THE WENDY WU TOURS DIFFERENCE

We are delighted to present our brand new Japan brochure, featuring the very best selection of carefully crafted tours, designed to make your trip to Japan a truly life enhancing, memory making and unforgettable experience.

After such a prolonged period of the world being closed, where you haven't been able to experience the joy of travel, at Wendy Wu Tours we have continued to work hard, always striving to improve our tours, squeezing in extra excitement, and unique and authentic experiences for you wherever we can. The delights of Cherry Blossom and the riotous colours of the Autumn leaves, hidden from us all for two years, we believe will become a reality again in 2022 and 2023.

All our tours are led by an experienced National Escort, born and raised in Japan, who will share with you their in-depth and intimate knowledge of this uniquely fascinating country. They'll take care of you every step of the way so all you have to do is relax and enjoy the journey.

For our most popular tour, Japan Uncovered – the ultimate tour of Japan – and our 21-day Japan by Rail tour, we strongly recommend early booking as many 2022 departures are almost fully booked and 2023 dates are filling fast. We are also delighted to be taking bookings for your 2024 Japan holiday if you want to plan further ahead. You may also want to consider two other remarkable destinations – Scenic South Korea and Treasures of Taiwan, plus the chance to combine Japan with its equally inspiring neighbour, China.

We look forward to welcoming you on a Wendy Wu tour soon!

PHYSICAL RATING

LEVEL 1

All our tours feature a physical rating to help you select the right holiday for you. Every one of our tours require the ability to walk around sights unaided, whilst more active tours involve longer walks, cycling and other physical activities. Tours at altitude will have a higher physical rating. For more information on why each tour has been rated the way it has, have a look at the 'Detailed Tour Dossier' available to download on the tour page of our website.

LEVEL 2

Involves a little more time on your feet than a Level 1 tour and may involve more steps and/or walking.

LEVEL 3

A good level of fitness is required as you need to be comfortable walking for 2-3 hours and covering longer distances. Other activities such as cycling will be at a gentle pace and will involve straightforward terrain.

LEVEL 4

Similar physical activities to Level 3 but they may be longer in duration or on slightly more challenging terrain.

LEVEL 5

You'll need to be fit and adventurous to participate in these tours as on some days you will be active for most of the day. The terrain may be more challenging and the activities more physically demanding.

WENDY'S TOP 8 JAPAN SIGHTS

1 MOUNT FUJI

With its perfectly proportioned cone, Mount Fuji is Japan's most iconic sight so we include it on all of our Japan tours.

2 HIROSHIMA

The city of Hiroshima is a modern, vibrant place, despite the horrors of its past. Visit the moving Peace Memorial Park to reflect on past events on several of our Japan tours.

3 KYOTO

Kyoto is Japan's ancient capital and cultural hub, packed with enchanting sights, 17 of which are UNESCO World Heritage-listed. Kyoto features on all our Japan itineraries.

4 NARA

A city famous for its bowing deer and being the birthplace of Japanese culture, how could we leave that off the list? Visit Nara on several of our Japan tours.

5 KOYASAN

A holy mountain dotted with monasteries, the wonderfully atmospheric and tranquil Koyasan features on several of our Japan tours.

6 TOKYO

A big, bright and brash city, Japan's capital perfectly epitomises the clash of modern and traditional that is the Japan of today. Tokyo, of course, features on all Japan tours.

7 SNOW MONKEYS

The Japanese macaques are a delight to watch as they bathe in natural hot pools close to the alpine town of Yudanaka. Many of our tours now include a visit to see the snow monkeys.

8 HIMEJI CASTLE

The best example of Japanese feudal castle architecture, Himeji Castle is seriously impressive. See it for yourself on most of our Japan tours.

Japan for all seasons

Japan is a country that can be enjoyed year round; here is our guide to what is happening when, to help you decide what time of year you'd like to experience it.

CHERRY BLOSSOM SEASON

For centuries the cherry blossoms have been an inspiration for poetry writing and painting pictures amongst the Japanese, they even have a dedicated word for going out to fields and parks to appreciate it – ‘hanami’ which literally translates as ‘looking at flowers’. When you gaze on the sea of soft pink flowers it’s easy to see why locals and many international visitors are so enamoured. Starting in late January in the sub-tropical south, the blossoms sweep up the country, reaching Tokyo and Kyoto in the first two weeks of April, though this can vary due to the weather. In the two weeks after they first bloom, locals and visitors alike stroll, sit and picnic beneath the laden boughs, but we particularly like to enjoy them lit up by lanterns at twilight. Cherry blossom season is extremely popular and our tours often sell out a long way in advance. If you want to travel during this period, make sure you book early!

AUTUMN LEAVES

Japan’s deep and rich autumn colours travel the opposite way to the cherry blossom, starting in the very north in September and moving southwards, reaching their peak in Tokyo, Kyoto and the surrounding areas from mid-October. In the parks and temple gardens of the cities, the leaves of the multitude of maple and ginkgo trees turn vibrant shades of red, yellow and orange; if you are travelling into the Japanese Alps, you’re in for an even more spectacular sight.

SUN AND SNOW

Japan’s summer, June to August, may be hot and humid but it is the season for festivals and fireworks. Enjoy impromptu celebrations or escape to the mountains to find the cooler climes and maybe do some hiking – this is also the only time of year that you are able to climb Mount Fuji.

