FULLY INCLUSIVE TOURING WITH WENDY WU TOURS

At Wendy Wu Tours we believe that everything you need to enjoy the holiday of a lifetime should be included in the price of your tour.

Take a look at what's included in all of our Classic Tours.

All Your Flights

All our tour prices include return international economy class flights from London, Glasgow, Edinburgh, Newcastle, Manchester, Birmingham or Belfast, and any domestic flights you may need whilst on tour. We can also organise departures from other regional airports, often for little or no extra cost.

We only work with reputable scheduled airlines and of course all your pre-paid taxes and luggage is included in the price. We believe that your flights are an essential part of your holiday experience, and so our carefully selected airlines offer the utmost comfort, allowing you to arrive relaxed, refreshed and raring to go.

All Your Meals

On our Classic tours breakfast, lunch and dinner are included every day.

Whilst breakfasts tend to be a mixture of local eats and familiar dishes from home, when it comes to lunch and dinner, most of the time you'll be enjoying regional cuisine, often eating where the locals do.

We also include a select number of 'feature meals', so you get to taste the signature dishes of the region, whilst the rest of the time you'll eat a delicious range of your destination's best food.

You can be safe in the knowledge that your accommodation has been selected to best suit the locations you'll visit.

Our Classic tours feature hand-picked four-star properties chosen for their comfort, modern amenities and convenient location for sightseeing. We occasionally include a stay in three-star plus hotels or lodges where we feel the character or location of the property will enhance your tour.

All Your Guided Touring

On all of our group tours, you'll be accompanied throughout by one of our expert guides, known as a National Escort. Their dedication, personality and sense of fun will immediately put you at ease and make you feel part of the family.

You can place your trust in your National Escort, who will help you navigate the quirks and charm of local life with confidence and ease.

All Your Immersive Experiences

We not only take you to lesser visited places, but offer authentic experiences throughout.

Be it learning a local craft, practicing an old tradition or dining with locals, you'll get under the skin of our destinations and their cultures. Check out the Authentic Experiences box on each tour page for details.

All Your Local Transport

Most of your daily travels will be by air-conditioned coach, with plenty of space to stretch out thanks to our seat and a half per guest policy.

You'll also experience a variety of transport styles that bring each destination to life – from leisurely river cruises, cyclos, and rickshaw rides to longer journeys by comfortable flights or relaxing rail travel through picturesque landscapes.

"This was a great experience for me. It was my first solo trip for quite a long time and I wasn't sure what I would be going into. I was made to feel welcome, but also given the time and freedom on my own to do my own thing during the excursions. Overall it was a good taster of what Japan had to offer. Takae was a great guide. I'm looking forward to my next Wendy Wu trip."

PHYSICAL RATING

All our tours feature a physical rating to help you select the right holiday for you. Every tour requires the ability to walk around sights unaided, while tours with higher physical ratings may involve longer walks, cycling, or other physical activities. Tours that traverse rough terrain, visit remote areas, or go to high altitudes will also have higher physical ratings.

LEVEL 1

A reasonable level of fitness is required. Expect to be on your feet for most of the day walking around sights, often including steps and getting on and off coaches, trains, or boats. Occasional longer walks may be included.

LEVEL 2

A moderate level of fitness is required. You will be on your feet for most of the day, with longer walks that include ascents and descents on steps or uneven paths. Travelling conditions may be more challenging in some areas.

LEVEL 3

A good level of fitness is required. You need to be comfortable walking long distances and for extended durations. The tour may also include activities such as cycling and hiking and visit some remote areas with basic infrastructure.

LEVEL 4

A high level of fitness and a strong spirit of adventure are required. These tours are full of activity and often visit remote areas with basic infrastructure. Expect to be on your feet and active for much of the day, with some long travelling days.

As the physical requirements vary by tour, it's important to read the Detailed Tour Itinerary on our website before booking to ensure it's the right fit for you.

