THE WENDY WU TOURS DIFFERENCE

10 reasons why you should choose Wendy Wu Tours

1 No one knows Southeast Asia like we do

All of our staff have travelled extensively throughout Southeast Asia and can provide you with detailed information about our itineraries and touring styles, and will help personalise your holiday. We are proud to be known as the UK's specialist operator to Asia, and have been building our global reputation since 1998, one satisfied customer at a time.

3 Industry-Leading National Escorts

All of our group tours are accompanied from beginning to end by a dedicated, knowledgeable National Escort and local guides with particular expertise in each location. Our experienced teams in Asia ensure that Wendy Wu Tours has a reliable presence on which you can always depend. We regularly receive letters that sing the praises of our team in Southeast Asia, their knowledge, warmth, supportive nature, passion and gentle humour is something we are genuinely very proud of.

4 We Love Solo Travellers

Our group tours are a great opportunity to share your experiences with like-minded people. We welcome plenty of solo travellers on our tours, and receive great feedback from them about the friendly and sociable atmosphere of our groups. Even better, if you are a single traveller and are willing to share a room, you won't have to pay a single supplement.

2 Authentic Experiences

Our extensive experience and local expertise means we can take you to places rarely visited and those you have always dreamed of exploring. We have been blazing trails into this ever-developing region for 18 years, and pride ourselves in delivering authentically Asian experiences. On our tours, you will have the opportunity to experience and try your hand at ancient crafts and traditions; and there will be endless opportunities to meet local people and see a lifestyle so different from your own.

We continue to redefine travel to Asia, and are proud to offer the widest variety of tours on the market.

5 Hand-Picked Hotels

Over 18 years of taking people to Asia means we know exactly where to stay. We have superb relationships with our hotel partners in the region, meaning our groups are always prioritised and well looked after. We inspect our hotels regularly to ensure that they reach our high standards of cleanliness, safety and comfort. We pick

the right hotel for the specific destination, meaning your accommodation can range from a smart business hotel in one city to a family run guesthouse in a smaller town. Wherever you are staying you will have a peaceful and comfortable night's sleep in preparation for the next day's adventures. See page 106.

6 Unrivalled Airline Choice

Unlike other operators we have access to airfares from all the leading airlines, giving you a huge choice of flights which are convenient for where you live, offering stopovers where you want and the upgrades you require. See page 104.

7 Travel in Comfort

The transport selected as part of your tour is intended to combine convenience and comfort with an enjoyably authentic travel experience. You will benefit from our seat-and-a-half policy on our coaches, allowing you to watch incredible scenery in comfort. Our Group Tours are predominantly conducted using air-conditioned coaches, internal flights, trains and various types of boat. See page 109.

8 Tipping Made Easy

We handle the tipping so you don't have to. We have a simple tipping system whereby all Group Tour passengers contribute to a kitty, paid to the National Escort, who then distributes it throughout the trip. Tipping is not included on any of our Private Tours, Stopovers or Extensions, but we will suggest appropriate amounts. See page 110.

9 Regional Flavour

Meals included in our tours are planned to give you a genuine taste of the regions we visit. We make sure that the food on our tours is safe, fresh, features minimal spice and includes plenty of vegetables. Breakfast is a combination of local and western food, usually served buffet style at the hotel you are staying in. Lunches and dinners consist of traditional cuisine and are served at reputable local restaurants. Highlights may include mild green coconut curry in Thailand, fresh and zingy Vietnamese salads, and Laap – spicy marinated meat or fish in Laos.

Also visit the Reunification Palace; and the chilling War Remnants Museum where the brutality of the war and its victims are well-documented. Finish up by browsing through the lively Ben Thanh Market.

Continuing on, stop for photos at Karaweik Hall, a glittering barge palace floating on Kandawgyi Lake, and stroll through Bogyoke Market. Finally, explore Shwedagon Pagoda. Purported to have four relics of former Buddhas enshrined within, the pagoda is Burma's most sacred Buddhist site. The complex's huge golden stupa dominates the city's skyline. (B,L)

Day 4: Irrawaddy Cruise

Transfer to the airport and fly to Mandalay where, on arrival, you will board your river cruise vessel on which you will spend the next seven nights. The boat, built in Rangoon, is designed to reflect a golden age of colonial grandeur and features well-appointed

cabins, excellent service and a relaxing spa. Sip on a welcome cocktail and take in your new surroundings before settling down to dinner served in the bistro-style dining room. (B,L,D)

Day 5: Mingun

Wake up to ever-changing river bank surroundings and take a leisurely breakfast outside on the deck to admire the passing views. Enjoy a morning walking tour of the village of Mingun, home to what would have been, had it been completed, Burma's largest temple – the Mingun Pagoda. Though incomplete, it is still a monumental structure – 50 metres tall, 72 metres wide and constructed entirely of brick. You'll also see the huge Mingun Bell and the Mingun Old People's Home. (B,L,D)

Day 6: Kyauk Myoung

Leave the ship to visit the river port of Pakokku. Hop on board a tuk tuk to explore the centre of this interesting and friendly town before a relaxed stroll through the local market. (B,L,D)

Day 10: Bagan

Arrive in enchanting Bagan. More than 2,000 Buddhist structures of all shapes and sizes strewn across a vast plain offer one of Burma's most evocative and well known sights. The majority of the temples were built in the 11th and 12th centuries when Bagan was the centre of a powerful kingdom – it is said that at that time there were more than 13,000 temples on the plains. Spend the day exploring some of the temples' cool interiors. They are all individual, from imposing to graceful and intricate to simple – there is plenty to see. There will also be a visit to a lacquer

workshop so you can see the process behind this traditional craft of the region. (B,L,D)

Not only will you learn more about the sights and culture but will get the inside knowledge on local life. And we only use the best guides, the ones who are both passionate and knowledgeable about their country and have a desire to share it.

3 LOCAL FLAVOURS

Asia is home to a wealth of different people and cultures, each offering their own characteristic and delicious cuisines. Tasting the local food is a way of getting to the heart of a culture, so we include regional specialities to our itineraries, Pho in Vietnam for example, but we also leave you plenty of space to get out and discover the most flavourful offerings for yourself.

5 DO SOMETHING DIFFERENT

Learning, seeing and experiencing are all part of travel – immersing yourself in a new culture and different way of life is one of its greatest perks. By tailormaking your trip you can take this a step farther and do something a bit different – explore Angkor by tuk tuk, take a Vietnamese cooking class, experience ballooning over Bagan or go zip-lining with the monkeys in Laos - these are just a few of your many options.

FOR ALL THE FAMILY

Just because you are a family, it doesn't mean it is just beach holidays and camping on your horizon; there is a whole world of experiences out there for you all to share. Southeast Asia is the perfect place to encounter together – whether your kids are 5 or 15, it is easy to have a seriously fun adventure.

These are just a few of the many fun experiences that Wendy Wu Tours can offer the whole family:

MAE KLONG MARKET, BANGKOK

A bizarre but exciting experience, Mae Klong Market is entertaining for all the family. Whether you enjoy browsing the products on sale (which include fresh local produce, snacks, clothes and flowers) or not, no one can help but be intrigued when the train whistle sounds and the stall holders make a well-practiced mad dash to get their awnings and wares out of the way.