In the winter, outside the cities, the country becomes a snow-covered wonderland. Vibrant ski resorts spring into action, ice festivals take place (Sapporo’s is the world’s biggest) and the Japanese macaques earn their snow monkey moniker. Oh, and there is nothing better than the glorious warm waters of an onsen on a cold winter’s day!

DAYS 1-2: FLY OVERNIGHT TO TOKYO

Fly overnight to the vibrant, neon-bright metropolis of Tokyo, Japan's capital city. Depending on your time of arrival, the rest of the day is yours to start soaking up the local culture.

DAY 3: EXPLORE TOKYO

Tokyo is a city that is always moving forward – from the ever-changing skyline to the fashions and trends of the people who call it home. As modern as it may appear, behind the neon façade is a traditional soul that is easy to find amongst the old alleyways, temples and shrines of the Edo era. Today you will experience both sides of the city, ascending the soaring Tokyo Skytree, the world's tallest tower, for panoramic views, before taking a wander through the old district of Asakusa. Stop to soak up the atmosphere at Sensoji, Tokyo's most famous and beloved temple and browse the stalls

of Nakamise shopping street. You will also drive by the Imperial Palace Plaza and take a stroll through Hamarikyu Gardens. This evening, cruise the waters of Tokyo Bay and enjoy dinner from the perfect vantage point to admire the supercharged lights of the city.

DAY 4: MOUNT FUJI

Travel by road from Tokyo to the iconic Mount Fuji, where you will ascend 2,400 metres up its slopes to the 5th Station (weather permitting) for magnificent views of both Fuji's cone and the surrounding landscapes. Transfer to the spa region of Hakone. Embark on a cruise on the spectacular Lake Ashi, keeping an eye out for the vermilion torii gates that nestle on the surrounding hills and in the shallows of the lake itself. Next, fly high above the lake on the Komagatake Ropeway to the summit of Mount Komagatake for views of Mt Fuji. Stay overnight in Mishima and enjoy the public onsen facilities.

DAY 5: BULLET TRAIN TO KYOTO

Transfer to Odawara Station to jump onboard the Hikari bullet train and whizz your way to Kyoto. Capital for a millennium, Kyoto was also the heart of religion, philosophy, art and cuisine, making it a treasure trove of history and culture. It is here that all of the best-known cultural arts were born – the tea ceremony, Kabuki and geisha to name a few. This afternoon, visit the magnificent Fushimi Inari Shrine, the most important of several thousands of shrines dedicated to the god Inari. Follow the pathway through thousands of vermilion torii gates that leads through a complex of shrines spread over a peaceful, forested hillside.

Your Japan questions answered

A selection of our most frequently asked questions.

BEFORE YOU TRAVEL

Q. Do I need travel insurance?

A. Your protection and safety are our main priority. That's why having adequate travel insurance is a condition of booking with us for all the destinations you plan to travel to. Your travel insurance policy must include full cover for COVID-19 both before and during your tour.

Q. What vaccinations do I need?

A. Vaccination requirements often change, therefore for up to date information please refer to www.fitfortravel.nhs.uk and always seek your doctor's advice. You may also need to comply with local requirements to be vaccinated for COVID-19 or to undertake COVID-19 tests.

Q. What size are your tour groups?

A. The group size on our Classic Tours is on average around 21 passengers, with a maximum group size 28. On our Go Beyond Tours and exclusive Solo Departures the average group size is around 14 and the maximum is 18. You may meet other tour groups travelling concurrently. On our group tours we operate a seat-and-a-half policy, allowing you to travel in greater comfort.

Q. Do you run guaranteed departures?

A. Group tours are guaranteed to run subject to a minimum of 8 passengers. A National Escort will accompany each group of 10 or more. We will endeavour to run groups of a smaller size if viable to do so.

Q. As a single traveller, will I have to pay a single supplement?

A. If you are joining one of our group tours on your own you can choose either to book onto one of our Solo Departures, which are reserved exclusively for solo travelers and have single occupancy of a double room built into the tour price (along with other features like free chauffeur airport transfers in the UK, free access to an airport lounge and a drinks reception on arrival) or, if you prefer, to pay the single room supplement on a regular departure and have a private room reserved for you. The second is to choose our 'Happy to Share' option, where you don't have to pay a single supplement if you are willing to share with another tour member of the same gender. You will be introduced to your share partner on arrival at the start of the tour. Happy to Share is on request when booking less than 75 days before departure. Alternatively a private room of your own is available on any of our tours at an extra cost.

Q. Is portage included?

A. No, portage is not included on our

tours and you will be expected to carry your own luggage. This will apply during transfers and at hotels.

Q. What is the maximum luggage allowance on your tours?

A. If your tour includes internal flights your main suitcase or backpack must not exceed 15kg and your hand luggage must not exceed 5kg as this is the maximum allowance on internal flights. If there are no internal flights on your tour then your allowance is the international flight limit.

Q. What currency should I take?

A. We recommend you take the local currency Japanese Yen and a credit/debit card. We do not recommend travellers cheques. Please ensure you have sufficient funds to pay for personal expenses such as drinks, snacks, souvenirs and optional extras.

Q. When is the best time to visit Japan?

A. Japan is a year-round destination. While spring and autumn are the most popular months to visit, many people enjoy tours at other times of the year when there are fewer tourists. See pages 14-15. Many people travel to Japan in cherry blossom season. Please bear in mind that seeing the cherry blossoms cannot be guaranteed as the season can vary from year to year. Very roughly the season for Tokyo and Kyoto is from the last week of March to the first two weeks of April – further south it begins earlier, further north it's a bit later. This is a very popular time of the year to visit so expect tourist attractions to be busy and that some queuing may be required.

