We Take Care of Everything

FULLY INCLUSIVE TOURING WITH WENDY WU TOURS

At Wendy Wu Tours we believe that everything you need to enjoy the holiday of a lifetime should be included in the price of your tour.

Take a look at what's included in all of our Classic Tours.

All Your Flights

All our tour prices include return international economy class flights from London, Glasgow, Edinburgh, Newcastle, Manchester, Birmingham or Belfast, and any domestic flights you may need whilst on tour. We can also organise departures from other regional airports, often for little or no extra cost.

We only work with reputable scheduled airlines and of course all your pre-paid taxes and luggage is included in the price. We believe that your flights are an essential part of your holiday experience, and so our carefully selected airlines offer the utmost comfort, allowing you to arrive relaxed, refreshed and raring to go.

All Your Meals

On our Classic tours breakfast, lunch and dinner are included every day.

Whilst breakfasts tend to be a mixture of local eats and familiar dishes from home, when it comes to lunch and dinner, most of the time you'll be enjoying regional cuisine, often eating where the locals do.

We also include a select number of 'feature meals', so you get to taste the signature dishes of the region, whilst the rest of the time you'll eat a delicious range of your destination's best food.

All Your Accommodation

You can be safe in the knowledge that your accommodation has been selected to best suit the locations you'll visit.

Our Classic tours feature hand-picked four-star properties chosen for their comfort, modern amenities and convenient location for sightseeing. We occasionally include a stay in three-star plus hotels or lodges where we feel the character or location of the property will enhance your tour.

All Your Guided Touring

On all of our group tours, you'll be accompanied throughout by one of our expert guides, known as a National Escort. Their dedication, personality and sense of fun will immediately put you at ease and make you feel part of the family.

You can place your trust in your National Escort, who will help you navigate the quirks and charm of local life with confidence and ease.

All Your Immersive Experiences

We not only take you to lesser visited places, but offer authentic experiences throughout.

Be it learning a local craft, practicing an old tradition or dining with locals, you'll get under the skin of our destinations and their cultures. Check out the Authentic Experiences box on each tour page for details.

All Your Local Transport

Most of your daily travels will be by air-conditioned coach, with plenty of space to stretch out thanks to our seat and a half per guest policy.

You'll also experience a variety of transport styles that bring each destination to life – from leisurely river cruises, cyclos, and rickshaw rides to longer journeys by comfortable flights or relaxing rail travel through picturesque landscapes.

Even Your Visas

Organising your visa yourself can be a time-consuming and costly addition to your holiday. Not with Wendy Wu Tours' hassle-free visa process.

Should you need a visa, the cost is included in your tour price for all UK & Irish passport holders. What's more, our expert team will provide advice, coordinate your processing and safely return your passports, leaving you to simply enjoy your holiday preparation.

Please note that inclusions on our Go Beyond tours differ slightly. See page 18 for details.

Awards are all well and good but it's our customer feedback that means the most to us.

"Excellent, extremely well-organised tour with an exciting, varied itinerary that covered many of China's iconic sights. Lovely group of people of varying ages, delicious meals and comfortable hotels. Jason, our national guide, was wonderful. He had a great sense of humour, was very knowledgeable and took great care of the group every step of the way. This was my first organised tour and I would thoroughly recommend Wendy Wu to anyone thinking of booking an adventure."

Helen Rosenthal (Gems of China – Nov 2025)

"An amazing holiday that feasts your eyes (Huangpu River tour at night), nourishes your soul (Guilin River tour) and exercises your legs (walking the Great Wall), these are among the many highlights of the tour. This tour covers many of the must-see tourist attractions of China and then some - at a price that offers astonishing value. The standard of hotels and meals are above expectation. The high-speed rails journeys are the ideal way to cover long distances in this great country. Our national tour guide George skilfully shepherds us through vast railway stations, security checks and e-ticket inspections; depicts the development of modern China engagingly and addresses sensitive questions with diplomacy and subtlety - the way of tai chi. I would have no hesitation to book another Wendy Wu tour if it was led by George!"