ITINERARY

DAYS 1-2: FLY OVERNIGHT TO TOKYO

Fly overnight to the vibrant, neon-bright metropolis of Tokyo, Japan's capital city. Depending on your time of arrival, the rest of the day is yours to start soaking up the local culture.

DAY 3: EXPLORE TOKYO

Tokyo is a city that is always moving forward – from the ever-changing skyline to the fashions and trends of the people who call it home. As modern as it may appear, behind the neon façade is a traditional soul that is easy to find amongst the old alleyways, temples and shrines of the Edo era. Today you will experience both sides of the city, ascending the soaring Tokyo Skytree, the tallest structure in Japan, for panoramic views, before taking a wander through the old district of Asakusa. Stop to soak up the atmosphere at Senso-ji, Tokyo's most famous

and beloved temple, and browse the stalls of Nakamise Shopping Street. You will also drive by the Imperial Palace Plaza and take a stroll through Hamarikyū Gardens. This evening, enjoy a dinner cruise on Tokyo Bay – the perfect vantage point to admire the supercharged lights of the city.

DAY 4: MOUNT FUJI

Travel by road from Tokyo to the iconic Mount Fuji, where you will ascend 2,400 metres up its slopes to the 5th Station (weather permitting) for magnificent views of both Fuji's cone and the surrounding landscapes. Drive to the spa region of Hakone, where you'll hop on a ferry across lovely Lake Ashi, keeping an eye out for the vermilion torii gates nestled in the surrounding hills. Next, take a return cable car trip to the summit of Mount Fuji (weather permitting). Stay overnight in the wider Fuji area.

DAY 5: BULLET TRAIN TO KYOTO

Transfer to Odawara Station, where the bullet train will whisk you away to Kyoto. Having served as Japan's capital for more than a thousand years, Kyoto was also a cradle of art, religion and philosophy, making it a treasure trove of history and culture. It is here that many of Japan's best-known arts, such as the tea ceremony, were born or refined. This afternoon, visit the magnificent Fushimi Inari Shrine, with its tunnel of vermilion torii gates spread over a peaceful, forested hillside.

Ride a bullet train to Kyoto

Discover the beautiful Osaka Castle

Witness the majesty of Mount Fuji

DAY 6: UNCOVER KYOTO

Begin the day with a visit to Ryoan-ji Temple, the 'temple of the peaceful dragon', and spend time enjoying the peaceful surroundings in its famous Zen garden. Next, continue to one of Japan's most photographed temples, Kinkaku-ji, also known as the 'Golden Pavilion'. Set amongst classical Japanese Zen gardens and on the edge of a reflecting pool, the temple's upper levels are covered in gold leaf – a breathtaking sight in any season. After lunch, enjoy a taste of authentic Japanese culture, experiencing the elegant ritual of a tea ceremony and trying the traditional art of calligraphy.

DAY 7: DISCOVER NARA & OSAKA

This morning, depart for Nara. Another former capital, Nara also has a huge cultural legacy, considered second only to Kyoto's. This picturesque, compact city is truly charming. Visit the beautiful Todai-ji, the huge wooden temple which houses the magnificent Daibutsu, a 15-metre-tall bronze statue of Buddha. Stroll through Nara Park, where you will also meet Nara's famous free-roaming sika deer, believed to be the messengers of the Shinto gods. These cheeky deer have learned to bow to visitors in exchange for the official 'deer crackers' sold by the park authority! Continue to Isui-en, a prime example of a 19th-century Japanese garden. Continue to Osaka and enjoy the local speciality — okonomiyaki — for lunch. This afternoon, visit the beautiful Osaka Castle before tonight's farewell dinner.

DAY 8: FLY OSAKA TO UK

Fly to the UK, arriving home the same or following day.

Meet Nara's friendly, free-roaming deer

EXTEND YOUR STAY...