Q. When are Japanese public holidays?

A. Japan's 'Golden Week' public holidays fall annually at the end of April/beginning of May. Celebrations last for several days and during this time some businesses will be closed. Tour attractions will be open, but may be crowded.

Q. What does escorted touring mean?

A. Every group tour which has 10 or more passengers travelling will be accompanied by a National Escort from when you arrive, to when you depart. On multi-country tours, different national escorts are used in each country. In the unlikely event that your group is less than 10 you will be accompanied by local guides in each location. Our optional extensions are not accompanied by a National Escort; however you will have the benefit of our knowledgeable local guides. Transfers and flights to and from optional extension destinations are not escorted. Private tours are not accompanied by a National Escort, but will be accompanied by knowledgeable local guides in each location.

WHILE ON TOUR

Q. What sort of vehicles do you use?

Air: Internal flights are based on economy class, with reputable airlines.

Road: Coaches with air conditioning are used on our group tours for city sightseeing, short excursions to the countryside and longer transfers where necessary. On our private tours, we use air-conditioned vehicles suitable for the size of the party.

Rail: Bullet trains and high speed trains are used on some tours. There is limited space to store luggage but alternative options are available, such as a luggage transfer service (at your own expense on private tours). While our guides may be there to assist, you will need to load and unload your own luggage on and off the trains. Seats onboard are booked in second class, comfortable, and carriages have western-style facilities.

River: Ships or boats are used on tours which have a cruising element. To undertake these excursions, you will need to be capable of boarding and disembarking from these boats, sometimes without assistance and/or handrails.

Public Transport: In big cities such as Tokyo, it may be necessary to make use of the excellent public transport systems during your sightseeing excursions. As well as being quicker and more convenient, it gives you a far more local experience. Escorted travel on public transport is mainly used on private tours.

Q. How do airport transfers work in Japan?

A. Airport transfers work in a different way in Japan compared to our other destinations. Unless there are 8 or more passengers arriving/departing at the same time, all passengers will be transferred to/from the airport using shared public transport via an airport limousine bus, monorail or coach-taxis. You will be met at the airport by an English-speaking representative and guided to your mode of transport.

Q. Is there a dress code on your tours?

A. Our dress code is very relaxed; however, please note that clothing covering the arms and legs is more appropriate when visiting religious buildings.

Q. Are meals included?

A. All meals (excluding beverages) are included in our group tours except where stated. Please note that in remote areas, meals may be simple and choices limited. Meals included in Private Tours are stated in the itinerary and include several free evenings, offering flexibility for those who wish to explore local restaurants. If you book a fully inclusive Classic Tour your first meal will be dinner on the day of arrival and will end with breakfast on the normal day of departure. Any additional meals will be at your own expense and no refund will be made for any meals missed. You will sample a range of local cuisine with occasional western meals, and meals are usually taken at local restaurants.

Q. Is tap water safe to drink?

A. The tap water across Japan is safe to drink, though you may prefer bottled water as you may not appreciate the taste.

Q. Are there any optional excursions?

A. From time to time your National Escort or local guide may suggest optional sightseeing in addition to the standard sightseeing planned, depending on local conditions. Such options are at an additional cost, with prices usually starting at £30 per person. This is paid in cash (local currency) to the guide on the day of the optional excursion – just ask your guide if you need to visit a cash machine before touring for that day commences.

Q. Are there shopping opportunities on your tours?

A. Japan has an array of shopping opportunities for those who love to seek out a bargain. We encourage all passengers to enjoy their local shopping expeditions but to take care and be wise when purchasing.

Q. Can special requests be arranged?

A. If you have any special requests such as dietary requirements, or if you wish to celebrate an event, please notify us at the time of booking and we will do everything possible to ensure your requests are met. Please note that special requests cannot be guaranteed.

Q. What is the flying time to Japan?

A. Approx. 11.5 hours (if flying direct).

Q. Do you allow children on your tours?

A. We allow children 12 years and over on our group tours. Alternatively, our Private Tours (see our website) offer greater flexibility whilst on tour and are suitable for any age.

Q. Will I be travelling with passengers from other countries?

A. Our groups are generally made up of travellers from the UK, Australia and New Zealand. Occasionally we are joined by English speaking passengers from other countries.

Q. What is the average age on your group tours?

A. The average age range is 40-65. Younger and older passengers travel with us too.

Q. What hours of the day do your tours operate?

A. They generally start about 8am and end shortly after your evening meal. Occasionally earlier starts are required to meet flight/train departures or to visit sights at the best time of day.

Q. Is tipping compulsory?

A. Tipping is not part of the culture in Japan and therefore is not required during our tours in Japan, but if you would like to show your appreciation, you can do so in local currency.

For information about South Korea, Taiwan and China, please visit our website and view each tour's detailed tour dossier.

If you wish to change or cancel any arrangements later you may have to pay an amendment or cancellation charge (See clause 8).