ELEPHANT NATURE PARK

Run by the Save the Elephant Foundation, this nature park provides a sanctuary for elephants rescued from street begging, logging and tourism. On a visit here you can interact with the elephants by helping feed and bathe them, and walking with them through the jungle. There is no better place to learn about the plight of the Asian elephant and what we can do to make a difference.

ERAWAN NATIONAL PARK

Close to the fascinating city of Kanchanaburi, known for the infamous bridge over the River Kwai, Erawan National Park is a particularly spectacular slice of nature. Within, a seven-tiered waterfall tumbles through the jungle – you can swim in its unbelievably blue waters at every level; one even has a natural slide and most have nibbling fish. There are also plenty of monkeys to spot.

KAYAKING, TONLE SAP

This huge expanse of water shows a completely different side of Siem Reap, away from the showpiece Angkor temples. Paddling out on the water you may see the communities who live in floating villages, fishermen going about their work and even the incredibly biodiverse mangrove forests that line the lake's edges – a beautiful and educational experience for all.

Southeast Asia's epic landscapes offer nothing but excitement. Here, it's easy to get the heart pumping with a range of action-packed expeditions; whether it's land, air or water, your adrenaline rush of choice can be catered for, usually in a destination that also provides a splash of culture and spectacular nature too.

These are just a few of the many adventure experiences that Wendy Wu Tours can offer:

TREKKING, SAPA

As you trek through Sapa's verdant landscapes, skirting the edge of spectacular rice paddies and soaking up the mesmerising mountain views, you'd be forgiven for thinking yourself in paradise. Whether you are looking to purely enjoy the scenery or visit the ethnic minority hill tribes of the area, Sapa is the sort of place where adventure and discovery are always just a few steps away.

ZIP-LINING, CHAMPASAK

Zoom through the treetops, around steep gorges and past rushing waterfalls in an exhilarating aerial adventure. In the southern Laos province of Champasak, spend two or three days exploring the incredible nature in an eco-friendly way, hiking through coffee plantations and vegetable gardens, meeting local people and zip-lining from point to point inbetween.

KAYAKING, VANG VIENG

Being out on the water of the Nam Song River is the perfect way to explore the breathtaking scenery around the town of Vang Vieng. Whether you want to kayak for an hour or a full day, you'll pass under the gaze of rugged karst pinnacles and through lush countryside. You may even be able to explore some of the area's many caves and take a dip in the river.

QUAD BIKING, SIEM REAP

Drive along the unexplored back roads of Siem Reap, passing paddy fields and bountiful, beautiful scenery, waving at the local people as you go. A fantastic way to catch a glimpse of a different side of Cambodia's temple capital, you'll get to see how the people really live; explore all day or just buzz out of town for sunset in a unforgettably tranquil, rural location.

FOR THE NATURE LOVER

Southeast Asia has a wealth of unique wildlife and landscapes to inspire the nature-lover. From elephants to orangutans, and a huge range of habitats, this is the place to find nature with the wow-factor. Whether you like nature reserves and national parks, or to strike out into the wilderness there is plenty to be discovered.

These are just a few of the many nature experiences that Wendy Wu Tours can offer:

BORNEO SUN BEAR CONSERVATION CENTRE

Located at the famous Sepilok Orangutan Rehabilitation Centre, the Borneo Sun Bear Conservation Centre works to rescue and rehabilitate the world's smallest bear, and to educate on their plight. At the centre you can see these beautiful creatures climbing trees and lazing about as they are rehabilitated to go back to the wild, where they belong.

MULU NATIONAL PARK

A UNESCO World Heritage Site, Mulu National Park is home to the world's largest limestone cave system. Amongst many, there are four incredible 'show' caves to visit and, as with most of Borneo's national parks, the flora and fauna here is simply vast - make sure you stay until sunset to see the mass exodus of bats leaving Deer Cave for their nightly activities.

Why not enjoy these experiences on the following itinerary that includes:

- **Days 1-2:** Depart UK and arrive in Sabah
- **Days 3-5:** Kota Kinabalu: beaches, Kinabalu National Park
- **Days 6-10:** Sandakan: Sun Bear Centre, Sepilok, Kinabatangan River
- **Days 11-12:** Marudi: Mulu National Park

KINABATANGAN RIVER

Sabah's longest river, the Kinabatangan flows its way through a breathtaking section of virgin rainforest. A cruise on the river gives you the opportunity not only to experience some of Borneo's untouched habitats in a network of lakes, mangroves and swamps, but to spot all sorts of native fauna, from hornbills to orangutans to pygmy elephants.

SEMENGGOH WILDLIFE CENTRE

Semenggoh is a nature reserve that provides a home to orangutans that have been orphaned or rescued from captivity. Still reasonably wild, you may be able to spot the residents as you wander along the lovely park trails that wind through lush primary rainforest. If not, the orangutans usually swing by the hour-long feedings that happen twice daily.

- **Days 13-16:** Kuching: Semenggoh, Sarawak Cultural Village
- **Days 17-19:** Singapore: Botanical Gardens, Chinatown
- **Day 20:** Depart Singapore for UK

Guide Price: £4,300 per person
(based on two sharing a twin room)

FOR THE SEASIDER

You can't really help but love the seaside, but when you are faced with the golden, palm-fringed beaches and azure waters of Thailand's Andaman Sea it's a whole other story. Whether you prefer to be on the water or under it, to stay in rustic or luxury villas, Thailand has everything that a seaside lover could ever wish for.

These are just a few of the many seaside experiences that Wendy Wu Tours can offer:

DIVING, KOH LANTA

Many of Thailand's islands have fantastic diving, and you can go to any of them, but we have chosen Koh Lanta because from here you can dive at Hin Daeng and Hin Muang, where there are opportunities to see sharks, manta rays and even whale sharks, all top of many a diver's wishlist, as well as beautiful, protected coral reefs for beginners.

NAKAMANDA, KRABI

Set amongst mangrove forests and plantations, the tranquil Nakamanda is on the beautiful Klong Muang Beach, set in a private cove. This boutique resort seamlessly blends contemporary and traditional design; its private villas, ranged around the lush hillside, boast an elegant tropical Thai style. There are also panoramic views over Krabi's dramatic scenery.

THE BEACHES OF KRABI PROVINCE

Krabi's beaches are considered some of Thailand's most beautiful, framed as they are by soaring limestone karst pillars and lush tracts of mangroves. Some are world famous, and therefore busy, but it is still easy to find a peaceful stretch of sand, be it on the mainland or on one of the many offshore islands, which are often protected by national park status.

BOAT CRUISE, PHUKET

Whether you wish to charter a private yacht for a day or two or jet around the tropical islands of the archipelago on a speedboat, Phuket is the place to do it. Voyage across the azure waters, stopping at islands to sit on the beach, swim, snorkel or simply soak up the sun's rays on deck – there is no better way to explore this incredible stretch of ocean.