Raymond Ho (China by Rail – Nov 2025)

"From the moment I was picked up by the transfer driver I felt well looked after. As a solo traveller I had concerns about being the only one not in a couple, but there were others also travelling on their own. The group size was perfect. My preconceived ideas of what China would be like were completely blown away in Shanghai. Although there were things that I was particularly looking forward to seeing such as the Terracotta Warriors and the Great Wall, every trip we did and experience we had was amazing. The local guides provided interesting insights into their towns and cities. It has truly been an unforgettable experience."

Tours that traverse rough terrain, visit remote areas, or go to high altitudes will also have higher physical ratings.

A reasonable level of fitness is required. Expect to be on your feet for most of the day walking around sights, often including steps and getting on and off coaches, trains, or boats. Occasional longer walks may be included.

LEVEL 2

A moderate level of fitness is required. You will be on your feet for most of the day, with longer walks that include ascents and descents on steps or uneven paths. Travelling conditions may be more challenging in some areas.

LEVEL 3

A good level of fitness is required. You need to be comfortable walking long distances and for extended durations. The tour may also include activities such as cycling and hiking and visit some remote areas with basic infrastructure.

LEVEL 4

A high level of fitness and a strong spirit of adventure are required. These tours are full of activity and often visit remote areas with basic infrastructure. Expect to be on your feet and active for much of the day, with some long travelling days.

As the physical requirements vary by tour, it's important to read the Detailed Tour Itinerary on our website before booking to ensure it's the right fit for you.

Visit the workshop of the craftsmen who recreate terracotta warriors in the style of their ancient counterparts. Watch the skilled production process and perhaps buy a souvenir warrior to take home. Discover the healing power of Chinese herbs

Uncover the ancient traditions thriving beneath Chongqing's modern skyline

ITINERARY

DAY 1: ARRIVE CHONGQING

Arrive in Chongqing where you'll be met and transferred from the airport or railway station. Depending on your time of arrival, the rest of the day is yours to start soaking up the local culture.

DAY 2: TRADITIONAL CHINESE MEDICINE

Begin your morning with Ba Duan Jin, a traditional form of qigong in which eight flowing movements work to energise the body and calm the mind. From there, head into Chongqing, pausing at Liziba to witness one of the city's most extraordinary sights – a light rail train threading its way through a residential building.

The rest of the day is given over to Traditional Chinese Medicine, offering a rare chance to understand how this ancient practice approaches health, balance, and wellbeing. Sample different teas, each chosen for its healing properties. A pulse diagnosis reads the speed, strength, and rhythm of your pulse to assess your qi and blood balance, finishing with tailored advice on diet and lifestyle. A traditional massage works along the body's meridians and acupuncture points to relieve tension and restore calm. Round off the afternoon pressing medicinal herbs into botanical specimens to keep as a memento of the day. Come evening, gather around the table for a classic Chongqing hot pot dinner.

DAY 3: HOT SPRINGS

Start the morning with another session of Ba Duan Jin before heading to Ciqikou Old Town. Wander its laneways, pause for tea at a traditional teahouse, and enjoy a performance of the legendary face-changing show – a breathtaking Sichuan art form in which performers switch elaborately painted masks in the blink of an eye. The afternoon is yours to unwind at one of Chongqing's best hot springs, with over 50 pools infused with mineral-rich water and essential oils.

DAY 4: HEISHAN VALLEY

Today venture out of the city to Heishan Valley. In Chinese tradition, time spent in nature is believed to restore the body's vital energy and bring the mind back into balance. Take a leisurely walk through this peaceful landscape, breathing in the fresh mountain air and letting the sounds of rushing streams and birdsong restore your sense of calm. Return to Chongqing as evening falls and board your Two Rivers Cruise with VIP tickets, drifting past the illuminated cliffside stilted houses of Hongyadong – one of the city's most spectacular night-time sights.