We both agree that English Law (and no other) will apply to your contract and to any dispute, claim or other matter of any description which arises between us ("claim") (except as set out below). We both also agree that any claim (and whether or not involving any personal injury) must be dealt with under the ABTA arbitration scheme (if the scheme is available for the claim in question and you wish to use it – see clause 13) or by the Courts of England and Wales only unless, in the case of Court proceedings, you live in Scotland or Northern Ireland. In this case, proceedings can either be brought in the Courts of your home country or those of England and Wales. If proceedings are brought in Scotland or Northern Ireland, you may choose to have your contract and claim governed by the law of Scotland/Northern Ireland as applicable (but if you do not so choose, English law will apply).

2. Your financial protection

We provide full financial protection for our package holidays.

For flight-based holidays this is through our Air Travel Organiser's Licence (ATOL number 6639) issued by the Civil Aviation Authority, Gatwick Airport South, West Sussex, RH6 0YR, UK, telephone 0333 103 6350, email claims@caa.co.uk. When you buy an ATOL protected flight or flight inclusive package* from us, you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you, and who to contact if things go wrong. We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable).

If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an

alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

*The flights and flight-inclusive packages we arrange are ATOL protected providing they are made available in the UK. For further information visit the ATOL website at www.atol.org.uk.

We are a member of ABTA (ABTA number W7994). If your package holiday does not include a flight, protection is provided by way of a bond held by ABTA The Travel Association 30 Park Street London SE1 9EQ www.abta.co.uk.

The combination of travel services offered to you is a package within the meaning of the Package Travel and Linked Travel Arrangements Regulations 2018. Therefore, you will benefit from all EU rights applying to packages. We will be fully responsible for the proper performance of the package as a whole. Additionally, as required by law, we have protection in place to refund your payments and, where transport is included in the package, to ensure your repatriation in the event that we become insolvent. More information on key rights can be found by visiting <https://www.legislation.gov.uk/ukdsi/2018/9780111168479/contents>.

3. Your Holiday Price

Please note, changes and errors occasionally occur. You must check the price of your chosen holiday at the time of booking. The cost of your travel arrangements was calculated using known costs and exchange rates of £1 to 137JPY, £1 to 8.60CNY and £1 to 1.28USD in May 2021. We reserve the right to increase and correct errors in advertised prices at any time before your holiday is confirmed. We will advise you of any error which we are aware of and inform the new applicable price at the time of booking. Once the price of your chosen holiday has been confirmed at the time of booking, it will not be subject to change.

4. Payment

In order to confirm your chosen holiday, a non-refundable deposit of at least £350.00 per person (or full payment if booking within 75 days of departure) must be paid at the time of booking. In some cases the amount of deposit may be higher: where, for example, we need to pre-purchase flights tickets, accommodation or other services and in the case of our flight upgrade special offers, to which early airline ticketing may apply – please see the terms and conditions of individual special offers for further information. The balance of the holiday cost must be received by us not less than 75 days prior to departure. This date will be shown on the confirmation invoice. Reminders are not sent. Our preferred method of deposit payment is by bank debit card or credit card. Balance payment may be made by bank debit card, credit card or cheque (providing there is time to clear it to meet the payment schedule shown above – you should allow 5 working days for clearance from the time we receive it). If we do not receive all payments due in full and on time, we are entitled to assume that you wish to cancel your booking. In this case, we will be entitled to keep all deposits paid or due at that date. Except for flight inclusive bookings, all monies you pay to one of our authorised travel agents for your holiday with us will be held by the agent on your behalf until a contract between us comes into existence. After that point, your agent will hold the monies on our behalf until they are paid to us. For flight inclusive bookings, all monies paid to any authorised travel agent of ours for your holiday with us will be held on behalf of and for the benefit of the Trustees of the Air Travel Trust subject to the travel agent's obligation to pay such monies to us in accordance with our trading terms unless we fail. In the unlikely event of our financial failure, all monies then held by the travel agent or subsequently paid by you to the travel agent will be held by the agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation on the agent to pay such monies to us. Please note that on very rare occasions, errors may occur when inputting prices onto our website and systems. We regret that any contract entered into on the basis of a pricing error will be invalid. In the unlikely event that this situation arises, you will be given the option to pay the correct price or cancel with a full refund.

5. Travel documents and visas

A Passport with a minimum of six months validity from the intended date of travel, and contains a minimum of two blank pages, is required for travel for the majority of countries in our programme. As visa requirements are constantly changing, you must regularly check the Foreign & Commonwealth Office (FCO) website for the most up to date entry requirements. Visa fees, where required, are included for UK British Citizen passport holders and will be specified whether included on your confirmation invoice. If you hold any other British passport (British Subject, British National Overseas) or you are a non-UK passport holder or you reside outside of the UK, you will be required to obtain your own visas at your own expense. It is your responsibility to ensure the visa issued to you is correct. Whilst we include the cost of the standard visa application service in your tour price (for UK British Citizen passport holders), we will pass on any additional charges incurred for non-standard visa processing, or where visa charges are increased following publication of the brochure. Should your visa application be refused for any reason and you wish to cancel your booking the cancellation charges under clause 8 will apply. An express visa process is available for an additional cost depending on the country of visit. We make no promises that your Visa application will be successful and we cannot accept bookings conditional on the issuing of a visa, or payment of the balance of the holiday cost (see clause 4) to be deferred until visas have been issued. Responsibility for documentation accuracy, passport validity and dispatch of documents rests with you. Wendy Wu Tours accepts no responsibility in this regard. We accept no responsibility for passports lost in the post. It is the responsibility of each passenger to ensure that you carry all necessary passport, visa and other travel documentation as required by the country you are visiting, and that all documents are in date and valid. We do not accept responsibility if you cannot travel because you have not complied with any passport, visa or immigration requirements for any part of your holiday. Failure to have any necessary travel or other documents results in fines, surcharges or other financial penalty being imposed on us, you will be responsible for reimbursing us in full. For the most up to date information on visa requirements for all destinations that we feature, please visit our website <https://www.wendywutours.co.uk/help-and-advice/passports-and-visas/>.

