We are delighted to present our brand new Japan brochure, featuring the very best selection of carefully crafted tours, designed to make your trip to Japan a truly life enhancing, memory making and unforgettable experience.

After such a prolonged period of the world being closed, where you haven’t been able to experience the joy of travel, at Wendy Wu Tours we have continued to work hard, always striving to improve our tours, squeezing in extra excitement, and unique and authentic experiences for you wherever we can. The delights of Cherry Blossom and the riotous colours of the Autumn leaves, hidden from us all for two years, we believe will become a reality again in 2022 and 2023.

All our tours are led by an experienced National Escort, born and raised in Japan, who will share with you their in-depth and intimate knowledge of this uniquely fascinating country. They’ll take care of you every step of the way so all you have to do is relax and enjoy the journey.

For our most popular tour, Japan Uncovered – the ultimate tour of Japan – and our 21-day Japan by Rail tour, we strongly recommend early booking as many 2022 departures are almost fully booked and 2023 dates are filling fast. We are also delighted to be taking bookings for your 2024 Japan holiday if you want to plan further ahead. You may also want to consider two other remarkable destinations – Scenic South Korea and Treasures of Taiwan, plus the chance to combine Japan with its equally inspiring neighbour, China.

We look forward to welcoming you on a Wendy Wu tour soon!

Our Classic tours feature comfortable, locally rated 3 star plus to 4 star properties, ranging from smart business hotels to family-run guesthouses. SOLO DEPARTURES
Solo travellers are more than welcome on any of our holidays, but we’ve reserved a few departures of our most popular tours exclusively for customers travelling on their own. These special departures feature smaller group sizes, free chauffeur transfers to and from the airport, free airport lounges and complimentary cocktails on arrival! See tours: A Week in Japan (p.18), Jewels of Japan (p.22), Discover Japan (p.24) and Japan Uncovered (p.30) in this brochure or check our website at www.wendywutours.co.uk for more information.

TOUR PACE
Many of our tours are busy, but that’s because we want to make sure you don’t miss a single thing. Packing your holiday full of special experiences means some early starts and long days, but you can be sure that you’ll return home with many incredible memories! Read our Tour Dossiers and check the Physical Ratings to see if the pace and activity levels are right for you.

CUSTOMISE YOUR TRIP
If you’d like to explore your destination further or arrange a stopover on your flight all you have to do is ask! We have a fantastic range of extension and stopover packages (see page 48) or, if you’re looking for something a bit different, our knowledgeable team of experts can help you customise your very own extension to any tour in this brochure.

PHYSICAL RATING

All our tours feature a physical rating to help you select the right holiday for you. Every one of our tours require the ability to walk around sights unaided, whilst more active tours involve longer walks, cycling and other physical activities. Tours at altitude will have a higher physical rating. For more information on why each tour has been rated the way it has, have a look at the ‘Detailed Tour Dossier’ available to download on the tour page of our website.

LEVEL 1
A reasonable level of fitness is required but it’s more about spending time on your feet rather than covering large distances. You’ll be getting on and off coaches and boats, walking around the sights and climbing some steps.

LEVEL 2
Involves a little more time on your feet than a Level 1 tour and may involve more steps and/or walking.

LEVEL 3
A good level of fitness is required as you need to be comfortable walking for 2-3 hours and covering longer distances. Other activities such as cycling will be at a gentle pace and will involve straightforward terrain.

LEVEL 4
Similar physical activities to Level 3 but they may be longer in duration or on slightly more challenging terrain.

LEVEL 5
You’ll need to be fit and adventurous to participate in these tours as on some days you will be active for most of the day. The terrain may be more challenging and the activities more physically demanding.

Japan for all seasons

Japan is a country that can be enjoyed year round; here is our guide to what is happening when, to help you decide what time of year you’d like to experience it.

CHERRY BLOSSOM SEASON

For centuries the cherry blossoms have been an inspiration for poetry writing and painting pictures amongst the Japanese, they even have a dedicated word for going out to fields and parks to appreciate it - ‘hanami’ which literally translates as ‘looking at flowers’. When you gaze on the sea of soft pink flowers it’s easy to see why locals and many international visitors are so enamoured. Starting in late January in the sub-tropical south, the blossoms sweep up the country, reaching Tokyo and Kyoto in the first two weeks of April, though this can vary due to the weather. In the two weeks after they first bloom, locals and visitors alike stroll, sit and picnic beneath the laden boughs, but we particularly like to enjoy them lit up by lanterns at twilight. Cherry blossom season is extremely popular and our tours often sell out a long way in advance. If you want to travel during this period, make sure you book early!

SUN AND SNOW

Japan’s summer, June to August, may be hot and humid but it is the season for festivals and fireworks. Enjoy impromptu celebrations or escape to the mountains to find the cooler climes and maybe do some hiking – this is also the only time of year that you are able to climb Mount Fuji.