FOR THE EXPLORER

Burma's beautiful landscapes offer nothing but excitement and they, for now, remain relatively undiscovered. Bearing this in mind, Burma is just calling out to be explored by those willing to immerse themselves in a rich culture, step off the beaten track and experience all sides of this fascinating country.

These are just a few of the many intrepid experiences that Wendy Wu Tours can offer:

STREET FOOD TOUR, RANGOON

Rangoon is a city built on delicious street snacks; with all sorts of influences, it's not a surprise that there is an incredible variety of things to eat. Take to the streets on a walking tour to try out some of the city's best bites – you can soak up the atmosphere of the downtown as you go, and taste local dishes such as tea-leaf salad, steamed buns and curries.

HOT AIR BALLOON, INLE LAKE

Inle Lake offers a wonderfully unique experience from the ground, but from the air you get to see it as a breathtaking whole. Head up with Oriental Ballooning for panoramic views of the lake, nestled between mountains, and spot the stilted villages and famous leg rowers from above – it is the wind that guides you so every flight is different.

BAGAN BY BIKE

There are thousands of temples on the plains of Bagan – the easiest way to escape the tourist temple trail has to be by bike. You not only have the freedom to stop at any site, temple or pagoda that takes your fancy, you are also able to get closer to the local people as you pass them going about their daily lives in villages, farms and fields.

MERGUI ARCHIPELAGO

An unspoilt archipelago of over 800 islands in southern Burma, the easiest way to explore the Mergui Archipelago is by boat. The area is so undiscovered, you are likely to only share the experience with your fellow sailors and the occasional fisherman. Meet the inhabitants of the area and relish having deserted tropical beaches all to yourself.

Why not enjoy these experiences on the following itinerary:

- **Days 1-2:** Depart UK and arrive in Bangkok
- **Day 3:** Bangkok
- **Days 4-8:** Koh Lanta: diving, snorkelling, relaxing
- **Days 9-12:** Koh Samui: beach time, sun worship, Banyan Tree

fee. Wendy Wu Tours does not accept responsibility for lost or undelivered items. Personal collection or courier services are available on request. Please note that visa regulations can change at any time. Currently visas are not necessary for travel in Vietnam for stays of 15 days and under for UK passport holders, however this may change and is currently scheduled to be reviewed in June 2017. Visas for Laos are not included as there is no Laos consulate in the UK - these are inexpensive and easy to obtain upon arrival. If travelling into Cambodia overland your visa will also need to be obtained locally.

Q. Do I need travel insurance?

Q. What vaccinations do I need?
A. We recommend you see your doctor at least six weeks prior to travel for advice and to allow time for any necessary vaccinations. Please remember to take your itinerary with you.

Q. How soon after making our booking will we receive confirmation?

A. Once we have received your deposit we will send your confirmation documents.

Q. Do you send us information about the destinations we will visit?

A. It is essential that you read the relevant tour dossier before booking, which you can find on wendywutours.co.uk, or we can arrange for one to be sent to you. If there are any particular challenges such as the length of time spent on your feet, journey times or accommodation standards, they will be explained in these concise trip notes. Two weeks before you travel, you will receive a detailed day-by-day itinerary, a travel guide and phrasebook as well as a suggested packing list with your final documents.

Q. Will I know which hotels I will be staying in before I go?

A. Hotel details will be sent with your final documents. Note that these may be subject to change. Hotels generally range from 3-4 stars. In more remote areas, accommodation may be of a lower standard and may not have all western amenities. Rest assured that all hotels used by Wendy Wu Tours are regularly inspected by our staff and our partners to ensure that standards meet your needs. See page 106 for examples of hotels we usually use. If you require an early check-in or late check-out for your arrival and departure days, please contact us.

Q. How do I get my visa?

A. The cost of your visa is included in the price of your tour (UK & EU passports only). Simply send us your passport, completed visa application form and passport size photos eight weeks before departure by Royal Mail Special Delivery and we aim to have them sent back to you within four weeks. If you require your passport back earlier, please let us know so that we can arrange for an express visa service at an additional charge. Passports or visa application forms received six weeks or less before departure will automatically incur an express visa

Q. What size are your tour groups?

A. The maximum group size varies depending on the tour, but is usually between 8 and 29 passengers. You may meet other tour groups travelling concurrently. Where available, on our group tours we operate a seat-and-a-half policy, allowing you to travel in comfort. On our Discovery and Exclusive Collection Tours maximum group size is 18 passengers unless otherwise stated on the page.

Q. Do you run guaranteed departures?

A. Our most popular tours are guaranteed to depart, subject to a minimum of two passengers travelling. All other group tours are guaranteed to run subject to a minimum of 8 passengers, and a National Escort will accompany each group of 10 or more.

Q. As a single traveller, will I have to pay a single supplement?

A. No. On group tours we offer the option to share with a tour member of the same gender so there are no additional charges for travelling alone. You will be introduced to your share partner on arrival. Note that on overnight rail journeys and cruises this may not be with a Wendy Wu Tours passenger. To arrange a guaranteed private room, our single room option is available for an extra cost (you will still be required to share on overnight rail journeys).

Q. What does escorted touring mean?

A. Every group tour which has 10 or more passengers travelling will be accompanied by a National Escort from when you arrive, to when you depart. On multi-country tours, different national escorts are used in each country. In the unlikely event that your group is less than 10 you will be accompanied by local guides in each location. Our optional extensions are not accompanied by a National Escort; however you will have the benefit of our knowledgeable local guides. Transfers and flights to and from optional extension destinations

Q. What is the maximum luggage allowance on your tours?

A. Your main suitcase or backpack must not exceed 20kg and your hand luggage must not exceed 5kg as this is the maximum allowance on internal flights.

Q. What currency should I take?

A. We recommend you take sterling or US dollars as well as the local currency and a credit/debit card. We do not recommend travellers cheques. Please ensure you have sufficient funds to pay for personal expenses such as drinks, snacks, souvenirs, additional tipping and optional extras. Tipping must be in US dollars (see page 110).

Q. Can you arrange airport lounges, parking & hotels?

A. Yes – we are always looking for ways to make your holiday that little bit more comfortable and convenient for you. See page 115 for details.

Q. When is the best time to visit Southeast Asia?

A. Southeast Asia is a year-round destination. While November – April are the most popular months to visit, many people enjoy tours at other times of the year when there are fewer tourists. See page 111.

WHILE ON TOUR

are not escorted. Private tours are not accompanied by a National Escort, but will be accompanied by knowledgeable local guides in each location.

Q. What sort of vehicles do you use?

Air: Internal flights are based on economy class, with reputable airlines.

Road: Coaches with air conditioning are used on our group tours for city sightseeing, short excursions to the countryside and longer transfers where necessary. On our private tours we use air-conditioned vehicles suitable for the size of the party.

River: Ships or boats are used on tours which have a cruising element, from river cruising ships on the Irrawaddy and Mekong to comfortable, well-equipped sailing vessels on Halong Bay. To undertake these excursions, you will need to be capable of boarding and disembarking from these boats, sometimes without assistance and or handrails.