Explore Hiroshima, wandering the tranquil Peace Memorial Park and tasting local favourite okonomiyaki, before crossing to the holy island of Miyajima to discover its treasures.

On select November departures, enjoy an extra-special experience: Fukuoka's annual sumo tournament!

A. Vaccination requirements often change, therefore for up to date information please refer to <https://travelhealthpro.org.uk/> countries and always seek your doctor's advice.

Q. What size are your tour groups?

A. The group size on our Classic Tours is on average around 21 passengers, with a maximum group size 28. On our Go Beyond Tours and exclusive Solo Departures the average group size is around 14 and the maximum is 18. You may meet other tour groups travelling concurrently. On our group tours we operate a seat-and-a-half policy, allowing you to travel in greater comfort.

Q. Do you run guaranteed departures?

A. Group tours are guaranteed to run subject to a minimum of 8 passengers. A National Escort will accompany each group of 10 or more. We will endeavour to run groups of a smaller size if viable to do so.

Q. As a single traveller, will I have to pay a single supplement?

A. We offer several options for single travellers joining our tours. The first is to book onto one of our Solo Departures, which are reserved exclusively for solo travellers and have single occupancy of a double room built into the tour price (plus free access to an airport lounge and a welcome cocktail on arrival) or, if you prefer, you can pay the single room supplement on a regular departure and have a private room reserved for you. Another possibility is to choose our 'Happy to Share' option where, if we can find you a share partner of the same gender, your Single Supplement will be removed from your booking. We regret that Happy to Share requests cannot be accepted within 75 days of departure.

Q. Is portage included?

A. No, portage is not included on our tours and you will be expected to carry your own luggage. This will apply during transfers and at hotels.

Q. What is the maximum luggage allowance on your tours?

A. We request that you do not exceed 20kgs of checked baggage on your international flights as many of the domestic travel arrangements within Japan have a luggage allowance of only 20kgs.

Q. What currency should I take?

A. We recommend you take the local currency Japanese Yen and a credit/debit card. We do not recommend travellers cheques. Please ensure you have sufficient funds to pay for personal expenses such as drinks, snacks, souvenirs and optional extras.

Q. When is the best time to visit Japan?

A. Japan is a year-round destination. While spring and autumn are the most popular months to visit, many people enjoy tours at other times of the year when there are fewer tourists. See page 99. Many people travel to Japan in cherry blossom season. Please bear in mind that seeing the cherry blossoms cannot be guaranteed as the season can vary from year to year. Very roughly the season for Tokyo and Kyoto is from the last week of March to the first two weeks of April – further south it begins earlier, further north it's a bit later. This is a very popular time of the year to visit so expect tourist attractions to be busy and that some queuing may be required.

Q. When are Japanese public holidays?

A. Japan's 'Golden Week' public holidays fall annually at the end of April/beginning of May. Celebrations last for several days and during this time some businesses will be closed. Tour attractions will be open, but may be crowded.

Q. What does escorted touring mean?

A. Every group tour which has 10 or more passengers travelling will be accompanied by a National Escort from when you arrive, to when you depart. On multi-country tours, different national escorts are used in each country. In the unlikely event that your group is less than 10 you will be accompanied by local guides in each location. Our optional extensions are not accompanied by a National Escort; however you will have the benefit of our knowledgeable local guides. Transfers and flights to and from optional extension destinations are not escorted. Private tours are not accompanied by a National Escort, but will be accompanied by knowledgeable local guides in each location.

WHILE ON TOUR

Q. What sort of vehicles do you use?

Air: Internal flights are based on economy class, with reputable airlines.

Road: Coaches with air conditioning are used on our group tours for city sightseeing, short excursions to the countryside and longer transfers where necessary. On our private tours, we use air-conditioned vehicles suitable for the size of the party.