In the winter, outside the cities, the country becomes a snow-covered wonderland. Vibrant ski resorts spring into action, ice festivals take place (Sapporo’s is the world’s biggest) and the Japanese macaques earn their snow monkey moniker. Oh, and there is nothing better than the glorious warm waters of an onsen on a cold winter’s day!

AUTUMN LEAVES

Japan’s deep and rich autumn colours travel the opposite way to the cherry blossom, starting in the very north in September and moving southwards, reaching their peak in Tokyo, Kyoto and the surrounding areas from mid-October. In the parks and temple gardens of the cities, the leaves of the multitude of maple and gingko trees turn vibrant shades of red, yellow and orange; if you are travelling into the Japanese Alps, you’re in for an even more spectacular sight.

You'll also stop by Senso-ji Temple - Tokyo's oldest, and stroll along Nakamise shopping street. In the afternoon, explore the Tokyo National Museum. TAILORMADE JAPAN
The very best of Japan, exactly the way you want it

WHAT IS A TAILORMADE HOLIDAY?
Quite simply, a tailormade holiday is a journey designed and created especially for you. There’s no one-size-fits-all when it comes to travel so tailormade holidays are the perfect opportunity for travellers looking to embark on that once-in-a-lifetime adventure or epic honeymoon, for people who want to indulge their special interest, or for those who simply want to do things their own way.

WHY TRAVEL TAILORMADE?
You’re completely in control of the what, where and when. You can choose the pace, where to linger longer, where to pass through and where to bypass completely. The hotels (from comfortable to all out luxury), what and where you eat, the number of nights, when you depart, the sort of experiences that you’ll have, is all up to you too.

WHY GO TAILORMADE WITH WENDY WU?
We’ve long prided ourselves on our abilities to make extraordinary tours, so it goes without saying that we’re also pretty good at putting together tailormade ones. Our team of Personal Travel Specialists, who are wonderfully well-travelled and expert travel planners, are on-hand to advise and recommend – just let them know what you’re after and they’ll do the rest. With a wide range of accommodation options, private guiding when you want it and exceptional knowledge of local flavours and the most authentic local experiences, we’ve got you covered.

How does it work?
It’s really so simple – just follow the steps below:

1: Research
Do some research to decide where you want to go – it could be one, two or even more countries! Think about when you’d like to go, how long for and what your budget may be. For inspiration, you can always have a look at our website, or have a flick through our brochure and see not only the showstopping sights on offer, but the exciting and unusual experiences too.

2: Call us
Give us a call or fill in a quote request form on our website and we’ll call you! Together we’ll go through all your thoughts and ideas, making recommendations here and advice there. Also, don’t forget to mention if you have any specialist interests – you can’t live without your regular game of golf or have a penchant for migratory birds – these are the little details we can use to make the holiday extra special.

3: Sit back
Sit back, relax and leave it with us. We’ll create you an itinerary that combines all your ideas and come back to you with a proposed itinerary and quote in no time.

4: Perfect it
Tweak it, switch it around, change a hotel here, a meal there – you can make all the adjustments you need to make your trip exactly what you’re after. You can do this as many times as you like and take as much time as you need, we are extremely flexible and always happy to help.

5: Book it!
When your adventure has reached that ultimate level of perfection and includes everything that you want and need, it’s time to book! Call your tailormade consultant, say the word and they will do the rest. Other than a visa form or two, all there is left to do is think about what to pack and get excited!

“We are writing to say a very big thank you for giving us a wonderful tailormade holiday. We were so impressed by how well organised the whole trip was, with reps on hand to meet us at each new destination, local guides for every city who were very informative, and a brilliant driver who looked after us so well during the entire tour.”

Your Japan questions answered

A selection of our most frequently asked questions.

BEFORE YOU TRAVEL

Q. Do I need travel insurance?
A. Your protection and safety are our main priority. That's why having adequate travel insurance is a condition of booking with us for all the destinations you plan to travel. Your travel insurance policy must include full cover for COVID-19 both before and during your tour.

Q. What vaccinations do I need?
A. Vaccination requirements often change, therefore for up to date information please refer to www.fitfortravel.nhs.uk and always seek your doctor's advice. You may also need to comply with local requirements to be vaccinated for COVID-19 or to undertake COVID-19 tests.

Q. What size are your tour groups?
A. The group size on our Classic Tours is on average around 21 passengers, with a maximum group size 26. On our Go Beyond Tours and exclusive Solo Departures the average group size is around 14 and the maximum is 18. You may meet other tour groups travelling concurrently. On our group tours we operate a seat-and-a-half policy, allowing you to travel in greater comfort.