Q. When are Southeast Asian public holidays?

A. Vietnamese New Year, otherwise known as Tet, will be on 29th January 2017 and 17th February 2018. Celebrations last up to ten days. New Year celebrations for Cambodia, Laos and Thailand are in mid-April every year. Some businesses may be closed and tourist sites will be busier.

Rail: Trains are used on some tours. Where there is an overnight journey we use high-quality soft sleeper trains. Each compartment is shared by four people (not necessarily Wendy Wu Tours passengers). There is a western-style toilet at one end of the carriage and an Asian-style toilet at the other end. The beds and cabins are basic with clean linen provided and there are neither showers nor a dining car. The trains are generally clean; however you cannot expect western standards.

Q. Is there a dress code on your tours?

A. Our dress code is very relaxed; however, please note that clothing covering the arms and legs is more appropriate when visiting religious buildings.

WHILE ON TOUR

Q. What is the flying time to Southeast Asia?

A. Approx. 12 hours (if flying direct).

Q. Do you allow children on your tours?

A. We allow children 12 years and over on our Classic Group Tours, the minimum age on our Exclusive Collection tours is 18 years. Alternatively, our Private Tours (see our website) offer greater flexibility whilst on tour and are suitable for any age group.

Q. Will I be travelling with passengers from other countries?

A. Our passengers generally enjoy the mixture of British and Australian clients on tour. Occasionally we are joined by English speaking passengers from other countries.

Q. What is the average age on your group tours?

A. The average age range is 40-65. Younger and older passengers travel with us too.

Q. What hours of the day do your tours operate?

A. They generally start about 8am and end shortly after your evening meal. Occasionally earlier starts are required to meet flight departures.

Q. How do standards abroad compare with the UK?

A. We will do our best to ensure that your holiday is safe and trouble free and we are continually working with our local partners to maintain and improve health and safety standards. Travelling abroad involves new places and new experiences and sometimes this means different safety and hygiene standards to those we are used to in the UK. We therefore ask that you take care; pay attention at all times and use your common sense. You are also requested to refer to notices and follow advice from your national escort or local guide.

Q. Is portage included?

A. Portage is included on our Classic and Discovery Group Tours to China (from the coach to the lobby of each hotel). For Exclusive Collection tours portage is included from the coach to your hotel room.

Hanoi

Situated in the north of Vietnam, Hanoi experiences cool and dry winters and hot and humid summers. Spring and autumn are the most ideal times to visit with warm temperatures and lower humidity.

Luang Prabang

Luang Prabang is located along the Mekong River and had two typical seasons. During the winter months Luang Prabang is warm and dry and during the summer months it is hot but with higher rainfall than the winter months.

Saigon

Tropical Saigon is usually warm all year round and dry during the winter and spring months. Popular times to visit are October to December. Saigon's rainy season falls in the summer months, but these rain spells often clear quickly.

Bangkok

With its typical tropical climate, Bangkok is warm year round and at its hottest between March and June. Humidity levels are higher during this time, but this vibrant city cools down a little between July and October with periods of rainy weather and occasional showers.

Hoi An

Hoi An has two distinct seasons. Summer is very dry and warm, making this the ideal time to visit. Winter months are cooler with heavier rainfall. Hoi An's tropical climate make this city warm year-round.

Phuket

Phuket enjoys mild weather year round. The hottest periods fall between April and May. The rainy season is during the months of September and October, the rest of the year is largely dry.

Siem Reap

Siem Reap is warm throughout the year. From May to October Siem Reap has its highest rainfall, but temperatures remain warm. October to April is when Siem Reap is at its driest period.

Rangoon

Rangoon's summers are hot and humid with heavier rainfall. Between November and February the conditions are more comfortable as the temperature cools slightly and it is dryer. During the spring it becomes much hotter.

Q. Is Tipping Compulsory?

A. Yes. Tipping is a necessary part of the tourism industry worldwide. For your convenience, total compulsory tipping amounts are stated on each group tour page (subject to change), to be paid in USD to your national escort on arrival. Any additional tipping on any of our tours is at your discretion. You may wish to tip restaurant staff, porters, or river guides depending on the quality of service received. For tours with fewer than 10 passengers, tipping will be slightly higher than stated. On private tours and extensions, tipping is discretionary and we will advise recommended amounts.

Wendy Wu Tours Booking Conditions

The following booking conditions form the basis of your contract with Wendy Wu Tours Ltd, Ground Floor, Cottons Centre, Cottons Lane, 47-49 Tooley St, London SE1 2QG, company number 05107061. Please read them carefully as they set out our respective rights and obligations. By asking us to confirm your booking, you confirm that you have had the opportunity to read and have read these booking conditions, the brochure and tour dossier and agree to be bound by them.

These booking conditions only apply to holiday arrangements which you book with us in the UK and which we agree to make, provide or perform (as applicable) as part of our contract with you. All references in these booking conditions to “holiday”, “booking”, “contract”, “package”, “tour” or “arrangements” mean such holiday arrangements unless otherwise stated.

For tailor-made holidays, please refer to our Asia Inspirations brochure and terms and conditions or visit www.asiainspirations.co.uk.

In these booking conditions, “you” and “your” means all persons named on the booking (including anyone who is added or substituted at a later date) or any of them as the context requires. “We”, “us” and “our” means Wendy Wu Tours Limited.

1. Your Holiday Contract

The first named person on the booking (“lead name”) must be authorised to make a booking on the basis of these booking conditions by all persons named on the booking and by their parent or guardian for all party members who are under 18 when the booking is made. By making a booking the lead name confirms that he/she is so authorised. The lead name is responsible for making all payments due to us and to indemnify us for the liability of all party members. The lead name must be at least 18 when the booking is made.

After we receive your booking request and all appropriate payments (see clause 4 “Payment” below), if the arrangements you wish to book are available, we will issue a confirmation invoice. A binding agreement will come into existence between us when we dispatch this invoice to the “lead name” or your Travel Agent. We both agree that English Law (and no other) will apply to your contract and to any dispute, claim or other matter of any description which arises between us (“claim”) (except as set out below). We both also agree that any claim (and whether or not involving any personal injury) must be dealt with under the ABTA arbitration scheme (if the scheme is available for the claim in question and you wish to use it – see clause 14) or by the Courts of England and Wales only unless, in the case of Court proceedings, you live in Scotland or Northern Ireland. In this case, proceedings can either be brought in the Courts of your home county or those of England and Wales. If proceedings are brought in Scotland or Northern Ireland, you may choose to have your contract and claim governed by the law of Scotland/Northern Ireland as applicable (but if you do not so choose, English law will apply).

Your invoice will be sent to your travel agent or the lead name on the booking if you have booked direct with us. Please check this invoice carefully as soon as you receive it. Contact us immediately if any information which appears on the confirmation or any other document appears to be incorrect or incomplete as it may not be possible to make changes later. We regret we cannot accept any liability if we are not notified of any inaccuracies (for which we are responsible) in any document within ten days of our sending it out (five days for tickets). We will do our best to rectify any mistake notified to us outside these time limits but you must meet any costs involved in doing so.

If you wish to change or cancel any arrangements later you may have to pay an amendment or cancellation charge (See Clause 8).