6. Travel Insurance, Health and Safety

It is a condition of booking with us that you take out suitable travel insurance covering at least circumstances leading to the cancellation of your booking and providing sufficient medical cover for illness or injury and repatriation while overseas, including COVID-19 cover. You must provide us with the name of your insurers and their 24 hour emergency contact number when you book or as soon as possible thereafter. Wendy Wu Tours will not be liable for any costs incurred by you due to your failure to take out suitable travel insurance from the date of booking. You will indemnify Wendy Wu Tours in respect of any assistance or payment made by us in these circumstances. Details of any compulsory health requirements applicable to British citizens for your holiday are available from the websites listed below. It is your responsibility to ensure you are aware of all recommended vaccinations and health precautions, including COVID-19 protection, in good time before departure. Details are available from your GP surgery and from the National Travel Health Network and Centre www.nathnac.org. Information on health can be found at www.nhs.uk and www.fitfortravel.nhs.uk. Health requirements and recommendations may change and you must check the up to date position in good time before departure. The Foreign and Commonwealth Office publishes regularly updated travel information on its website www.gov.uk/foreign-travel-advice which you are recommended to consult before booking and in good time before departure.

7. If you wish to change your booking

If, after our confirmation invoice has been issued, you wish to change your travel arrangements in any way, we will endeavour to make these changes, but it may not always be possible. Any request for changes to be made must be from the lead name on the booking or your Travel Agent. You will be asked to pay an administration charge as set out below per person and any further cost we incur together with any costs or charges incurred or imposed by any of our suppliers in making this alteration. Examples include:

- Minor amendments to the tour booked OR Minor amendments made within 30 days of departure OR Transferring between tours or changing departure date – £50
- Transferring between tours or changing departure date within 75 days of departure is not permitted and cancellation fees will apply
- Reissue of airline tickets, where possible – £50 plus any non-refundable costs of the cancelled ticket and any additional costs of the new ticket

BOOKING CONDITIONS

You can transfer your booking to another person, who satisfies all the conditions that apply to your booking, by giving us notice in writing as soon as possible and no later than 7 days before departure. Both you and the new traveller are responsible for paying all costs we incur in making the transfer.

Once a booking is confirmed no changes are permitted otherwise than in accordance with these terms and conditions.

It is important to note that some arrangements such as certain types of air tickets cannot be changed after a booking has been made as they are sold as part of your fixed package. You will be advised of any such non refundable charges prior to confirming your booking. Any change will be treated as a cancellation in which case cancellation charges will apply. Note that only one change per booking is permitted. Any requests for changes to your booking must be emailed to operations@wendywutours.co.uk.

8. If you wish to cancel your booking

Because we start to incur costs in relation to your arrangements from the time we confirm your booking, if you cancel we have to make a charge and the nearer to your departure date you cancel, the higher the charge will be. If you wish to cancel a confirmed booking you must do so by writing to our head office. Cancellation takes effect from the day we receive your letter. Cancellation charges are shown in the table below and will be payable immediately on cancellation. Where the cancellation charge is shown as a percentage, this is calculated on the basis of the total cost payable by the person(s) cancelling excluding insurance premiums and amendment charges. Insurance premiums and amendment charges are not refundable in the event of cancellation:

75 or more days	Retention of deposit
74 – 42 days	30% including deposit
41 – 28 days	60% including deposit
27 – 15 days	90% including deposit
14 days or less	100% including deposit

Depending on the reason for cancellation, you may be able to reclaim these cancellation charges (less any applicable excess) under the terms of your insurance policy. Claims must be made directly to the insurance company concerned and we have no liability in these circumstances.

9. If we change or cancel your holiday

Occasionally, we have to make changes to and correct errors in brochure and other details both before and after bookings have been confirmed and cancel confirmed bookings. Whilst we always endeavour to avoid changes and cancellations, we must reserve the right to do so. The right is also reserved to any change in airline, aircraft types and vessels scheduled for any specific departure.

If we change your holiday

Even after we have confirmed your booking we may have to make alterations to confirmed arrangements. Most such alterations will be minor and of little effect on your overall arrangements and while we will do our best to notify you of any such minor change before your departure, we will have no other liability to you. Occasionally we may have to make a significant change to your confirmed arrangements. Significant changes include but are not limited to the following (which are illustrative):

- Change of UK departure airport. (A change from one London airport to another is not considered a major change. London airports are Heathrow, Gatwick, Stansted, Luton and London City)
- Change of your time of departure or return by more than 12 hours
- Change of resort
- Change of holiday accommodation to accommodation of a lower official rating.

If we have to make a significant change, we will notify you as quickly as possible and offer you the following options:

- (a) (for significant changes) accepting the changed arrangements or
(b) purchasing an alternative holiday from us, of a similar standard to that originally booked if available. We will offer you at least one alternative holiday of equivalent or higher standard for which you will not be asked to pay any more than the price of the original holiday. If the holiday is cheaper than the original one, we will refund the price difference. If you do not wish to accept the holiday we specifically offer you, you may choose any of our other available holidays. You must pay the applicable price of any such holiday. This will mean you paying more if it is more expensive or receiving a refund if it is cheaper or
(c) cancelling or accepting the cancellation in which case you will receive a full refund of all monies you have paid to us.