Q. Do you run guaranteed departures?
A. On each tour, we have the right to cancel the tour if we are unable to reach the minimum number of passengers. If this occurs, you will be refunded in full, or alternatively you can choose to join another tour at an additional cost. If your tour goes ahead despite this, you will have the benefit of an escort; however you will have the benefit of a local guide in each location. Our optional excursions are not accompanied by a National Escort, however you will have the benefit of our knowledgeable local guides. Transfers and flights to and from optional excursions are not accompanied by a National Escort, but will be accompanied by knowledgeable local guides in each location.

Q. Are meals included?
A. All meals (excluding beverages) are included in our group tours except where stated. Be sure to note that in remote areas, meals may be simple and choices limited. Meals included in Private Tours are stated in the itinerary and include several free evenings, offering flexibility for those who wish to explore local restaurants. If you book a fully inclusive Classic Tour your first meal will be dinner at the airport of arrival and will end with breakfast on the morning of your departure. Any additional meals will be at your own expense and no refund will be made for meals missed. You will sample a range of local cuisine with occasional western meals, and meals are usually taken at local restaurants.

Q. What is the maximum luggage allowance on your tours?
A. If your tour includes internal flights your main suitcase or backpack must not exceed 15kg and your hand luggage must not exceed 5kg as this is the maximum allowance on internal flights. If there are no internal flights on your tour then your allowance is the international flight limit.

Q. What currency should I take?
A. We recommend you take the local currency.

Q. What sort of vehicles do you use?
A. Internal flights are all taken on scheduled airlines, within the economy class, with reputable airlines. Roads: Coaches with air conditioning are used on our group tours for city sightseeing, short excursions to private houses or shorter transfers where necessary. On our private tours, we use air-conditioned vehicles suitable for the size of the party.

Rail: Bullet trains and high speed trains are used on some tours. There is limited space to store luggage when using this option. Options are available, such as a luggage transfer service (at your own expense on private tours). While our guides may be there to assist, you will need to load and unload your own luggage and on and off the trains. Luggage be booked in second class, comfortable, and have carriages with seat-belts.

River: Ships or boats are used on tours which have a cruising element. To undertake these excursions, you will need to be capable of boarding and disembarking from these boats, sometimes without assistance and/or handrails.

Public Transport: In big cities such as Tokyo, it may be necessary to make use of the excellent public transport systems during sightseeing excursions. As well as being quicker and cheaper, this option gives you a far more local experience. Escorted travel on public transport is mainly used on private tours.

Q. Do you allow children on your tours?
A. We allow children 12 years and over on our group tours. Alternatively, our Private Tours (see our website) offer greater flexibility whilst on tour and are suitable for any age.

Q. How do airport transfers work in Japan?
A. Airport transfers work in a different way in Japan compared to our other destinations. Unless otherwise stated, when you arrive and arrive at the airport you will be met by a national escort who will assist you to your mode of transport and/or handrails.

Q. What vaccinations do I need?
A. Japan has an array of shopping opportunities for those who love to seek out a bargain. We encourage all passengers to enjoy their local shopping expeditions but to take care and be wise when purchasing.

Q. Can special requests be arranged?
A. If you have any special requests such as dietary requirements, or if you wish to celebrate an event, please let us know as the time of booking and we will do everything possible to ensure your requests are met. Please note that special requests cannot be guaranteed.

Q. Where are the shopping opportunities on your tours?
A. Japan is on a year-round destination. While autumn and spring are the most popular months to visit, many people enjoy tours at other times of the year when there are fewer tourists. See pages 14-15. Many people travel to Japan in cherry blossom season. Please bear in mind that seeing the cherry blossoms can be quite variable from year to year. Very roughly the season is from late March to the first two weeks of April – further south it begins earlier, further north it’s a bit later. This is a very good reason to visit to see expected tourist attractions to be busy and that some queuing may be required.

Q. When are Japanese public holidays?
A. A. Japan’s Golden Week public holiday, falls annually at the end of April/beginning of May. Celebrations last for several days and during this period businesses will be closed. Tour attractions will be open, but may be crowded.

A. Every group tour which has 10 or more passengers will be accompanied by a National Escort from when you arrive to when you depart. On multi-country tours, different national escorts are used in each country. In the unlikely event that your group is less than 10 you will be accompanied by local guides in each location. Q. Do you allow children on your tours?
A. We allow children 12 years and over on our group tours. Alternatively, our Private Tours (see our website) offer greater flexibility whilst on tour and are suitable for any age.

A. Our groups are generally made up of travellers from the UK, Australia and New Zealand. Occasionally we are joined by English speaking passengers from other countries.

Q. What is the average age on your group tours?
A. The average age is 40-65. Younger and older passengers travel with us too.

Q. When do all the tourists operate?
A. They generally start about 8am and end shortly after your evening meal. Occasionally earlier starts are required to meet flight departures or to visit sights at the best time of day.

Q. Is tipping compulsory?
A. Tipping is not part of the culture in Japan and therefore is not required during our tours in Japan, but if you would like to show your appreciation, you can do so in local currency.