2. Your financial protection

We hold an Air Travel Organiser’s Licence issued by the Civil Aviation Authority (ATOL number 6639). When you buy an ATOL protected flight or flight inclusive holiday* from us, you will receive an ATOL Certificate. This lists the flight, accommodation, car hire and/or other services that are financially protected, where you can get information on what this means for you, and who to contact if things go wrong. We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable).

*The flights and flight-inclusive holidays we arrange are ATOL protected providing they are made available in the UK. For further information visit the ATOL website at www.atol.org.uk. We are a member of ABTA (ABTA number W7994). If your holiday does not include flights, ABTA will financially protect your holiday by ensuring you receive a refund or, if your arrangements include return travel to the UK (other than flights) you are returned to the UK in the event that your holiday cannot be provided as a result of our insolvency. Please go to www.abta.com for a copy of the guide to ABTA’s scheme of Financial Protection.

ABTA and ABTA members help holidaymakers to get the most from their travel and assist them when things do not go according to plan. We are obliged to maintain a high standard of service to you by ABTA’s Code of Conduct.

For further information about ABTA, the Code of Conduct and the arbitration scheme available to you if you have a complaint (see clause 14), contact ABTA at 30 Park Street, London, SE1 9EQ or see www.abta.com.

3. Your Holiday Price

Please note, changes and errors occasionally occur. You must check the price of your chosen holiday at the time of booking.

The cost of your travel arrangements was calculated using known costs and exchange rates of £1 to 1.30113USD and £1 to 8.63424CNY on 17 Aug 2016.

We reserve the right to increase and correct errors in advertised prices at any time before your holiday is confirmed. We will advise you of any error which we are aware of and inform the new applicable price at the time of booking.

Once the price of your chosen holiday has been confirmed at the time of booking, then subject to the correction of errors, we will only increase the price in the following circumstances. Price increases after booking will be passed on by way of a surcharge. A surcharge will be payable, subject to the conditions set out in this clause, in the event of any change in our transportation costs or in dues, taxes or fees payable for services such as landing taxes or embarkation or disembarkation fees at ports or airports or in the any fluctuation in exchange rates which have been used to calculate the cost of your holiday. Even in the above cases, we will only levy a surcharge if the amount of any increase in our costs exceeds 2% of the total cost of your holiday (excluding insurance premiums and any amendment charges). If any surcharge is greater than 10% of the cost of your holiday (excluding insurance premiums and any amendment charges), you will be entitled to cancel your booking and receive a full refund of all monies you have paid to us (except for any amendment charges) or alternatively purchase another holiday from

us as referred to in clause 9 “If we change or cancel your holiday”. Although insurance (where purchased through us) does not form part of your contract with us or of any “package”, we will consider an appropriate refund of any insurance premiums you have paid us if you can show you are unable to use/reuse or transfer your policy in the event of cancellation or purchase of an alternative holiday.

Where applicable, you have 14 days from the issue date printed on the surcharge invoice to tell us if you want to choose option (b) or (c) as set out in clause 9 below. If you do not tell us that you wish to choose either of these options within this period of time, we are entitled to assume that you do not wish to do so and will pay the surcharge. Any surcharge must be paid with the balance of the cost of the holiday or within 14 days of the issue date printed on the surcharge invoice, whichever is the later.

Please note that arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your holiday due to contractual and other protection in place.

In any event, we promise not to levy a surcharge within 30 days of departure.

4.Payment

In order to confirm your chosen holiday, a deposit of at least £350.00 per person (or full payment if booking within 60 days of departure) must be paid at the time of booking. In some cases the amount of deposit may be higher: where, for example, we need to pre-purchase flights tickets, accommodation or other services. If you wish to purchase the insurance policy we offer, all applicable premiums must also be paid at the time of booking (you must be insured – please see clause 6 on the subject of insurance).

The balance of the holiday cost must be received by us not less than 60 days prior to departure. This date will be shown on the confirmation invoice. Reminders are not sent.

Our preferred method of deposit payment is by bank debit card or credit card. Balance payment may be made by cash, bank debit card, credit card or cheque (providing there is time to clear it to meet the payment schedule shown above - you should allow 5 working days for clearance from the time we receive it). No charge will be made for deposits and balances paid by Debit Card/Switch/Delta. However, in line with most major operators, we will make a charge of 2% for deposits and balances paid by credit card. If we do not receive all payments due (including any surcharge where applicable) in full and on time, we are entitled to assume that you wish to cancel your booking. In this case, we will be entitled to keep all deposits paid or due at that date.

Except for flight inclusive bookings, all monies you pay to one of our authorised travel agents for your holiday with us will be held by the agent on your behalf until a contract between us comes into existence. After that point, your agent will hold the monies on our behalf until they are paid to us. For flight inclusive bookings, all monies paid to any authorised travel agent of ours for your holiday with us will be held on behalf of and for the benefit of the Trustees of the Air Travel Trust subject to the travel agent’s obligation to pay such monies to us in accordance with our trading terms unless we fail. In the unlikely event of our financial failure, all monies then held by the travel agent or subsequently paid by you to the travel agent will be held by the agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation on the agent to pay such monies to us.

5. Travel documents and visas

A Passport with a minimum of six months validity from the intended date of Travel, and contain a minimum of two blank visa pages, is required for travel for all countries in our programme. Visa fees, where required, are included for UK and EU passport holders in all fully inclusive group packages with the exception of holidays to Laos. Non UK passport holders will incur Visa fees at their own expense. Failure to forward passports to Wendy Wu Tours by the date specified on your confirmation invoice so that we can process your Visa application may incur further charges to cover expedited Visa processing. Unless otherwise requested your passport will be returned approximately 4 weeks after receipt by Royal Mail Special Delivery. A charge will be made for faster processing. It is your responsibility to ensure the visa issued to you is correct. Whilst we include the cost of the standard visa application service in your tour price (for UK and EU passport holders), we will pass on any additional charges incurred for non-standard visa processing, or where visa charges are increased following publication of the brochure. Should your visa application be refused for any reason and you wish to cancel your booking the cancellation charges under clause 8 will apply. We make no promises that your Visa application will be successful and we cannot accept bookings conditional on the issuing of a Visa.

Responsibility for documentation accuracy, passport validity and dispatch of documents rests with you. Wendy Wu Tours accepts no responsibility in this regard. Passports and applications should be sent by tracked delivery or in person. We accept no responsibility for passports lost in the post.

It is the responsibility of each passenger to ensure that you carry all necessary passport, visa and other travel documentation as required by the country you are visiting, and that all documents are in date and valid. We do not accept responsibility if you cannot travel because you have not complied with any passport, visa or immigration requirements for any part of your holiday. If failure to have any necessary travel or other documents results in fines, surcharges or other financial penalty being imposed on us, you will be responsible for reimbursing us in full.