In addition, if you choose (a) or (b) above, and the change is not due to 'unavoidable and extraordinary circumstances' (see below),

you will receive as compensation a credit towards the cost of your arrangements, or any alternative selected, of the amount shown in Scale A below. If you choose (c) we will pay you compensation of the amount shown in Scale B below. In all cases we will have no liability for any other or greater compensation, or for expenses or losses incurred as a result of any change.

Period before departure date notification given by us	Compensation per fare paying passenger (excluding children)
0 – 7 days	£50
8 – 14 days	£40
15 – 28 days	£30
29 – 42 days	£20
43 – 75 days	£10

If we cancel your holiday

If we have to cancel your booking we will not cancel less than 60 days before your departure date, except for unavoidable and extraordinary circumstances, or failure by you to pay the final balance, or because the minimum number required for the package to go ahead hasn't been reached. Unavoidable and extraordinary circumstances means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. The minimum number required will be provided to you with the holiday description, along with the time limit for us to tell you if the package has to be cancelled. If your holiday is cancelled you can either have a refund of all monies paid or accept an alternative holiday of comparable standard from us if we offer one (we will refund any price difference if the alternative is of a lower value).

No compensation will be payable and the above options for either a change or cancellation will not be available if we cancel as a result of your failure to comply with any requirement of these booking conditions entitling us to cancel (such as paying on time) or where a change is a minor one.

Please note, in the event of a cancellation, airline schedule change or change of departure airport, we are not liable to cover the cost of flights, trains or any form of transportation or any other expenses incurred by these changes.

10. Our liability to you

(1) We will take reasonable care to ensure that the holiday arrangements we have agreed to make, perform or provide as part of our contract with you are made, performed or provided with reasonable skill and care. This means that, subject to these booking conditions, we may accept responsibility if, for example, you suffer death or personal injury or your contracted holiday arrangements are not provided as promised or prove deficient as a result solely of the failure of ourselves, our employees, agents or suppliers to use reasonable skill and care in making, performing or providing, as applicable, your contracted holiday arrangements. Please note, it is your responsibility to show that reasonable skill and care has not been used and you have suffered loss as a result if you wish to make a claim against us. In addition, we will only be responsible for what our employees, agents and suppliers do or do not do if they were at the time acting within the course of their employment (for employees) or carrying out work we had asked them to do (for agents and suppliers).

(2) We will not be responsible for any injury, illness, death, loss (for example loss of enjoyment), damage, expense, cost or other sum or claim of any description whatsoever which results from any of the following:

- the act(s) and/or omission(s) of the person(s) affected or any member(s) of their party or
- the act(s) and/or omission(s) of a third party not connected with the provision of your holiday and which were unforeseeable or unavoidable or
- 'Unavoidable and Extraordinary Circumstances' as defined in clause 9 above.

(3) Please note, we cannot accept responsibility for any services which do not form part of our contract. This includes, for example, any additional services or facilities which your hotel or any other supplier agrees to provide for you where the services or facilities are not advertised by us and we have not agreed to arrange them as part of our contract including any excursion you purchase in resort. Please also see clause 11 "Excursions". In addition, regardless of any wording used by us on our website, in any advertising material or elsewhere, we only promise to use reasonable skill and care in performing our contractual obligation as set out above and we do not have any greater or different liability to you.

(4) The promises we make to you about the services we have agreed to provide or arrange as part of our contract - and the laws, regulations and relevant standards of the country in which your claim or complaint

occurred - will be used as the basis for deciding whether the services in question had been properly provided. If the particular services which gave rise to the claim or complaint complied with local laws and regulations applicable to those services at the time, the services will be treated as having been properly provided. This will be the case even if the services did not comply with the laws and regulations of the UK which would have applied had those services been provided in the UK. The exception to this is where the claim or complaint concerns the absence of a safety feature which might lead a reasonable holiday maker to refuse to take the holiday in question. Please note, however, our obligation is to exercise reasonable skill and care as referred to in clause 10 (1). We do not make any representation or commitment that all services will comply with applicable local laws and regulations and failure to comply does not automatically mean we have not exercised reasonable skill and care.

(5) As set out in these booking conditions, we limit the maximum amount we may have to pay you for any claims you may make against us. Where we are found liable for loss of and/or damage to any luggage or personal possessions (including money), the maximum amount we will have to pay you is £1,500 per person affected unless a different limitation applies to your claim under this clause or clause 10(6) below. You must ensure you have appropriate travel insurance to protect your personal belongings. For all other claims which do not involve death or personal injury, if we are found liable to you on any basis the maximum amount we will have to pay you is three times the price (excluding insurance premiums and amendment charges) paid by or on behalf of the person(s) affected in total unless a lower limitation applies to your claim under clause 10(6) below. This maximum amount will only be payable where everything has gone wrong and you have not received any benefit at all from your holiday.