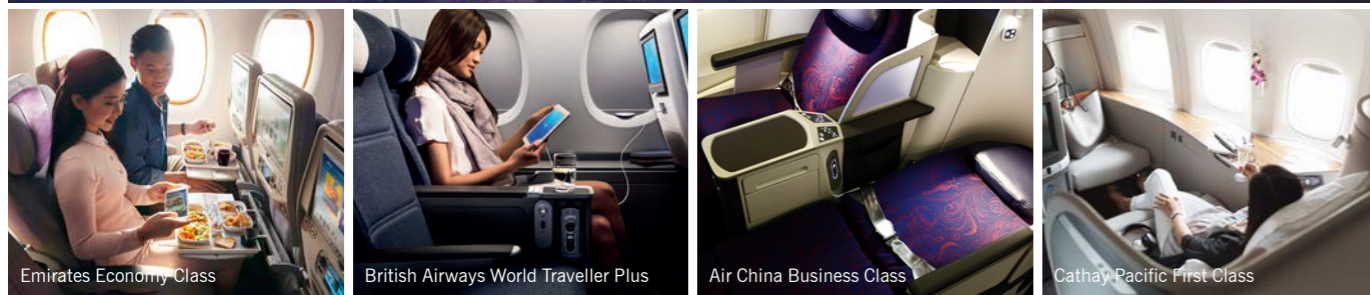

DAY 5: DEPART CHONGQING

After breakfast, you'll be transferred from your hotel to the airport or railway station for your onward journey.

THE YANGTZE CHINA

Asia's longest river, stretching nearly 4,000 miles from the glaciers of the Tibetan plateau to the East China Sea, the Yangtze River has been pivotal in the historical, cultural and economic development of China. Cruising the river you'll see everything from modern cities, incredible natural splendour (including the Three Gorges), historic temples and farmland still tended by conical hatted farmers with teams of buffalo.

YOUR JOURNEY

The Yangtze River has been the lifeline of China for millennia. It was on these river banks that some of the earliest Chinese cultures existed, and ever since it has been essential for China's agriculture, transportation and the development of the country's economy.

Cruising the mighty Yangtze slows down the pace of your tour of China and helps you to see this incredible country from a new perspective. All you have to do is sit back and admire the steady flow of history and heritage that survives along the Yangtze's banks as you wind your way through impressive gorges and cliffs. Sailing through the magnificent Three Gorges is a real highlight, with cliffs rising dramatically from the steadily flowing waters, each bend in the river offering a new breath-taking panorama.

Your China questions answered

A selection of our most frequently asked questions.

BEFORE YOU TRAVEL

Q. Where can I find detailed tour information?

A. Before booking, please read the Detailed Tour Itinerary for your chosen tour, available on our website. Here you'll find everything you need to know, from time spent on your feet and journey times to accommodation standards. Final documents including a day-by-day itinerary, hotel list, flight tickets, visa (if applicable) and travel guide will be sent two weeks before departure.

Q. Do I need travel insurance?

A. Your protection and safety are our main priority. That's why having adequate travel insurance is a condition of booking with us for all the destinations you plan to travel to.

Q. How do I get my visa?

A. When you make your booking, we will advise you on the latest visa requirements for your destination. Our Operations team will contact you around 10 weeks prior to your departure date to guide you through the visa process.

China – British Citizen and Irish passport holders can currently enter China visa-free for stays of up to 30 days, for travel completed before 31 December 2026. If you hold a different passport, please contact us. If you're travelling in 2027 or beyond, visa requirements may change.

Should a visa be required for British or Irish passport holders, Wendy Wu Tours will organise this for you at no additional cost. Full details of the visa process – including processing times, required documentation and instructions – will be sent to you electronically approximately 10 weeks before departure.

Please visit our website for the latest updates: <https://www.wendywutours.co.uk/help-and-visas/passports-and-visas/far-east/>

Q. What vaccinations do I need?

A. Wendy Wu does not give specific health advice, but we do recommend you see your doctor at least six weeks prior to travel for advice and to allow time for any necessary vaccinations.

Q. How fit do I need to be?

A. All of our group tours are assigned a Physical Rating, with the specific requirements for each tour clearly outlined in the Detailed Tour Itinerary on our website. Please don't hesitate to contact us for advice. Our Private Tours are also available for those who need a more flexible itinerary.

Q. When is the best time to visit?

A. China, Central Asia, Mongolia and Taiwan are destinations for all seasons, each offering something unique throughout the year. As a general guide, Spring (Mar–May) and Autumn (Sep–Nov) are ideal across most of China and Taiwan, with pleasant temperatures and stunning landscapes. Mongolia and Central Asia can drop well below freezing in winter, making April to October the most comfortable time to visit.