Rail: Bullet trains and high speed trains are used on some tours. There is limited space to store luggage but alternative options are available, such as a luggage transfer service (at your own expense on private tours). While our guides may be there to assist, you will need to load and unload your own luggage on and off the trains. Seats onboard are booked in second class, comfortable, and carriages have western-style facilities.

River: Ships or boats are used on tours which have a cruising element. To undertake these excursions, you will need to be capable of boarding and disembarking from these boats, sometimes without assistance and/or handrails.

Public Transport: In big cities such as Tokyo, it may be necessary to make use of the excellent public transport systems during your sightseeing excursions. As well as being quicker and more convenient, it gives you a far more local experience. Escorted travel on public transport is mainly used on private tours.

Q. How do airport transfers work in Japan?

A. Airport transfers work in a different way in Japan compared to our other destinations. You will be met on arrival at the airport by an English-speaking assistant who will provide instructions for you to make your own way to your hotel using the direct airport bus. Please note the bus will be shared with other passengers and is not just for Wendy Wu Tours clients.

If your hotel is more than a 5-minute walk from the drop-off bus stop, a taxi will be arranged for you prior to leaving the airport to meet you at the drop-off bus stop.

Q. Is there a dress code on your tours?

A. Our dress code is very relaxed; however, please note that clothing covering the arms and legs is more appropriate when visiting religious buildings.

Q. Are meals included?

A. All meals (excluding beverages) are included in our group tours except where stated. Please note that in remote areas, meals may be simple and choices limited. Meals included in Private Tours are stated in the itinerary and include several free evenings, offering flexibility for those who wish to explore local restaurants. If you book a fully inclusive Classic Tour your first meal will be dinner on the day of arrival and will end with breakfast on the normal day of departure. Any additional meals will be at your own expense and no refund will be

made for any meals missed. You will sample a range of local cuisine with occasional western meals, and meals are usually taken at local restaurants.

Q. Is tap water safe to drink?

A. The tap water across Japan is safe to drink, though you may prefer bottled water as you may not appreciate the taste.

Q. Are there any optional excursions?

A. From time to time your National Escort or local guide may suggest optional sightseeing in addition to the standard sightseeing planned, depending on local conditions. Such options are at an additional cost. This is paid in cash (local currency) to the guide on the day of the optional excursion – just ask your guide if you need to visit a cash machine before touring for that day commences.

Q. Are there shopping opportunities on your tours?

A. Japan has an array of shopping opportunities for those who love to seek out a bargain. We encourage all passengers to enjoy their local shopping expeditions but to take care and be wise when purchasing.

Q. Can special requests be arranged?

A. If you have any special requests such as dietary requirements, or if you wish to celebrate an event, please notify us at the time of booking and we will do everything possible to ensure your requests are met. Please note that special requests cannot be guaranteed.

Q. What is the flying time to Japan?

A. Approx. 14 hours (if flying direct). Many of our customers fly indirect to Japan using a reputable international airline (e.g. Emirates, Cathay Pacific) Please speak to your travel consultant about stopover options.

Q. Do you allow children on your tours?

A. We allow children 12 years and over on our group tours. Alternatively, our Private Tours (see our website) offer greater flexibility whilst on tour and are suitable for any age.

Q. Will I be travelling with passengers from other countries?

A. Our groups are generally made up of travellers from the UK, Australia and New Zealand. Occasionally we are joined by English speaking passengers from other countries.

Q. What is the average age on your group tours?

A. The average age range is 40-65. Younger and older passengers travel with us too.

Q. What hours of the day do your tours operate?

A. They generally start about 8am and end shortly after your evening meal. Occasionally earlier starts are required to meet flight/train departures or to visit sights at the best time of day.

Q. Is tipping compulsory?

A. Tipping is not traditionally part of Japanese culture, but is becoming increasingly commonplace. If you would like to show your appreciation, you can do so in local currency at the end of the tour.

Q. Can you guarantee I will see snow monkeys?

A. On tours including Yudanaka, every effort will be made to observe the Japanese macaques. Please keep in mind that the snow monkeys are wild, not domestic animals and sighting them is never guaranteed, particularly during the breeding season which runs from late September through to November.