(6) Where any claim or part of a claim (including those involving death or personal injury) concerns or is based on any travel arrangements (including the process of getting on and/ or off the transport concerned) provided by any air, sea, rail or road carrier to which any international convention or regulation applies, the maximum amount of compensation we will have to pay you will be limited. The most we will have to pay you for that claim or that part of a claim if we are found liable to you on any basis is the most the carrier concerned would have to pay under the international convention or regulation which applies to the travel arrangements in question (for example, the Warsaw Convention as amended or unamended and the Montreal Convention for international travel by air and/or for airlines with an operating licence granted by an EU country, the EC Regulation on Air Carrier Liability No 889/2002 for national and international travel by air, the Athens Convention for international travel by sea and COTIF, the Convention on International Travel by Rail). Where a carrier would not be obliged to make any payment to you under the applicable international convention or regulation in respect of a claim or part of a claim, we similarly are not obliged to make a payment to you for that claim or part of the claim. When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the carrier for the claim in question. Copies of the applicable international conventions and regulations are available from us on request.

(7) Please note, we cannot accept any liability for any damage, loss, expense or other sum(s) of any description (1) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you or (2) which did not result from any breach of contract or other fault by ourselves or our employees or, where we are responsible for them, our suppliers. Additionally we cannot accept liability for any business losses including self employed loss of earnings.

11. Excursions

We may provide you with information (before departure and/or when you are on holiday) about activities and excursions which are available in the area you are visiting. We have no involvement in any such activities or excursions which are neither run, supervised nor controlled in any way by us. They are provided by local operators or other third parties who are entirely independent of us. They do not form any part of your contract with us even where we suggest particular operators/other third parties and/or assist you in booking such activities or excursions in any way. We cannot accept any liability on any basis in relation to such activities or excursions and the

acceptance of liability contained in clause 10(1) of our booking conditions will not apply to them. We do not however exclude liability for the negligence of ourselves or our employees resulting in your death or personal injury. We cannot guarantee accuracy at all times of information given in relation to such activities or excursions or about the area you are visiting generally or that any particular excursion or activity which does not form part of our contract will take place as these services are not under our control. If you feel that any of the activities or excursions referred to in our brochure, on our website and in our other advertising material which are not part of our contract are vital to the enjoyment of your holiday, write to us immediately and we will tell you the latest known situation. If we become aware of any material alterations to area information and/or such outside activities or excursions which can reasonably be expected to affect your decision to book a holiday with us, we will pass on this information at the time of booking.

12. Complaint procedure

If you have a problem during your holiday concerning any service provided as part of the arrangements we have confirmed, you must inform our National Escort or Local Guide (or, if none available, with our local agent or hotel manager) immediately to enable them to try to resolve the matter. Any notification must be put in writing and given to our representative / agent and the supplier as soon as possible. Our emergency number is manned 24 hours a day, seven days a week and is 01888 288 288. Until we know about a complaint or problem, we cannot begin to resolve it. If you remain dissatisfied, however, you must write to us within 28 days of your return to the UK giving your booking reference and full details of your complaint. Please address all correspondence to customer@wendywutours.co.uk. Only the lead name should write to us. If you fail to follow this simple complaints procedure, your right to claim any compensation you may otherwise have been entitled to may be affected or even lost as a result.

13. Arbitration

As ABTA members, we are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. Disputes arising out of, or in connection with your booking which cannot be amicably settled may be referred to arbitration if you so wish under a special scheme arranged by ABTA Ltd and administered independently. The scheme provides for a simple and inexpensive method of arbitration and is approved by the Chartered Trading Standard's Institute. Further information on the Code of Conduct and ABTA's assistance in resolving disputes can be found at www.abta.com. You can also access the European Commission Online Dispute (ODR) Resolution platform at <http://ec.europa.eu/consumers/odr/>. This ODR platform is a means of notifying us of your complaint; it will not determine how your complaint should be resolved.

14. Conditions of Suppliers

Many of the services which make up your holiday are provided by independent suppliers. Those suppliers provide these services in accordance with their own terms and conditions. Some of these terms and conditions may limit or exclude the supplier's liability to you, usually in accordance with applicable international conventions (see clause 10(4) and 10(6)). Copies of the relevant parts of these terms and conditions and of the international conventions are available on request from ourselves or the supplier concerned.

15. Behaviour

When you book a Holiday with Wendy Wu Tours Limited you accept responsibility for the proper conduct for yourself and your party whilst on Holiday. If we or any other person in authority is of the reasonable opinion that you or any member of your party is behaving in such a way as to cause or be likely to cause danger or upset to any other person or damage to property, we will be entitled to terminate the holiday of the person(s) concerned. The person(s) concerned will be required to leave the accommodation or other service and we will have no further responsibility to them including any return travel arrangements. No refunds will be made and we will not pay any expenses or costs incurred as a result of the termination. You will be responsible for making full payment for any damage or loss caused by you or any member of your party during your time away. Payment must be paid directly at the time to the service supplier concerned. If the actual cost of the loss or damage exceeds the amount paid where estimated, you must pay the difference once known. If the actual cost is less than the amount paid, the difference will be refunded. You will also be responsible for meeting any claims subsequently made against us and all costs incurred by us (including our own and the other party's full legal costs) as a result of your actions.

16. Special Requests

If you have any special requests, including dietary requirements, you must inform us prior to booking. Although we will endeavour to pass any reasonable requests on to the relevant supplier, we regret we

cannot guarantee any request will be met. Failure to meet any special request will not be a breach of contract on our part. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability. Unless you receive written confirmation from the supplier that a special request will be complied with, you must assume that it will not be. The responsibility for providing the special request lies solely with the supplier and not with Wendy Wu Tours. We regret we cannot accept any conditional bookings, i.e. any booking which is specified to be conditional on the fulfilment of a particular request. All such bookings will be treated as "standard" bookings subject to the above provisions on special requests.