As our tours cover vast and varied regions, you may find yourself journeying through more than one season along the way, so come prepared for all weathers.

Q. As a single traveller, will I have to pay a single supplement?

A. We have several options to suit solo travellers. Our dedicated Solo Departures are reserved exclusively for single travellers and include a private double room and airport lounge access on departure from UK, all included in the tour price. If you'd prefer to join a standard departure, you can add the single room supplement for a room of your own. Alternatively, our 'Happy to Share' option will match you with a same-gender travel companion, removing the supplement entirely. Please note that 'Happy to Share' requests must be made more than 75 days before departure.

Q. Will I have a guide with me throughout my trip?

A. Yes – on any group tour of 10 or more passengers, a dedicated National Escort will be with you from the moment you arrive to the moment you depart. Smaller groups of less than 10, Private Tours and Short Stays are looked after by our expert local guides at every location.

Q. What is the maximum luggage allowance on your tours?

A. If your tour includes domestic flights or train journeys, your main suitcase or backpack must not exceed 20kg, with a 5kg limit for hand luggage, in line with local transport regulations. If your tour does not involve domestic flights or trains, your baggage allowance will follow your international airline's policy, though we recommend packing only what you can comfortably carry.

Q. Will I know which hotels I will be staying at?

A. Every hotel on our tours has been hand-picked for its comfort, amenities and location. You'll mainly stay in four-star properties, though we occasionally choose a characterful lodge or three-star-plus hotel where it adds something special to the experience or opens up a more unique destination. A sample hotel list is available on each tour page on our website, with your confirmed hotels included in your final documents.

Q. What size are your tour groups?

A. Our Classic tours average around 20 passengers with a maximum of 28, while our Go Beyond tours and Solo Departures are smaller, averaging 14 with a maximum of 18. You may cross paths with other Wendy Wu Tours groups at some destinations.

Q. Do you run guaranteed departures?

A. Group tours are guaranteed to run subject to a minimum of 10 passengers. We will endeavour to run groups of a smaller size with local guides only if viable to do so.

Q. Can special requests be arranged?

A. For dietary requirements, special occasions or any other requests, please let us know at the time of booking and we'll do everything possible to help. While we can't guarantee every request, we'll always do our best to accommodate you.

Q. Do you allow children on your tours?

A. Children aged 12 and over are welcome on all group tours. For younger children, our Private/Tailor-made Holidays are suitable for all ages.

Q. When are Chinese public holidays?

A. The Chinese New Year holiday runs from 6–11 February 2027 and 26 January–1 February 2028. The Labour Day public holiday falls around 1 May in both 2027 and 2028, typically extending to a 4–5 day break. The National Day Golden Week takes place from 1–7 October each year. Celebrations last for several days and during this time, some businesses will be closed. Tour attractions will be open, but may be crowded.

Q. What currency should I take to China?

A. The currency in China is the Chinese Renminbi (RMB), also known as Yuan (CNY). Whilst cash and card payments are accepted in some stores, it is mobile payment apps, namely WeChat and Alipay, that are widespread throughout the country, from metropolitan department stores to the rural market stalls.

Make sure you have sufficient funds for personal expenses such as drinks, entrance fees, and souvenirs.

Scan the QR code below for our helpful guide outlining the currency used in China, how to download and use mobile payment apps, alternative payment methods, and how much you can expect to spend on a Wendy Wu tour in China.

WHILE ON TOUR

Q. What sort of transportation is included?

We use a mix of transport to make the most of your journey.

Air: Internal flights are based on economy class, with reputable local airlines.

Road: Coaches with air conditioning are used on our group tours for city sightseeing, short excursions to the countryside and longer transfers where necessary. On Classic tours we also operate a seat-and-a-half policy on coaches, giving you extra space and comfort throughout. In rural Mongolia, we use 4WD land cruisers to comfortably navigate the terrain. On our Private/Tailor-made Tours, we use vehicles suitable for the size of the party.

Rail: Most tours in China include bullet train travel, with second-class seats included unless stated otherwise. Trains have western-style toilets throughout along with a food cart selling basic snacks and drinks.