6. Travel Insurance, Health and Safety

It is a condition of booking with us that you take out suitable travel insurance covering at least circumstances leading to the cancellation of your booking and providing sufficient medical cover for illness or injury and repatriation while overseas. You must provide us with the name of your insurers and their 24 hour emergency contact number when you book or as soon as possible thereafter. Wendy Wu Tours will not be liable for any costs incurred by you due to your failure to take out suitable travel insurance from the date of booking. You will indemnify Wendy Wu Tours in respect of any assistance or payment made by us in these circumstances. Details of any compulsory health requirements applicable to British citizens for your holiday are available from the websites listed below. It is your responsibility to ensure you are aware of all recommended vaccinations and health precautions in good time before departure. Details are available from your GP surgery and from the National Travel Health Network and Centre www.nathnac.org. Information on health can be found at www.nhs.uk and www.ftffortravel.nhs.uk. For holidays in the EU / EEA you should obtain an EHIC (European Health Insurance Card) prior to departure from the Department of Health (www.dh.gov.uk). Health requirements and recommendations may change and you must check the up to date position in good time before departure. The Foreign and Commonwealth Office publishes regularly updated travel information on its website www.gov.uk/foreign-travel-advice which you are recommended to consult before booking and in good time before departure.

7. If you wish to change your booking

If, after our confirmation invoice has been issued, you wish to change your travel arrangements in any way, we will endeavour to make these changes, but it may not always be possible. Any request for changes to be made must be from the lead name on the booking or your Travel Agent. You will be asked to pay an administration charge as set out below per person and any further cost we incur together with any costs or charges incurred or imposed by any of our suppliers in making this alteration. Examples include:

- Minor amendments to the tour booked - £20
- Minor amendments made within 30 days of departure - £30
- Transferring between tours or changing departure date - £50
- Transferring between tours or changing departure date within 60 days of departure is not permitted and cancellation fees will apply
- Reissue of airline tickets - £50 plus any non-refundable costs of the cancelled ticket and any additional costs of the new ticket
- Once a booking is confirmed no name transfers are permitted within 60 days of departure and will be regarded as a cancellation and cancellation fees apply

It is important to note that some arrangements such as certain types of air tickets cannot be changed after a booking has been made as they are sold as part of your fixed package: any change will be treated as a cancellation in which case cancellation charges will apply.

8. If you wish to cancel your booking

Because we start to incur costs in relation to your arrangements from the time we confirm your booking, if you cancel we have to make a charge and the nearer to your departure date you cancel, the higher the charge will be. If you wish to cancel a confirmed booking you must do so by writing to our head office. Cancellation takes effect from the day we receive your letter. Cancellation charges are shown in the table below and will be payable immediately on cancellation. Where the cancellation charge is shown as a percentage, this is calculated on the basis of the total cost payable by the person(s) cancelling excluding insurance premiums and amendment charges. Insurance premiums and amendment charges are not refundable in the event of cancellation:

61 or more days	Retention of deposit
60 – 42 days	30% including deposit
41 – 28 days	60% including deposit
27 – 15 days	90% including deposit
14 days or less	100% including deposit

Depending on the reason for cancellation, you may be able to reclaim these cancellation charges (less any applicable excess) under the terms of your insurance policy. Claims must be made directly to the insurance company concerned and we have no liability in these circumstances.

9. If we change or cancel your holiday

We start planning the holidays we offer many months in advance. Occasionally, we have to make changes to and correct errors in brochure and other details both before and after bookings have been confirmed and cancel confirmed bookings. Whilst we always endeavour to avoid changes and cancellations, we must reserve the right to do so. The right is also reserved to change airline, aircraft types and vessels scheduled for any specific departure. Even after we have confirmed your booking we may have to make alterations to confirmed arrangements. Most such alterations will be minor and of little effect on your overall arrangements and while we will do our best to notify you of any such minor change before your departure, we will have no other liability to you. Occasionally we may have to make a significant change to your confirmed arrangements. Significant changes include but are not limited to the following (which are illustrative):

- Change of UK departure airport. (A change from one London airport to another is not considered a major change. London airports are Heathrow, Gatwick, Stansted, Luton and London City)
- Change of your time of departure or return by more than 12 hours
- Change of resort
- Change of holiday accommodation to accommodation of a lower official rating.

If we have to make a significant change, we will notify you as quickly as possible and offer you the following options:

- (a) (for significant changes) accepting the changed arrangements or
- (b) purchasing an alternative holiday from us, of a similar standard to that originally booked if available. We will offer you at least one alternative holiday of equivalent or higher standard for which you will not be asked to pay any more than the price of the original holiday. If this holiday is in fact cheaper than the original one, we will refund the price difference. If you do not wish to accept the holiday we specifically offer you, you may choose any of our other then available holidays. You must pay the applicable price of any such holiday. This will mean your paying more if it is more expensive or receiving a refund if it is cheaper or
- (c)cancelling or accepting the cancellation in which case you will receive a full refund of all monies you have paid to us

In addition, if you choose (a) or (b) above, and the change is not due to “force majeure” (see clause 10 “Force Majeure”), you will receive as compensation a credit towards the cost of your arrangements, or any alternative selected, of the amount shown in Scale A below. If you choose (c) we will pay you compensation of the amount shown in Scale B below. In all cases we will have no liability for any other or greater compensation, or for expenses or losses incurred as a result of any change.

Period before departure date notification given by us	Credit/Compensation per fare paying passenger (excluding children)	
	Scale A	Scale B
0 – 7 days	£50	£25
8 – 14 days	£40	£20
15 – 28 days	£30	£15
29 – 42 days	£20	£10
43 – 56 days	£10	£5

No compensation will be payable and the above options will not be available if we cancel as a result of your failure to comply with any requirement of these booking conditions entitling us to cancel (such as paying on time) or where a change is a minor one.

10. Our liability to you

(1) We will take reasonable care to ensure that the holiday arrangements we have agreed to make, perform or provide as part of our contract with you are made, performed or provided with reasonable skill and care. This means that, subject to these booking conditions, we may accept responsibility if, for example, you suffer death or personal injury or your contracted holiday arrangements are not provided as promised or prove deficient as a result solely of the failure of ourselves, our employees, agents or suppliers to use reasonable skill and care in making, performing or providing, as applicable, your contracted holiday arrangements. Please note, it is your responsibility to show that reasonable skill and care has not been used and you have suffered loss as a result if you wish to make a claim against us. In addition, we will only be responsible for what our employees, agents and suppliers do or do not do if they were at the time acting within the course of their employment (for employees) or carrying out work we had asked them to do (for agents and suppliers).

(2) We will not be responsible for any injury, illness, death, loss (for example loss of enjoyment), damage, expense, cost or other sum or claim of any description whatsoever which results from any of the following:

- the act(s) and/or omission(s) of the person(s) affected or any member(s) of their party or
- the act(s) and/or omission(s) of a third party not connected with the provision of your holiday and which were unforeseeable or unavoidable or
- “force majeure” as defined in clause 11 below

(3) Please note, we cannot accept responsibility for any services which do not form part of our contract. This includes, for example, any additional services or facilities which your hotel or any other supplier agrees to provide for you where the services or facilities are not advertised by us and we have not agreed to arrange them as part of our contract including any excursion you purchase in resort. Please also see clause 12 “Excursions”. In addition, regardless of any wording used by us on our website, in any advertising material or elsewhere, we only promise to use reasonable skill and care in performing our contractual obligation as set out above and we do not have any greater or different liability to you.

