on to the relevant supplier, we regret we cannot guarantee any request will be met. Failure to meet any special request will not be a breach of contract on our part. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability. Unless you receive written confirmation from the supplier that a special request will be complied with, you must assume that it will not be. The responsibility for providing the special request lies solely with the supplier and not with Wendy Wu Tours. We regret we cannot accept any conditional bookings, i.e. any booking which is specified to be conditional on the fulfillment of a particular request. All such bookings will be treated as “standard” bookings subject to the above provisions on special requests.

18. Fitness, Medical Conditions & Disabilities

Please note that China and the surrounding regions is a vast area with varying terrain (including steps, steep hills and uneven walkways) which can be difficult to negotiate. An indicated ‘tour pace’ is outlined clearly in this brochure and in the tour specific Tour Dossiers. It is your sole responsibility to ensure that you are sufficiently fit and well to negotiate these areas, without any adverse effect on the overall group or tour operation. You should check that your proposed areas of travel are suitable dependant on your own

health, including any medical condition and/or disability that you may have.

If you or any member of your party has any medical condition or disability which may affect your holiday or has any special requirements as a result of any medical condition or disability (including any which affect the booking process), please tell us before you confirm your booking so that we can assist you in considering the suitability of the arrangements and/or making the booking. In any event, you must give us full details in writing at the time of booking and whenever any change in the condition or disability occurs. You must also promptly advise us if any medical condition or disability which may affect your holiday develops after your booking has been confirmed. Should this condition not be met, Wendy Wu Tours reserves the right to terminate the holiday of the person(s) involved, as described in section 16.

19. Flights

In accordance with EU Directive (EC) No 2111/2005 Article 9, we are required to bring to your attention the existence of a “Community list” which contains details of air carriers who are subject to an operating ban within the EU. The Community list is available for inspection at http://ec.europa.eu/transport/air-ban/list_en.htm

In accordance with EU Regulations we are required to advise you of the actual carrier(s) (or, if the actual carrier(s) is not known, the likely carrier(s) that will operate your flight(s) at the time of booking. Where we are only able to inform you of the likely carrier(s) at the time of booking, we shall inform you of the identity of the actual carrier(s) as soon as we become aware of this. Any change to the operating carrier(s) after your booking has been confirmed will be notified to you as soon as possible.

If the carrier with whom you have a confirmed reservation becomes subject to an operating ban as above as a result of which we/ the carrier are unable to offer you a suitable alternative the provisions of clause 9 “If we change or cancel your holiday” will apply. We are not always in a position at the time of booking to confirm the flight timings which will be used in connection with your flight. The flight timings shown in our brochure, on our website and/or detailed on your confirmation invoice are for guidance only and are subject to alteration and confirmation. Flight timings are outside our control. They are set by airlines and are subject to various factors including air traffic control restrictions, weather conditions, potential technical problems and the ability of passengers to check in on time.

Specific instructions relating to departure and travel arrangements will be sent with your air or other travel tickets approximately 2 weeks before departure. You must accordingly check your tickets very carefully immediately on receipt to ensure you have the correct flight times. It is possible that flight times may be changed even after tickets have been despatched - we will contact you as soon as possible if this occurs.

Any change in the identity of the carrier, flight timings, and/or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying our normal charges except where specified in these conditions.

20. Delay and Denied Boarding Regulations

In the event of any flight delay or cancellation at your UK or overseas point of departure, the airline is responsible for providing such assistance as is legally required by the Denied Boarding Regulations (see below). The ferry, tunnel or rail operator is similarly responsible in relation to any delayed or cancelled sea crossing or international rail departure. Except where otherwise stated in our brochure or on our website, we cannot provide any assistance in such circumstances other than information and advice to the extent we are in a position to do so. Any airline concerned may however provide refreshments etc.

We cannot accept liability for any delay which is due to any of the reasons set out in clause 10(2) of these Booking Conditions (which includes the behaviour of any passenger(s) on the flight who, for example, fails to check in or board on time). In addition, we will not be liable for any delay unless it has a significant effect on your holiday arrangements.

If your flight is cancelled or delayed