River: Some tours include cruises, from large ships on the Yangtze to smaller boats on the Li River, Grand Canal and West Lake. You'll need to be comfortable boarding and disembarking independently, as handrails and assistance may not always be available.

Q. Which cabins are used on the Yangtze River cruise vessels?

A. We use outward facing en-suite cabins equipped with a balcony. Please visit page 144 for more details about the Yangtze River cruise.

Q. How does the tipping system work on your tours?

A. Tipping is expected throughout Asia (excluding Japan), but knowing when and how much can be tricky. For your convenience, Wendy Wu Tours operates a kitty system on group tours where your National Escort manages everything on your behalf, ensuring amounts are fair for local people and stress-free for you. The contribution is stated on each tour page and confirmed in your final documents.

Any additional tipping is entirely at your discretion – restaurant staff, porters and river guides always appreciate a personal thank-you for exceptional service. For groups of fewer than 10, contributions will be slightly higher. On Private Tours and Extensions, we recommend allowing £10 per person, per day.

Tipping in China can be paid in cash or via mobile payment app.

Q. Are meals included?

A. On our Classic tours, all meals are included, from dinner on your first evening right through to breakfast on your departure day. For Go Beyond, Private Tours and Short Stays, included meals are detailed in your itinerary. Drinks are not included on any tour.

Throughout your journey you'll enjoy a wonderful variety of local dishes, with occasional Western options, typically served at local restaurants. In more remote areas, menus may be simpler but no less authentic.

Q. Is tap water safe to drink?

A. We strongly recommend drinking bottled water only throughout your trip.

Q. Will my luggage be carried for me?

A. Luggage transfers from coach to hotel lobby are included on all group tours. Train station platforms are accessible via lifts and escalators, though you will need to carry your own bags on and off trains. Your National Escort will assist where possible, and local porters can be hired at most stations.

Q. What are the tour hours?

A. Tours generally start at around 8am and end shortly after your evening meal. Occasionally an earlier start is required to meet a flight departure or to visit a sight at its very best.

Q. Are there any optional excursions?

A. Our Classic tours include full days of sightseeing, so you can experience all the must-see sights and create unforgettable memories. Occasionally, when time permits, we may offer an After-Hours Experience, such as evening show, for those who want a little extra excitement. These experiences are not mandatory, will be outlined in your final documents, and can be paid for locally in cash (or mobile payment app in China).

On your Yangtze River cruise, a daily shore excursion is included, with an optional additional excursion available locally, subject to river conditions.

Q. Are there shopping opportunities on your tours?

A. China and Central Asia offer some of the world's most colourful and rewarding shopping experiences, from silk mills, spice bazaars, hand-woven carpets and intricate ceramics. We build time into our itineraries for local exploration, and your National Escort will be happy to help you find the best spots and negotiate a good price. As always, enjoy the experience and shop wisely.

Q. Who will I be travelling with?

A. Our groups are made up of like-minded travellers from the UK, Ireland, Australia and New Zealand, typically ranging in age from 40 to 65 – though passengers of all ages travel with us. What everyone has in common is a love of travel and adventure.

Q. Can I access the internet and my usual apps in China?

A. Internet access is available throughout China, though some Western apps and platforms are blocked due to government restrictions, including Google services (Gmail, Google Maps), Facebook and WhatsApp. Some travellers choose to download a VPN (Virtual Private Network) before departure to access blocked apps, though we strongly advise researching the legal implications as VPN usage is subject to Chinese government regulations. eSIM providers such as Airalo offer built-in VPN capabilities.

Health & Safety

Your health, safety and well-being on holiday are of paramount importance to us. Wendy Wu Tours is a fully insured and bonded tour operator with comprehensive public liability cover. Working closely with an independent health and safety organisation, our local partners carry out health and safety checks on accommodation, transport and excursions; and works with our destination partners and suppliers towards improving health and safety standards throughout the regions in which we operate. All travellers should be aware that safety standards vary across the different regions we visit and may not match the standards we enjoy in the UK and Ireland. In the unlikely event of a problem or emergency on tour, Wendy Wu Tours has a Crisis Management process in place to support all of our customers. We also have a dedicated 24 hour emergency support number.