(4) The promises we make to you about the services we have agreed to provide or arrange as part of our contract – and the laws, regulations and relevant standards of the country in which your claim or complaint occurred – will be used as the basis for deciding whether the services in question had been properly provided. If the particular services which gave rise to the claim or complaint complied with local laws and regulations applicable to those services at the time, the services will be treated as having been properly provided. This will be the case even if the services did not comply with the laws and regulations of the UK which would have applied had those services been provided in the UK. The exception to this is where the claim or complaint concerns the absence of a safety feature which might lead a reasonable holiday maker to refuse to take the holiday in question. Please note, however, our obligation is to exercise reasonable skill and care as referred to in clause 10(1). We do not make any representation or commitment that all services will comply with applicable local laws and regulations and failure to comply does not automatically mean we have not exercised reasonable skill and care.

(5) As set out in these booking conditions, we limit the maximum amount we may have to pay you for any claims you may make against us.

Where we are found liable for loss of and/or damage to any luggage or personal possessions (including money), the maximum amount we will have to pay you is £1,500 per person affected unless a different limitation applies to your claim under this clause or clause 10(6) below. You must ensure you have appropriate travel insurance to protect your personal belongings.

For all other claims which do not involve death or personal injury, if we are found liable to you on any basis the maximum amount we will have to pay you is twice the price (excluding insurance premiums and amendment charges) paid by or on behalf of the person(s) affected in total unless a lower limitation applies to your claim under clause 10(6) below. This maximum amount will only be payable where everything has gone wrong and you have not received any benefit at all from your holiday.

(6) Where any claim or part of a claim (including those involving death or personal injury) concerns or is based on any travel arrangements (including the process of getting on and/or off the transport concerned) provided by any air, sea, rail or road carrier to which any international convention or regulation applies, the maximum amount of compensation we will have to pay you will be limited. The most we will have to pay you for that claim or that part of a claim if we are found liable to you on any basis is the most the carrier concerned would have to pay under the international convention or regulation which applies to the travel arrangements in question (for example, the Warsaw Convention as amended or unamended and the Montreal Convention for international travel by air and/or for airlines with an operating licence granted by an EU country, the EC Regulation on Air Carrier Liability No 889/2002 for national and international travel by air, the Athens Convention for international travel by sea and COTIF, the Convention on International Travel by Rail). Where a carrier would not be obliged to make any payment to you under the applicable international convention or regulation in respect of a claim or part of a claim, we similarly are not obliged to make a payment to you for that claim or part of the claim. When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the carrier for the claim in question. Copies of the applicable international conventions and regulations are available from us on request.

(7) Please note, we cannot accept any liability for any damage, loss, expense or other sum(s) of any description (1) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you or (2) which did not result from any breach of contract or other fault by ourselves or our employees or, where we are responsible for them, our suppliers. Additionally we cannot accept liability for any business losses including self employed loss of earnings.

11. Force Majeure

Except where otherwise expressly stated in these booking conditions, we regret we will not accept liability or pay any compensation where the performance or prompt performance of our obligations under our contract with you is prevented or affected by you or otherwise suffer any damage, loss or expense of any nature as a result of “force majeure”. In these booking conditions, “force majeure” means any event, or the consequences of which, we or the supplier of the service(s) in question could not, even with all due care, foresee or avoid. Such events are not limited to but may include actual or threatened war, riot, civil strife, terrorist activity, industrial dispute, natural or nuclear disaster, adverse weather conditions, volcanic activity, seismic activity, fire, pandemics, epidemics and all similar events, natural or man made, outside our control or that of our agents or suppliers.

12. Excursions

We may provide you with information (before departure and/or when you are on holiday) about activities and excursions which are available in the area you are visiting. We have no involvement in any such activities or excursions which are neither run, supervised nor controlled in any way by us. They are provided by local operators or other third parties who are entirely independent of us. They do not form any part of your contract with us even where we suggest particular operators/other third parties and/or assist you in booking such activities or excursions in any way. We cannot accept any liability on any basis in relation to such activities or excursions and the acceptance of liability contained in clause 10(1) of our booking conditions will not apply to them. We do not however exclude liability for the negligence of ourselves or our employees resulting in your death or personal injury. We cannot guarantee accuracy at all times of information given in relation to such activities or excursions or about the area you are visiting generally or that any particular excursion or activity which does not form part of our contract will take place as these services are not under our control. If you feel that any of the activities or excursions referred to in our brochure, on our website and in our other advertising material which are not part of our contract are vital to the enjoyment of your holiday, write to us immediately and we will tell you the latest known situation. If we become aware of any material alterations to area information and/or such outside activities or excursions which can reasonably be expected to affect your decision to book a holiday with us, we will pass on this information at the time of booking.

13. Complaint procedure

If you have a problem during your holiday concerning any service provided as part of the arrangements we have confirmed, you must inform our National Escort or Local Guide (or, if none available, with our local agent or hotel manager) immediately to enable them to try to resolve the matter. Any notification must be put in writing and given to our representative / agent and the supplier as soon as possible. Our emergency number is manned 24 hours a day, seven days a week and is 07984 041625. Until we know about a complaint or problem, we cannot begin to resolve it. If you remain dissatisfied, however, you must write to us within 28 days of your return to the UK giving your booking reference and full details of your complaint. Only the lead name should write to us. If you fail to follow this simple complaints procedure, your right to claim any compensation you may otherwise have been entitled to may be affected or even lost as a result.

14. Arbitration

Disputes arising out of, or in connection with your booking which cannot be amicably settled may be referred to arbitration if you so wish under a special scheme arranged by ABTA Ltd and administered independently. The scheme provides for a simple and inexpensive method of arbitration on documents alone with restricted liability on the customer in respect of costs. Full details will be provided on request or can be obtained from the ABTA website (www.abta.com). The scheme does not apply to claims for an amount greater than £5,000 per person. There is also a limit of £25,000 per booking. Neither does it apply to claims which are solely in respect of physical injury or illness or their consequences. The scheme can however deal with compensation claims which include an element of minor injury or illness subject to a limit of £1,500 on the amount the arbitrator can award per person in respect of this element. Your application for arbitration and other required documents must be received by ABTA within 18 months of your return from the holiday. Outside this time limit arbitration under the scheme may still be available if we agree, although the ABTA Code does not require such agreement. For injury and illness claims, you can request the ABTA mediation procedure and we have the option to agree to this. Where we act as agent, please bear in mind that your contract is with the supplier of the arrangements concerned. Unless the supplier is also a member of ABTA, only disputes relating to our actions as agent can be dealt with by the arbitration scheme or mediation procedure and not complaints about the arrangements themselves or the acts / omissions of the supplier.

15.Conditions of Suppliers

Many of the services which make up your holiday are provided by independent suppliers. Those suppliers provide these services in accordance with their own terms and conditions. Some of these terms and conditions may limit or exclude the supplier’s liability to you, usually in accordance with applicable international conventions (see clause 10(4)). Copies of the relevant parts of these terms and conditions and of the international conventions are available on request from ourselves or the supplier concerned.