For information about South Korea, Taiwan and China, please visit our website and view each tour's detailed itinerary.

Health & Safety

Your health, safety and well-being on holiday are of paramount importance to us. Wendy Wu Tours is a fully insured and bonded tour operator with comprehensive public liability cover. Working closely with an independent health and safety organisation, our local partners carry out health and safety checks on accommodation, transport and excursions; and works with our destination partners and suppliers towards improving health and safety standards throughout the regions in which we operate. All travellers should be aware that safety standards vary across the different regions we visit and may not match the standards we enjoy in the UK. In the unlikely event of a problem or emergency on tour, Wendy Wu Tours has a crisis management process in place to support all of our customers. We also have a dedicated 24 hour emergency support number.

Travel with purpose

For the last 25 years we've been taking groups of travellers to unique and spectacular places, and know full well how impactful, inspiring and horizon-broadening exploring the world can be. Over the years we have been building as many mutually beneficial, sustainable and responsible relationships as possible in the destinations that we visit, so they too are able to thrive.

Local Economic Empowerment

We believe travel should positively benefit the communities we visit. That's why we prioritise locally-owned restaurants, hotels, and experiences that support local businesses and create sustainable livelihoods.

When traveling with us, you help empower local artisans, entrepreneurs, guides, drivers and so many others, ensuring that tourism leaves a positive, lasting impact.

Respectful Cultural Experiences

We are committed to fostering meaningful, authentic, and respectful interactions with the communities we visit. Our tours are designed to celebrate local traditions, honour cultural heritage, and support experiences led by local experts. We encourage travellers to engage with an open mind, follow local customs, and contribute to the preservation of cultural identity in a responsible way.

Lower Impact Travel

We are reducing our environmental impact by building more rail journeys into our itineraries, and promoting low-season travel. Trains offer a greener alternative to flying, lowering carbon emissions while providing a more immersive travel experience. By promoting more departures in the low season, we also help ease pressure on popular destinations, support local economies year-round, and create a more sustainable way to explore the world.

Sustainable Tourism Education

We believe responsible travel starts with awareness. That's why we provide our travellers with practical tips on reducing their environmental impact and supporting communities in a meaningful way. Through pre-departure resources and on-tour guidance, we empower our travellers to make informed, sustainable choices that help protect the destinations we visit for future generations.

To secure your booking, we ask for a non-refundable deposit of £350 per person. The remaining balance is due at least 75 days before departure. In some cases (for example flight upgrades) a higher deposit may be needed.

Travel Documents

For most destinations, you'll need a passport with at least 6 months' validity and two blank pages. While we assist and cover the cost of pre-arranged travel visas for UK and Irish passport holders (unless otherwise specified), you are ultimately responsible for ensuring you have the correct passport and visas to travel.

Health & Travel Insurance

Please arrange any recommended vaccinations in good time before your trip. You'll also need suitable travel insurance in place before booking.

Changing Your Booking

If you need to make changes before paying your balance, there's a £50 admin fee plus any additional costs incurred, such as non-refundable flights or cruise deposits.

Cancelling Your Booking

If you need to cancel, the following charges usually apply:

- 14 days or less: 100%

Some parts of your trip may be non-refundable – if this is the case, we will explain it to you when you book.

If We Need to Change Your Holiday

Occasionally, we may need to make changes to your holiday. If this happens, we'll let you know as soon as possible. If it's a major change, you can choose a different holiday or receive a full refund.

Special Requests

If you have any special requirements (such as dietary needs), please let us know before booking. We'll do our best to accommodate them, though we can't guarantee every request.

Each tour has a 'physical rating' and the activity levels are described in the tour's Detailed Tour Itinerary. It is your responsibility to check these carefully and be sure you can participate without adverse effect on the group.