Travel with purpose

For the last 25 years we've been taking groups of travellers to unique and spectacular places, and know full well how impactful, inspiring and horizon-broadening exploring the world can be. Over the years we have been building as many mutually beneficial, sustainable and responsible relationships as possible in the destinations that we visit, so they too are able to thrive.

Local Economic Empowerment

We believe travel should positively benefit the communities we visit. That's why we prioritise locally-owned restaurants, hotels, and experiences that support local businesses and create sustainable livelihoods.

When traveling with us, you help empower local artisans, entrepreneurs, guides, drivers and so many others, ensuring that tourism leaves a positive, lasting impact.

Respectful Cultural Experiences

We are committed to fostering meaningful, authentic, and respectful interactions with the communities we visit. Our tours are designed to celebrate local traditions, honour cultural heritage, and support experiences led by local experts. We encourage travellers to engage with an open mind, follow local customs, and contribute to the preservation of cultural identity in a responsible way.

Lower Impact Travel

We are reducing our environmental impact by building more rail journeys into our itineraries, and promoting low-season travel. Trains offer a greener alternative to flying, lowering carbon emissions while providing a more immersive travel experience. By promoting more departures in the low season, we also help ease pressure on popular destinations, support local economies year-round, and create a more sustainable way to explore the world.

Sustainable Tourism Education

We believe responsible travel starts with awareness. That's why we provide our travellers with practical tips on reducing their environmental impact and supporting communities in a meaningful way. Through pre-departure resources and on-tour guidance, we empower our travellers to make informed, sustainable choices that help protect the destinations we visit for future generations.

Essential Booking Information

Before you book with Wendy Wu Tours, please take a moment to read this summary along with the Detailed Tour Itinerary for your tour and our full Booking Conditions (available on our website). When you book with us it's on the understanding that you've read and understood these.

Your Financial Protection

Your holiday is in safe hands. For flight-based holidays, we hold an ATOL licence (No. 6639), issued by the Civil Aviation Authority, meaning your money is protected if anything goes wrong. You'll receive an ATOL Certificate when you book, clearly outlining exactly what's covered.

For non-flight package holidays, we're a proud member of ABTA (No. W7994), providing further peace of mind through a bond held by ABTA The Travel Association.

Book With Confidence

Your holiday also falls under the Package Travel and Linked Travel Arrangements Regulations 2018, meaning we are fully responsible for the proper performance of your entire package. In the unlikely event of insolvency, your payments are protected and – where transport is included – your safe return home is guaranteed.

Book with confidence. Your holiday is protected every step of the way.

Payment

To secure your booking, we ask for a non-refundable deposit of £350 per person. The remaining balance is due at least 75 days before departure. In some cases (for example flight upgrades) a higher deposit may be needed.

Travel Documents

For most destinations, you'll need a passport with at least 6 months' validity and two blank pages. While we assist and cover the cost of pre-arranged travel visas for UK and Irish passport holders (unless otherwise specified), you are ultimately responsible for ensuring you have the correct passport and visas to travel.

Health & Travel Insurance

Please arrange any recommended vaccinations in good time before your trip. You'll also need suitable travel insurance in place before booking.

Changing Your Booking

If you need to make changes before paying your balance, there's a £50 admin fee plus any additional costs incurred, such as non-refundable flights or cruise deposits.

Cancelling Your Booking

If you need to cancel, the following charges usually apply:

- 75+ days before departure: loss of deposit
- 42–74 days: 30%
- 28–41 days: 60%
- 15–27 days: 90%
- 14 days or less: 100%

Some parts of your trip may be non-refundable – if this is the case, we will explain it to you when you book.

If We Need to Change Your Holiday

Occasionally, we may need to make changes to your holiday. If this happens, we'll let you know as soon as possible. If it's a major change, you can choose a different holiday or receive a full refund.

Special Requests

If you have any special requirements (such as dietary needs), please let us know before booking. We'll do our best to accommodate them, though we can't guarantee every request.

Fitness & Medical Conditions

Each tour has a 'physical rating' and the activity levels are described in the tour's Detailed Tour Itinerary. It is your responsibility to check these carefully and be sure you can participate without adverse effect on the group.

Booking Conditions

You can find the full Booking Conditions on our website or via the QR code. They include important additional details, so please read them carefully before booking.