16. Behaviour

When you book a Holiday with Wendy Wu Tours Limited you accept responsibility for the proper conduct for yourself and your party whilst on Holiday. If we or any other person in authority is of the reasonable opinion that you or any member of your party is behaving in such a way as to cause or be likely to cause danger or upset to any other person or damage to property, we will be entitled to terminate the holiday of the person(s) concerned. The person(s) concerned will be required to leave the accommodation or other service and we will have no further responsibility to them including any return travel arrangements. No refunds will be made and we will not pay any expenses or costs incurred as a result of the termination. You will be responsible for making full payment for any damage or loss caused by you or any member of your party during your time away. Payment must be paid directly at the time to the service supplier concerned. If the actual cost of the loss or damage exceeds the amount paid where estimated, you must pay the difference once known. If the actual cost is less than the amount paid, the difference will be refunded. You will also be responsible for meeting any claims subsequently made against us and all costs incurred by us (including our own and the other party’s full legal costs) as a result of your actions.

17. Special Requests

If you have any special requests, you must inform us prior to booking. Although we will endeavour to pass any reasonable requests on to the relevant supplier, we regret we cannot guarantee any request will be met. Failure to meet any special request will not be a breach of contract on our part. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability. Unless you receive written confirmation from the supplier that a special request will be complied with, you must assume that it will not be. The responsibility for providing the special request lies solely with the supplier and not with Wendy Wu Tours.

We regret we cannot accept any conditional bookings, i.e. any booking which is specified to be conditional on the fulfillment of a particular request. All such bookings will be treated as “standard” bookings subject to the above provisions on special requests.

18. Fitness, Medical Conditions & Disabilities

Please note that China and the surrounding regions is a vast area with varying terrain (including steps, steep hills and uneven walkways) which can be difficult to negotiate. An indicated “tour pace” is outlined clearly in this brochure and in the tour specific Tour Dossiers. It is your sole responsibility to ensure that you are sufficiently fit and well to negotiate these areas, without any adverse effect on the overall group or tour operation. You should check that your proposed areas of travel are suitable dependant on your own

health, including any medical condition and/or disability that you may have.

If you or any member of your party has any medical condition or disability which may affect your holiday or has any special requirements as a result of any medical condition or disability (including any which affect the booking process), please tell us before you confirm your booking so that we can assist you in considering the suitability of the arrangements and/or making the booking. In any event, you must give us full details in writing at the time of booking and whenever any change in the condition or disability occurs. You must also promptly advise us if any medical condition or disability which may affect your holiday develops after your booking has been confirmed. Should this condition not be met, Wendy Wu Tours reserves the right to terminate the holiday of the person(s) involved, as described in section 16.

19. Flights

In accordance with EU Directive (EC) No 2111/2005 Article 9, we are required to bring to your attention the existence of a “Community list” which contains details of air carriers who are subject to an operating ban within the EU. The Community list is available for inspection at http://ec.europa.eu/transport-air-ban/list_en.htm.

In accordance with EU Regulations we are required to advise you of the actual carrier(s) (or, if the actual carrier(s) is not known, the likely carrier(s)) that will operate your flight(s) at the time of booking. Where we are only able to inform you of the likely carrier(s) at the time of booking, we shall inform you of the identity of the actual carrier(s) as soon as we become aware of this. Any change to the operating carrier(s) after your booking has been confirmed will be notified to you as soon as possible.

If the carrier with whom you have a confirmed reservation becomes subject to an operating ban as above as a result of which we/ the carrier are unable to offer you a suitable alternative the provisions of clause 9 “If we change or cancel your holiday” will apply. We are not always in a position at the time of booking to confirm the flight timings which will be used in connection with your flight. The flight timings shown in our brochure, on our website and/or detailed on your confirmation invoice are for guidance only and are subject to alteration and confirmation. Flight timings are outside our control. They are set by airlines and are subject to various factors including air traffic control restrictions, weather conditions, potential technical problems and the ability of passengers to check in on time.

Specific instructions relating to departure and travel arrangements will be sent with your air or other travel tickets approximately 2 weeks before departure. You must accordingly check your tickets very carefully immediately on receipt to ensure you have the correct flight times. It is possible that flight times may be changed even after tickets have been despatched - we will contact you as soon as possible if this occurs.

Any change in the identity of the carrier, flight timings, and/or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying our normal charges except where specified in these conditions.

20. Delay and Denied Boarding Regulations

In the event of any flight delay or cancellation at your UK or overseas point of departure, the airline is responsible for providing such assistance as is legally required by the Denied Boarding Regulations (see below). The ferry, tunnel or rail operator is similarly responsible in relation to any delayed or cancelled sea crossing or international rail departure. Except where otherwise stated in our brochure or on our website, we cannot provide any assistance in such circumstances other than information and advice to the extent we are in a position to do so. Any airline concerned may however provide refreshments etc.

We cannot accept liability for any delay which is due to any of the reasons set out in clause 10(2) of these Booking Conditions (which includes the behaviour of any passenger(s) on the flight who, for example, fails to check in or board on time). In addition, we will not be liable for any delay unless it has a significant effect on your holiday arrangements.

If your flight is cancelled or delayed, your flight ticket is downgraded or boarding is denied by your airline, depending on the circumstances, the airline may be required to pay you compensation, refund the cost of your flight and/or provide you with accommodation and/or refreshments under EC Regulation No 261/2004 - the Denied Boarding Regulations 2004. Where applicable, you must pursue the airline for the compensation or other payment due to you. All sums you receive or are entitled to receive from the airline concerned by virtue of these Regulations represent the full amount of your entitlement to compensation or any other payment arising from such cancellation, delay, downgrading or denied boarding. This includes any disappointment, distress, inconvenience or effect on any other arrangements. The fact a delay may entitle you to cancel your flight does not automatically entitle you to cancel any other arrangements even where those arrangements have been made in conjunction with your flight. We have no liability to make any payment to you in relation to the Denied Boarding Regulations or in respect of any flight cancellation or delay, downgrading of any flight ticket or denial of any boarding as the full amount of your entitlement to any compensation or other payment (as dealt with above) is covered by the airline’s obligations under the Denied Boarding Regulations. If, for any reason, we make any payment to you or a third party which the airline is responsible for in accordance with the Denied Boarding Regulations, you must, when requested, assign to us the rights you have or had to claim the payment in question from the airline. If your airline does not comply with these rules you may complain to the Civil Aviation Authority on 020 7453 6888 or by e-mail to passengercomplaints@caa.co.uk or see www.caa.co.uk - referring your complaint to the CAA.

Data protection

In order to process your booking and meet your requirements, we must pass your personal details on to the relevant suppliers of your travel arrangements. We would also like to hold your information (including any email address), where collected by us, for our own future marketing purposes (for example, to inform you of promotional/ competition offers or to send you our brochure).

Wendy Wu Tours Ltd. may wish to contact you by post, e-mail and/or telephone with news, information and offers on its holidays we may have available and for market research purposes.

If you prefer not to be contacted for the purposes set out above then please contact