17.Fitness, Medical Conditions & Disabilities

Please note that Asia is a vast area with varying terrain (including steps, steep hills and uneven walkways) which can be difficult to negotiate. An indicated 'physical rating' is outlined clearly in this brochure and in the tour specific Tour Dossiers. It is your sole responsibility to ensure that you are sufficiently fit and well to negotiate these areas, without any adverse effect on the overall group or tour operation. You should check that your proposed areas of travel are suitable dependant on your own health, including any medical condition and/or disability that you may have. If you or any member of your party has any medical condition or disability which may affect your holiday or has any special requirements as a result of any medical condition or disability (including any which affect the booking process), please tell us before you confirm your booking so that we can assist you in considering the suitability of the arrangements and/ or making the booking. Dietary allergy requests must be made at time of booking and will be passed on to the relevant supplier, but unfortunately we cannot guarantee these requests can be met and cannot be held responsible for any illness or death caused by food consumed as part of your tour package with us. In any event, you must give us full details in writing at the time of booking and whenever any change in the condition or disability occurs. You must also promptly advise us if any medical condition or disability which may affect your holiday develops after your booking has been confirmed. Should this condition not be met, Wendy Wu Tours reserves the right to terminate the holiday of the person(s) involved, as described in section 9.

18. Flights

In accordance with EU Directive (EC) No 2111/2005 Article 9, we are required to bring to your attention the existence of a "Community list" which contains details of air carriers who are subject to an operating ban within the EU. The Community list is available for inspection at http://ec.europa.eu/transport/air-ban/list_en.htm. In accordance with EU Regulations we are required to advise you of the actual carrier(s) (or, if the actual carrier(s) is not known, the likely carrier(s) that will operate your flight(s) at the time of booking. Where we are only able to inform you of the likely carrier(s) at the time of booking, we shall inform you of the identity of the actual carrier(s) as soon as we become aware of this. Any change to the operating carrier(s) after your booking has been confirmed will be notified to you as soon as possible. If the carrier with whom you have a confirmed reservation becomes subject to an operating ban as above as a result of which we/ the carrier are unable to offer you a suitable alternative the provisions of clause 9 "If we change or cancel your holiday" will apply. We are not always in a position at the time of booking to confirm the flight timings which will be used in connection with your flight. The flight timings shown in our brochure, on our website and/or detailed on your confirmation invoice are for guidance only and are subject to alteration and confirmation. Flight timings are outside our control. They are set by airlines and are subject to various factors including air traffic control restrictions, weather conditions, potential technical problems and the ability of passengers to check in on time. Specific instructions relating to departure and travel arrangements will be sent with your air or other travel tickets approximately 2 weeks before departure. You must accordingly check your tickets very carefully immediately on receipt to ensure you have the correct flight times. It is possible that flight times may be changed even after tickets have been despatched - we will contact you as soon as possible if this occurs. Any change in the identity of the carrier, flight timings, and/or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying our normal charges except where specified in these conditions.

19. Delay and Denied Boarding Regulations

In the event of any flight delay or cancellation at your UK or overseas point of departure, the airline is responsible for providing such assistance as is legally required by the Denied Boarding Regulations (see below). The ferry, tunnel or rail operator is similarly responsible in relation to any delayed or cancelled sea crossing or international

BOOKING CONDITIONS

rail departure. Except where otherwise stated in our brochure or on our website, we cannot provide any assistance in such circumstances other than information and advice to the extent we are in a position to do so. Any airline concerned may however provide refreshments etc. We cannot accept liability for any delay which is due to any of the reasons set out in clause 10(2) of these Booking Conditions (which includes the behaviour of any passenger(s) on the flight who, for example, fails to check in or board on time). In addition, we will not be liable for any delay unless it has a significant effect on your holiday arrangements. If your flight is cancelled or delayed, your flight ticket is downgraded or boarding is denied by your airline, depending on the circumstances, the airline may be required to pay you compensation, refund the cost of your flight and/or provide you with accommodation and/ or refreshments under EC Regulation No 261/2004 - the Denied Boarding Regulations 2004. Where applicable, you must pursue the airline for the compensation or other payment due to you. All sums you receive or are entitled to receive from the airline concerned by virtue of these Regulations represent the full amount of your entitlement to compensation or any other payment arising from such cancellation, delay, downgrading or denied boarding. This includes any disappointment, distress, inconvenience or effect on any other arrangements. The fact a delay may entitle you to cancel your flight does not automatically entitle you to cancel any other arrangements even where those arrangements have been made in conjunction with your flight. We have no liability to make any payment to you in relation to the Denied Boarding Regulations or in respect of any flight cancellation or delay, downgrading of any flight ticket or denial of any boarding as the full amount of your entitlement to any compensation or other payment (as dealt with above) is covered by the airline's obligations under the Denied Boarding Regulations. If, for any reason, we make any payment to you or a third party which the airline is responsible for in accordance with the Denied Boarding Regulations, you must, when requested, assign to us the rights you have or had to claim the payment in question from the airline. If your airline does not comply with these rules you may complain to the Civil Aviation Authority on 0333 022 1500 or by completing the relevant online form at www.caa.co.uk.
